SERVICE

for Service people

When you bank with the Westminster, you get service all along the line. First, the Westminster has a special Navy Branch at 26 Haymarket, London. This has been open since 1772 and is, in consequence, well acquainted with the kind of financial problems you meet with in the Navy. Next, the Bank has branches at Chatham, Portsmouth and Plymouth which are always at your service (as also are nearly 1,200 branches in other towns throughout England and Wales). Finally, the Westminster Bank operates abroad through a world-wide system of agents and correspondents. If you would like to know more about our service to the Senior Service, write for the booklet 'Westminster Bank to Her Majesty's Ships'

The rate of Half Pay for an Admiral of the Fleet when further naval employment is not contemplated is £2,300 a year.

RATES OF PAY AND MARRIAGE ALLOWANCE FOR NAVAL RATINGS (INCLUDING MEMBERS OF THE WOMEN'S SERVICES) AND ROYAL MARINES (OTHER RANKS) 13

The basic rates of pay in all branches depend on the period for which a man is committed to serve. Those on engagements for periods of nine years or more will receive the "Standard rate of pay," those serving for less than nine years will receive the lower "seven year rate of pay." In deciding which scale a man is to receive account is taken of their previous service rendered. Pay also varies according to the qualifications held, the classification being denoted alphabetically in the following tables.

1. The provisions of the 1956 retired pay code are set out below.
 2. The 1956 code applies to permanent Commissioned Officers who were retired on or after 1st January 1956. If it is to their advantage, Officers serving on the active list on 6th March, 1946, will be allowed to receive, in respect of the rank held on that date, the retired pay or gratuity terms prescribed under the 1919 code instead of those prescribed under the 1956 code. (Note.—The rates of Retired Pay and gratuities under the 1919 code were last published in the Appendix to the Navy List for June, 1956). The following rates do not apply to Officers holding temporary or short service commissions.

Sub-Lieutenant or Second Lieutenant, R.M.	3s. 6d. a week
Lieutenant	4s. 0d. a week
Lieutenant-Commander or Captain, R.M.	5s. 0d. a week

(c) Chaplains

The rate of retired pay for the Chaplain of the Fleet will be £1,275 a year subject to completion of 28 years' reckonable service and two years in the appointment. For service short of 28 years, deductions will be made on the scale in paragraph 6.

The rates for Chaplains will be:—

On completion of 22 years' reckonable service	£625 a year
Addition for each complete quarter of a year reckonable service up to the 27th year inclusive	£8 15s. a year
Addition for each complete quarter of a year reckonable service from the 28th year to the 30th year inclusive	£10 a year
up to a maximum of £920 a year.	

For service short of 22 years, deductions will be made on the scale in paragraph 6.

CONDITIONS OF AWARD OF RETIRED PAY OR GRATUITY

4. Qualifying Service

Eligibility for retired pay or gratuity is dependent on the completion of the following minimum periods of qualifying service, reckoned in accordance with paragraph 12 (a) below.

Retired pay

On retirement for a cause other than invaliding or under paragraph 11 (b) 20 years
 On invaliding 10 years
 Retired pay may however be awarded on completion of not less than 15 years' reckonable service, on compulsory retirement only:

- to Officers who necessarily entered, in the interest of the Service, at an age above the normal and have in consequence not completed 20 years' qualifying service at the time of their compulsory retirement for age or non-employment;
- to Officers promoted from the lower deck provided that they have not less than 22 years' service (including ratings service in full) from first entry or age of 18, whichever is the later.

Gratuity

On retirement for a cause other than invaliding (paragraph 9), or under paragraph 11 (c) 10 years

5. Conditions necessary for award of full standard rate

(a) Compulsory retirement

Subject to the following conditions regarding length of service and service in the rank, retired pay at the standard rate is payable to an Officer either:—

- compulsory retired on reaching the age limit for service in the rank and Branch

or

- (ii) compulsorily retired before reaching the age limit, by reason of it having been decided that he will not be further employed or promoted.

(b) **Service in the rank**

An Officer who retires for any cause other than invaliding must have completed the following periods of full pay service in the substantive rank to qualify for retired pay appropriate to the rank:—

- (i) Admiral or General, R.M. one year
 (ii) All other Officers (except as in (iii)) two years
 (iii) Majors, R.M. (Special Duties) one year

If an Officer has less than the prescribed period of service in the rank, his retired pay will be based on the highest rank for which he is so qualified.

(c) **Service from age 21**

To qualify for the standard rate, Officers must have completed the following periods of reckonable service see paragraph 12 (b) below.

- Rear-Admiral, Major-General, R.M., or above 30 years
 Captain, R.N., after 6 years' service in the rank, or Colonel, R.M. 28 years
 Captain, R.N., with less than 6 years' service in the rank or Lieutenant-Colonel, R.M. 26 years
 Commander, R.N., or Major, R.M. 24 years
 Lieutenant-Commander, R.N., or Captain, R.M., or Lieutenant-Commander, R.N. (Special Duties) after 9 years' service in the rank, or Captain, R.M. (Special Duties) with 9 years' service in the rank 22 years
 Lieutenant, R.N., or R.M., or Lieutenant-Commander, R.N. (Special Duties) with less than 9 years in the rank, or Captain, R.M. (Special Duties) with less than 9 years in the rank 20 years
 Sub-Lieutenant (Special Duties) or Second Lieutenant R.M. (Special Duties) 20 years

6. **Deductions for service short of the standard periods**

Where the total service given is less than the period, according to rank, prescribed in paragraph 5 (c), the rate of retired pay otherwise admissible will be reduced by one deduction, at the following rates, in respect of each quarter or part of a quarter of the deficiency:—

Deduction for each quarter or part of a quarter by which total service falls short of the period specified in paragraph 5 (c)

Above £1,200 a year	..	..	..	..	..	£15 a quarter
£1,200 and above £1,000 a year	..	..	..	..	..	£12 10s. a quarter
£1,000 " " £800	..	..	..	..	..	£10 a quarter
£800 " " £600	..	..	..	..	..	£7 10s. a quarter
£600 " " £400	..	..	..	..	..	£5 a quarter
£400 " " £300	..	..	..	..	..	£3 15s. a quarter
£300 " " £200	..	..	..	..	..	£2 10s. a quarter
£200 and below, a year	..	..	..	..	..	£1 5s. a quarter

Where, after a deduction has been made, the net remaining rate of retired pay is less than the minimum appropriate to the rate of reduction, any further deductions will be at the next lower rate. For example, if the standard rate of retired pay is £625 a year and under the above conditions eight quarterly deductions are to be made, the first four deductions would be at £7 10s. a quarter, and the next four at £5 a quarter; thus the net rate of retired pay would be £575 a year.

7. **Voluntary Retirement**

(a) Officers who are allowed to retire at their own request, within two years of the date on which they attain the compulsory retiring age for their rank and branch, will receive the rate of retired pay for which they are eligible by rank and service that would have been payable on compulsory retirement in the circumstances set out in paragraph 5 (a) above.

(b) The rate of retired pay payable to an Officer who is permitted to retire at his own request, except as provided in sub-paragraph (a) above, will be the rate which he would have received on compulsory retirement at the age-limit for service in his rank and branch reduced by one deduction on the scale shown in paragraph 6 above for each quarter or part of a quarter by which his age falls short, by more than two years, of that age-limit, with a further deduction of ten per cent. of the resultant figure.

Instead of the ages as prescribed from time to time for compulsory retirement for General List Officers the following ages may be used in calculating retired pay for voluntary retirement.

Admiral	..	..	..	..	..	60 years
Vice-Admiral	..	..	..	..	..	59 years
Rear-Admiral	..	..	..	..	..	57 years
Captain	..	..	..	..	..	52 years

Officers entered into R.N. before 1st May, 1957

Commander	..	..	..	..	..	50 years
Lieutenant-Commander	..	..	..	..	..	45 years

Note.—The award to a Captain, R.N. who retires at his own request with less than 6 years' service in the rank, will be assessed with reference to the standard rate of £1,000 a year.

Officers retired for incapacity, unsuitability, misconduct, etc., will be eligible for retired pay or gratuity as follows:—

12. Reckoning of Service

(a) Qualifying Service

The following periods will reckon as service qualifying for the award of retired pay or gratuity and for assessing the amount of gratuity.

(i) Full pay commissioned service

In full: Service as acting Sub-Lieutenant, Second Lieutenant, Royal Marines (not below the age of 20), and above.

In half: Service (not below the age of 18) as Midshipman or Cadet; Second Lieutenant, Royal Marines under the age of 20; and in ratings or ranks below Sub-Lieutenant or Second Lieutenant, Royal Marines.

(ii) Service below commissioned rank which would be admissible as service for pension under the ratings' pension regulations, to the following extent

In full: Service which would earn rank element of pension in the rank of Regimental Sergeant Major, Royal Marines, or of Warrant Officer Class I in the Army, or the Royal Air Force.

In half: other service.

(b) Reckonable Service

For the purpose of determining an Officer's rate of retired pay, only qualifying service rendered after the age of 21 is ordinarily reckonable, but sufficient service reckonable at a half under paragraph 12 (a) above may be taken into account to produce a notional date of commencement of reckonable service, not earlier than an Officer's 21st birthday.

13. Reckoning of Service—General Rules

(a) Continuity of Service

Except as provided hereunder only continuous active list service on a permanent commission on full pay reckons for retired pay or gratuity.

(b) Reckoning of previous or non-continuous service

Previous active list service on permanent, short service, or other commission or engagement, may be taken into account provided:—

(i) there has not been a break in service of more than 5 years. The Admiralty may, however, at their discretion, take into account previous service notwithstanding a break exceeding 5 years provided that they are satisfied that the Officer has been, for any excess over the 5 years, a member of a Reserve Force undertaking regular training;

(ii) no gratuity (other than war gratuity) was paid to the Officer on termination of the former service; or if any such gratuity was paid, or the Officer were entitled to such gratuity, arrangements satisfactory to the Admiralty are made for its repayment.

(c) Previous Army or Air Force Service

Previous service in the Army or Air Force may be taken into account as though it were Naval service in equivalent rank or rating.

(d) Training Periods, etc.

Periods of service on full pay of an Officer of the Reserve Forces, except individual periods of less than six months, may be taken into account as full pay service.

(e) *Half-Pay Service*

Periods on unemployed full pay or on the intermediate rate of unemployed pay, or on half-pay before 1st Aug., 1938, not following the sentence of a Court Martial or the expiration of full pay sick leave, will reckon as service in full up to a maximum of 6 months in any one period or 2 years in all. Any such service not reckoning in full under the above rule reckons as a third subject to a maximum of 6 years such service reckoning as 2.

(f) *Service in appointments not remunerated from Naval Funds*

The Admiralty may, at their discretion, allow to reckon as service for retired pay, service in appointments not remunerated from Naval Funds which, the Admiralty is satisfied, are appointments which may be properly held, in the interests of the Naval service, by a Naval Officer on the Active List during and as a part of his Naval career, to which the Officer is required to bring Naval knowledge and experience, and from which he is considered by the Admiralty to acquire experience of value to his Service.

14. *Rank*

Only full pay substantive rank on the Active List will be taken into account in assessing retired pay under the New Code, except that:—

(a) For Officers substantively promoted to a rank before 1st July, 1946 (or in the case of Officers compulsorily retired from the former Royal Indian Navy before 31st December, 1947), periods of service in Acting Rank between 3rd September, 1939, and 30th June, 1946 (30th December, 1947, in the case of ex-R.I.N. Officers), may be reckoned towards the minimum qualifying periods of service in that rank; and service as Acting Captain, R.N., may reckon towards the requirement of 6 years service as Captain irrespective of the date of substantive promotion.

(b) Service in Acting Rank one step above substantive rank, may nevertheless count for increments of retired pay under the conditions laid down in A.F.O. 2810/57.

15. *Effect of National Retirement Pensions on Retired Pay*

Officers who (a) enter the Royal Navy on or after the 1st July, 1949 (except Dartmouth Cadets who, although not actually in the Service on the 1st July, 1949, nevertheless had at that date had an undertaking given on their behalf that they would make the Royal Navy their career) and (b) re-enter on or after the 1st July, 1949, after a break in service, except those who re-enter within 12 months of being invalided or those who have already been granted service retired pay before re-entry, will have a deduction made from their service retired pay at the rate of 4d. a week for each year of service; subject to a maximum of 16s. a week; which will take effect from the date on which an Officer attains the age of 65 and becomes entitled to a National Retirement Pension. No adjustment of service retired pay will, however, be made in the case of Officers living outside the United Kingdom and not in receipt of National Retirement Pensions.

- (i) for an Officer compulsorily transferred to the reserve, required to relinquish his commission, or resign;

(b) In other circumstances, no gratuity will be payable unless he has completed at least one year's satisfactory service. If his service is thereafter terminated owing to disability due to causes within his own control, or to inefficiency or other cause within his own control but not amounting to misconduct, or if his service is terminated at his own request more than 6 months before the conclusion of the period he has undertaken to give, he may be allowed, at Admiralty discretion, such gratuity as may be determined, but not exceeding three quarters of the amount proportionate to the length of his actual service on the Active List.

COMMUTATION OF RETIRED PAY OR OTHER PAYMENT OF THE LIKE NATURE UNDER THE PENSIONS COMMUTATION ACTS, 1871 to 1882

The following Pensions are commutable under the provisions of the Pensions Commutation Acts, 1871 to 1882, subject to such restrictions as may be imposed:—

Retired Pay or Pensions of all Officers.

The following are not commutable:—

Disability Retired Pay.

Good Service Pensions.

Naval and Greenwich Hospital Pensions.

Naval Compassionate Pensions.

An increase of retired pay awarded under the Pensions Increase Schemes 1944/47, 1952, 1954 and 1956.

2. By the second section of the Act of 1871, the term Officer means Commissioned Officer, Branch Officer, or Subordinate Officer of the Navy; Officers of the Royal Marines are included.

3. (a) No Officer will be allowed to commute any portion of his retired pay until he has attained the age of 40, unless he is certified, to the satisfaction of the Admiralty, to be permanently incapable of further active service, and in order to determine whether an Officer is permanently unfit for further service he may be required to undergo a medical survey.

(b) (i) No Officer will be allowed to commute more than half his retired pay if £300 or over.

(ii) No Officer will be allowed to commute so much of his retired pay if between £180 and £300 as would reduce it below £150.

(iii) An Officer whose total retired pay is less than £180 may commute an amount not exceeding £30, provided that the total amount uncommuted is not thereby reduced below £120.

(c) A fee of one per cent. will be charged on the amount awarded provided that such fee shall never be less than £1 1s. nor more than £10 in any case.

4. No Officer will be allowed to commute any portion of his retired pay who is holding or is about to hold any appointment under the Crown the terms of which involve the suspension of his retired pay.

5. An Officer desirous of commuting a part of his retired pay must make application on the prescribed application form which can be obtained from the Secretary of the Admiralty. An application shall be deemed to be made as on the date on which the prescribed form duly completed is received at the Admiralty during the hours of public business, but not before the date from which payment of retired pay actually commences.

6. An Officer who has been adjudicated bankrupt or has had a Receiving Order made against him or is indebted to public funds, must disclose the facts and circumstances at the time of his application.

7. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Pensions Commutation Board, 19, Old Jewry, London, E.C.2, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty

to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board and the Treasury.

8. The Commutation Board will require him to give such information as to his age, health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination by the Medical Officer to the Board in London. An Officer living in Scotland, Northern Ireland or the Republic of Ireland, may, if the Pensions Commutation Board see fit, be permitted to be examined by the Board's Medical Advisers in Edinburgh, Belfast or Dublin respectively.

9. An Officer resident abroad who desires to be exempted from personal attendance may apply to the Commutation Board accordingly, stating his reasons for making the request; and his application will be submitted to the Lords Commissioners of Her Majesty's Treasury, whose decision will be final. He may be allowed to commute as a privilege provided that suitable arrangements for medical examination, etc., can be made.

10. If at the expiration of 7 months from the date on which the application was made the applicant has failed to furnish information required by the Pensions Commutation Board or to attend for medical examination, the Board will inform the Admiralty, and the application will be deemed to have been withdrawn, and no further action will be taken with regard to it without a renewed application from the person proposing to commute, and a further recommendation from the Admiralty.

11. The Table for determining the Commutation Rate is as follows, subject to an addition of years of age in the case of impaired lives:—

12. The applicant may withdraw his application at any time before he has been examined by the Medical Officer of the Commutation Board on payment of any expense (not exceeding 2 pounds) which may have been incurred by the Commutation Board.

13. If the Pensions Commutation Board are unable to recommend commutation and the Treasury concur, the applicant will be informed accordingly. If the application is granted, he will be informed of the amount of money to be paid in commutation as soon as it has been fixed by the Treasury on the recommendation of the Pensions Commutation Board. The approved sum will be immediately available for payment. The applicant will, however, have the option of withdrawing his application on the payment of a fee of £2 within 30 days after the date of despatch of the Notice of Award, but, in exceptional circumstances or where the distance is so great as to make it impossible for a reply by post to be received within 30 days, the time may be extended to such a period as the Treasury directs. If the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

An applicant for commutation will continue to draw the retired pay which he has applied to commute until the date upon which the warrant for the Treasury Award is handed by the Pensions Commutation Board to the National Debt Commissioners, or until 7 months have elapsed from the date upon which an application to commute was received at the Admiralty whichever is the earlier.

14. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the case of persons reported for neglect or desertion of family; of persons under stoppage of Pension by Bankruptcy Orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

15. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his retired pay or the value thereof, and to imprisonment, or fine or both.

16. Retired pay or pension commuted in whole or part is finally surrendered, in the same way that the amount received in commutation becomes the absolute property of the Officer commuting.

If an Officer who has commuted a part of his retired pay is re-employed, the amount commuted will be deducted from his full pay during the period of his re-employment.

17. The widows of Officers who commute will be granted pensions according to the usual scale, provided:—

- that they married before the date of commutation;
- that their husbands' names were on the List of the Navy at the time of death;
- that they are otherwise eligible for Pensions.

18. The children of Officers who commute will be granted pensions according to the usual scale, provided:—

- that they were born before date of commutation;
- that their fathers' names were on the List of the Navy at the time of death;
- that they are otherwise eligible for pensions.

19. The Pensions to eligible widows of Officers who marry after commutation, and the pensions for eligible children born after commutation may be reduced in proportion to the decrease caused in the retired pay of the Officer by such commutation.

20. The claim of an Officer to be awarded a Naval Compassionate Pension or a Greenwich Hospital Pension will not be affected by his having commuted his pension, provided his name is on the List of the Navy.

21. During a time of war an Officer who is employed on active service or is eligible for such employment will not be permitted to commute.

(i) if, had the Officer been invalided, he would have been eligible for a Terminal Grant, gratuity at the rate of £45 for each year of service on which his Terminal Grant would have been assessed, subject to a maximum of £900.

(ii) in other cases, and as a minimum, a gratuity of £200 may be granted.

(b) When death occurred during re-employed service between 31st August, 1950, and 31 December, 1955 (inclusive):—

(i) where the re-employed Officer had retired from the Active List with full Terminal Grant £200

(ii) where the re-employed Officer had retired from the Active List with only a partial Terminal Grant, or with none at all, and his re-employed service would have qualified him for a Terminal Grant, a gratuity equal to 90 per cent. of the Terminal Grant, or additional Terminal Grant, the Officer would have received if his re-employed service had been terminated by invaliding, subject to a minimum award of £200.

(c) When death occurs while serving on the Active List or while re-employed after 31st December, 1955, the amount of gratuity to be as follows:—

Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from and not dependent on her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children.

Where there are children but no widow, the gratuity may be paid in part or in whole, for the benefit of the children.

Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

NAVAL COMPASSIONATE, GREENWICH HOSPITAL
AND TRAVERS PENSIONS

OFFICERS

Officers wishing to be considered for these pensions should apply to:—The Director of Greenwich Hospital, 14 Buckingham Gate, London, S.W.1, who will furnish application forms. Awards can only be made as vacancies arise.

1. Naval Compassionate, Greenwich Hospital, and Travers Pensions may be awarded, at Admiralty discretion, to retired permanent regular Officers of the Royal Navy or Royal Marines.

The number and amounts of such pensions will be regulated by the funds available for the purpose.

2. IN SELECTION, regard will be had to the following factors:—

- (a) good service
- (b) need
- (c) misfortune, or other special circumstances (e.g., infirmity due to age).

3. The amount of a Naval Compassionate Pension will depend on the circumstances of the case and the funds available, but will not normally exceed £100

per annum. In very exceptional circumstances, however, a larger pension may be awarded, but in no case exceeding £200 per annum.

4. Greenwich Hospital Pensions will be awarded under the same general conditions as above. These pensions will not exceed £100 per annum.

5. Travers Pensions will also be awarded under the same general conditions to retired permanent regular Officers of the Executive Branch whose last rank on the Active List was Lieutenant or Lieutenant-Commander, or such other Executive Officers retired from these ranks as the Admiralty may decide. A Travers pension will not exceed £100 per annum.

6. Only in special circumstances may an Officer receive a Naval Compassionate pension and a Greenwich Hospital (or Travers) pension concurrently.

An Officer may not receive a Greenwich Hospital and a Travers pension concurrently.

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS, AND ROYAL MARINES (OTHER RANKS)

I. General Regulations

1. The following Regulations are supplementary and subordinate to the Regulations for the award of Pensions or Gratuities in respect of Service or Disability published in Chapter 46 of the Queen's Regulations and Admiralty Instructions.

2. Any pensioner convicted of felony, for which is sentenced to preventive detention or corrective training, or any term of imprisonment exceeding 12 months, or of an attempt to commit a fraud in receipt of the pension, shall be struck off the pension list. *Note.*—The personating or falsely assuming the name or character of a Naval pensioner in order to obtain his pension money is made felony by Act of Parliament.

3. All pensions are tenable only during good behaviour, and may be suspended or forfeited by reason of misconduct on the part of the pensioner, to be judged of by the Admiralty, but the Admiralty at their discretion, may restore, either wholly or partially, any pension which has been suspended or forfeited.

4. A pension so restored may be paid to, or applied for the benefit of the pensioner's wife, children, or other dependants, for the period of his imprisonment.

5. Any assignment, sale, or contract relating to a Naval or Greenwich Hospital pension is void, but if the naval pensioner desires to commute a portion of his pension, and can show that commutation would be to his distinct and permanent advantage, the Admiralty, at their discretion, and on such terms and subject to such conditions as they may prescribe, may commute, by the payment of a capital sum of money, any portion of the pension that may be in excess of 3s. a day in the case of a Regimental Sergeant Major, Royal Marines, or 2s. a day in any other case.

6. When a pensioner who has commuted part of his pension re-enters the Royal Navy or Royal Marines and ceases to draw pension (thus counting the further time for increase of pension), he shall be required to refund the value of the commuted pension for the period of his re-employment. He shall be given the option of refunding the money by deduction from Naval pay whilst serving.

7. Pensioners in the categories enumerated below will be paid quarterly in advance, but if they so desire payment may be made weekly in advance on the strict understanding that their choice of payment weekly, once made, is irrevocable:—

(a) Men and boys pensioned from a date commencing before the 1st January, 1936.

(b) Continuous service ratings whose re-engagement to complete time for pension dated from not later than 30th September, 1935*; non-continuous service ratings serving on that date under an engagement which will enable them to complete 22 years' pensionable service; and all ranks of the Royal Marines who, not later than 30th September, 1935, re-engaged for a second period or completed 10 years' pensionable time by that date and declared in writing, not later than 30th September, 1935, their intention of re-engaging as soon as such re-engagement is open to them (provided, in each instance, that no break in service occurs on or after the 1st August, 1935).

* This is to be deemed to include candidates for mechanician who have re-engaged for a second period of 12 years, and Yard Craft ratings with 10 years' pensionable service on 30th September, 1935.

8. The widows or legal representatives of pensioners to whom the provisions of paragraph 7 apply, may be allowed to receive their pensions up to the end of the quarter in which the pensioners died, provided such pensions shall not already have been paid, and provided there be no stoppage against the pension on account of maintenance in a hospital, or other reason. If any such pensioner shall have received his pension up to the end of the quarter in which he died, and his death takes place within 2 days from the end of the quarter, a month's pension may be paid to the widow on special authority from the Admiralty.

9. All pensioners, other than those in the categories enumerated in paragraph 7, will receive payment of pension weekly in advance. The pension of men and boys finally entered, or re-entered, after a break in service, on or after 1st August, 1935, will cease at the end of the pension week on which death occurs but for all others the benefits mentioned in paragraph 8 may be allowed.

10. The arrangements for weekly payment in advance apply to pensioners resident in the United Kingdom, the Channel Islands and Eire. Pensioners resident abroad who do not wish, or are ineligible to receive payment of their pensions quarterly in advance, will, generally, be paid monthly in arrear.

11. Any pensioner guilty of violence or outrage towards any person employed in paying the pensioner, shall be punished by the loss of either of a part or of the whole of his pension, in addition to any other punishment which the law may inflict for such offence.

12. A pensioner who neglects to draw his pension for four successive quarters, will be struck off the pension list and not replaced unless he account satisfactorily for such omission, and the Admiralty, at their discretion, will grant or withhold the arrears, or any portion thereof, but in no case will arrears be paid for a longer period than 2 years, unless the man shall have been serving in the Navy in a rating which entitled him to receive his pension while so employed.

13. Naval pensioners may draw their naval pensions while serving in British merchant ships, or residing in any British possession abroad, but not for any period during which they may serve under a foreign flag, or reside in any foreign country of which they are not native, unless with the special permission of the Admiralty. Naval pensioners may also draw their pensions while serving in Her Majesty's naval or civil establishments, including yard craft. A pensioner acquiring foreign nationality may thereby forfeit his pension.

14. When a pensioner, serving in a British merchant ship, has been compelled temporarily to reside on shore in a foreign country, owing to the wreck of the ship in which he may have been serving, or other unavoidable occurrence, his pension may be paid for the period of such residence, provided he take the earliest opportunity of joining another British ship, or of returning to England.

15. In special circumstances, and with the consent of the pensioner, the Admiralty may order a man's pension, or any portion of it, to be paid to or on behalf of his wife, or, if he have no wife, to or for the benefit of his child or children.

16. An advance of naval pension, not exceeding six months, may be made to a pensioner for the purpose of assisting him to emigrate to any of Her Majesty's possessions abroad. This advance is payable only when authorised by the Admiralty.

Men discharged voluntarily will be eligible for gratuities under the same conditions as for men discharged on completion of engagement.

18. Other Discharges

Men discharged S.N.L.R. or for unsuitability, inefficiency or misconduct are not entitled to any gratuity, but, at the discretion of the Admiralty, gratuities not in any case exceeding the rate which would have been payable on voluntary discharge, may be paid in special cases. If a naval rating or a Royal Marine dies whilst serving no gratuity will be payable.

19. Reserved Rights

Men at present serving on an engagement, which carries entitlement to a service gratuity after 10 years' reckonable service, will continue to be eligible for the appropriate gratuities under earlier Pension Codes if they leave with more than 10 but less than 12 years' service.

III.—Disability Pensions and Gratuities

The award of disability pensions and gratuities in respect of disabilities directly attributable to service after the 2nd September, 1939, is governed by the Regulations of the Ministry of Pensions and National Insurance which are given at the end of this Appendix. 1. Seamen and Royal Marines invalidated on account of wounds or hurts received in action, or otherwise in the execution of duty, or on account of sickness attributable to the conditions of service, may be granted disability pensions or gratuities, at the discretion of the Admiralty in accordance with the following scales, subject to the conditions appended thereto and based on the degree of disablement. The awards will be either temporary or permanent according to the circumstances of the case.

2. *Family Allowances.* Where a rating is awarded a disablement pension under paragraph 1 allowances in respect of his wife and children may be awarded at such proportion of the following rate as corresponds to the degree of disablement on which the pension is based, subject to the special conditions shown below.

	Weekly rate for 100 per cent. disablement	
	s.	d.
For a wife	10	0
For each child	7	6

or, where no allowance is in payment for a wife:—

For the first child	10	0
For each other child	7	6

The special conditions governing the grant of these family allowances to disablement pension shall be as follows:—

- (a) If a wife is living apart from her husband, family element shall not be allowable in respect of her, unless:—
 - (i) she was being regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of his disablement pension, or
 - (ii) she is entitled to support under a separation or maintenance order, or
 - (iii) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension.
- (b) For a step-child or a legally adopted child.—The child shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of his disablement pension.
- (c) For an illegitimate child.—
 - (i) the child shall have been born before or within 9 months after the date on which the Seaman or Marine sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension is granted, and
 - (ii) the child shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of his disablement pension, or shall be the subject of an affiliation order in force against the Seaman or Marine.
- (d) For a foster child.—
 - (i) the child shall have been brought up and wholly or mainly maintained by the Seaman or Marine for not less than 6 months (or such lesser period as the Admiralty may determine in the exceptional circumstances of any case) during the Seaman's or Marine's service, and

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS)

- (ii) the child shall have been so maintained by the Seaman or Marine up to the date of any award or renewal of his disablement pension.

The expressions "removed from duty" or "removal from duty" shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, providing that if as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service after the 2nd September, 1939, the Seaman or Marine suffered material aggravation of his disability, the date of removal from duty shall be that of the later removal on account of the disability; or, if there was no such removal, the date of termination of full pay service of the Seaman or Marine.

Family addition to disablement pension in respect of a child shall normally terminate when the child attains the age of 16 years, but (a) if satisfactory evidence is produced that, owing to mental or physical infirmity, such infirmity having arisen before the child reached the age of 16, a child is unable to maintain himself or herself, the addition may be granted or continued up to an age not exceeding 21 years, and (b) the addition may be granted or continued after the age of 16 years in the case of a child who is being educated at a school or university, or is an apprentice receiving not more than nominal wages.

Family additions to disablement pension in respect of any individual may be withheld if, in the opinion of the Board of Admiralty, the circumstances are not such as to justify the grant.

Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the pensioner, the addition may, at the discretion of the Board of Admiralty, be granted independently, for the benefit of that individual, to some person other than the pensioner.

3. Special Allowances for Unemployable Pensioners

- (a) Where a pensioner is in receipt of a pension under paragraph 1 in respect of disablement so serious as to make him unemployable he may be granted:—

(i) an allowance by way of supplement to his pension at the weekly rate of 55s.

(ii) an increase, where necessary, in the rate of family allowance awarded under paragraph 2 to the rate which would be appropriate under that paragraph if the degree of disablement were 100 per cent. Where the allowance for the first child is 7s. 6d. a week, a further allowance of 7s. 6d. a week may be awarded in respect of that child.

(iii) family allowances in respect of any children for whom such allowances are not in issue at the rates which would be appropriate under paragraph 2, if the children were eligible for allowances under that paragraph and the degree of disablement of the unemployable pensioner were 100 per cent.

(iv) the rate of wife's allowance may be increased up to a maximum of 30s. a week where the wife is wholly or mainly dependent on her husband.

(v) where no allowance is payable for a wife, an allowance not exceeding 30s. a week may be paid for a dependent adult relative living with the pensioner, or a woman dependent on the pensioner and having the care of a child or children of the pensioner for whom an allowance is being paid.

- (vi) an allowance in respect of any dependent child irrespective of date of birth, of the amount and subject to such conditions as would be appropriate under paragraph 6, if the child were a child to whom the paragraph applied.

- (b) In determining whether a pensioner is unemployable, any earnings of the pensioner of £52 a year or less shall be disregarded.

4. *Constant Attendance Allowances.*—Where a pension under paragraph 1 is in issue in respect of disablement the degree of which is assessed at 100 per cent., and it is shown to the satisfaction of the Admiralty that constant attendance on the pensioner is necessary on account of the disablement an allowance may be granted at a rate not exceeding 35s. a week, except that in exceptional cases of very severe disablement the allowance may be increased to a maximum of 70s. a week.

5. *Allowances for Comforts.*—Where a pensioner is receiving a pension under paragraph 1 the degree of which is assessed at 100 per cent., he may be awarded an allowance for comforts:—

(a) at the rate of 20s. a week if he is receiving an allowance under paragraph 3 and also an allowance under paragraph 4;

(b) at the rate of 10s. a week if he does not qualify for an award under sub-paragraph (a) but is receiving an allowance under paragraph 3 or under paragraph 4.

For the purpose of this paragraph a pensioner who would be receiving an allowance under paragraph 4 if he were not in a hospital or other institution shall be deemed to be receiving an allowance under that paragraph.

6. Education Allowances.—

- (a) In addition to a pension under paragraph 1, an allowance may, at the discretion of the Admiralty, be granted in respect of a child eligible for an allowance under paragraph 2 for the purpose of the child's education if:—

(i) the child has attained the age of 5 years; and

(ii) the circumstances of the family are such as to require it; and

(iii) the Admiralty is satisfied that the type of education which the child is receiving or is to receive is suitable for the child.

(b) The amount of an education allowance shall be determined by the Admiralty, but the total payments made in respect of any period of 12 months will not exceed £80.

7. Treatment Allowances.—

- (a) A pensioner in receipt of a pension under paragraph 1 may, in lieu of his existing award, be granted in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself, and an additional allowance in respect of his wife and children.

(b) Subject to the following provisions of this paragraph:—

(i) a personal allowance will be at the rate of pension, including service and rank elements, which would be appropriate under these regulations if the degree of disablement were 100 per cent.

(ii) an additional allowance in respect of a wife and/or children will be at the rates and subject to the conditions which would be appropriate if the wife and/or children were eligible for family additions under paragraph 2 and if the degree of disablement were 100 per cent.

- (c) The allowance in respect of a wife under (b) (ii) above may be increased to the rate of 30s. a week where she is wholly or mainly dependent on her husband. When the allowance for the first child is 7s. 6d. a week, a further allowance of 7s. 6d. a week may be awarded in respect of that child.
- (d) Where no allowance is payable for a wife an allowance not exceeding 30s. a week may be paid for:—

- if the pensioner is not eligible for a sickness benefit (or retirement pension or contributory old age pension) under the National Insurance Act 1946; 50s. a week;
 - if he is eligible for such benefit at a lower rate than 50s. a week the amount of the difference between that lower rate and 50s. a week.

Provided that this paragraph shall not apply to:—

- a pensioner who is in receipt of an Unemployable allowance under paragraph 3 above; or
- a pensioner who is receiving approved institutional treatment and is not entitled to an allowance under (b) (ii); (c); and (d) (i) and (ii) above.

The allowance will be subject to such deductions as the Admiralty may think appropriate having regard to all the circumstances of the case.

For the purpose of this paragraph approved treatment means in-patient treatment authorised or approved by the Admiralty.

8. Allowances where prolonged abstention from work is necessary following Approved Institutional Treatment.—

Where it is notified that a pensioner should on completion of a course of approved institutional treatment abstain from work for a prolonged period in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible throughout that period for a treatment allowance under paragraph 7.

This paragraph shall not apply to a pensioner who is in receipt of an Unemployable Allowance under paragraph 3 above.

9. Clothing Allowance.—

- A disablement pensioner who is in receipt of a pension for the loss of a limb and who wears an artificial one, may be granted a clothing allowance of £6 a year in single amputation cases and £10 a year in cases where more than one artificial limb, or a tilting table limb is worn.
- In any other case in which the Admiralty is satisfied that as a result of the pensioner's disablement there is exceptional wear and tear of the pensioner's clothing, an allowance not exceeding £10 a year may be granted.

10. Loss of Wages whilst attending Surveys.—

Compensation may be paid within certain limits for loss of wages, etc., incurred by a pensioner who is called upon to attend a medical examination in connection with his pension.

11. Allowance for lowered standard of occupation.—

- Where a Naval rating or Royal Marine in receipt of a pension under paragraph 1, in respect of disablement of less than 100 per

cent. has been, by reason of his disability, compelled after 1st July, 1945, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date, he may be granted a special allowance at a rate not exceeding 84s. a week, provided the pension together with the allowance does not exceed the rate of pension which would have been appropriate, if the degree of disablement were 100 per cent.

- No award shall be made under this paragraph where the pensioner is in receipt of a special allowance under paragraph 3.

11A. *Age Allowances.*—Where a pensioner receiving a pension under paragraph 1, the degree of which is assessed at 40 per cent. or more, has attained the age of 65 years he may be awarded an allowance in accordance with the following table:—

Degree of Pensionable Disablement	Rate of Allowance (Weekly)
	s. d.
40 or 50 per cent.	5 0
60 " 70 " "	7 6
80 " 90 " "	10 0
100 per cent.	16 0

12. Gratuities.

If the degree of disablement be assessed at less than 20 per cent. a gratuity appropriate to the degree of disablement but not exceeding a maximum of £100 may be awarded at Admiralty discretion.

13. Additional awards in respect of service.—

Particulars in regard to the award of service pensions and gratuities applicable in cases of invalidings under this section are given on pages 73 to 77 of the June 1956 edition of the Appendix to the Navy List.

14. Pensioners injured during further service.—

When a pensioner employed in Her Majesty's Naval Service shall become unfit for further service through wounds or injuries received in the actual performance of duty, or sickness attributable to the conditions of service, he may be awarded in respect of his disablement such compensation under these regulations as the Admiralty shall think fit in the circumstances of the case.

15. Compensation in respect of injuries, etc., unconnected with cause of discharge

(a) Wounds and injuries.

Compensation may be granted on or after discharge, in respect of wounds or injuries attributable to Naval service and recorded by the medical authorities, at the rate that would have been appropriate had the man been invalided for the disability.

(b) Diseases.

Where the disability is caused by disease, and is wholly attributable to Naval service, compensation may be granted on or after discharge at the rate that would have been appropriate had the man been invalided for the disability, provided the claim is made within 7 years from date of discharge.

GENERAL RULES GOVERNING DISABILITY PENSIONS

16. The foregoing scales of compensation for attributable disabilities will be subject to reduction, at the discretion of the Admiralty, in the event of the cost of living falling considerably as compared with the standard cost which prevailed when these scales were established. Such reduction, if made, will apply to all pensions assessed thereunder which are being drawn at the date of reduction, as well as to future grants.

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS)

17. If any person, on being invalidated from the Service, is suffering from two separate and distinct disabilities, and is eligible in respect of one of them for a grant under the Regulations of the Ministry of Pensions and National Insurance, and in respect of the other for a grant under these Regulations, only one grant will be made in respect of both. This grant will be assessed partly under the Regulations of the Ministry of Pensions and National Insurance, and partly under these Regulations. When the invaliding disability is attributable to the Service the grant will be assessed according to the proportion which the percentage of the peace and the war disability, respectively, bears to the sum of the two percentages added together; the assessment under these regulations being so regulated, however, as to ensure that the total grant made shall not be more than the person would receive if the two disabilities were dealt with as one combined disability under the Regulations of the Ministry of Pensions and National Insurance, nor less than he would receive if they were so dealt with under these regulations.

18. Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these regulations, and where he receives compensation from or on behalf of a third party for the act, omission or circumstances which caused the injury, any such compensation may be taken into consideration in assessing any pension or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment it may be taken into consideration and the assessment may be amended or cancelled accordingly.

If, in the opinion of the Admiralty, a seaman or marine either unreasonably refuses to prefer a claim for compensation against the third party or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded to or in respect of the man under these Regulations may be withheld or reduced at the discretion of the Admiralty.

19. When the cause of invaliding is due to negligence or misconduct on the part of the man, or to his want of proper care, pension or gratuity may be withheld, or awarded at such reduced rate as may be thought fit.

VIII.—Greenwich Hospital Pensions and Benefits

A.—SPECIAL PENSIONS AND OTHER BENEFITS OF GREENWICH HOSPITAL

1. Under the Greenwich Hospital Act of 1869, Seamen and Royal Marines are admitted to the benefits of Greenwich Hospital. By the term "Benefits of Greenwich Hospital" is meant the grant of special pensions from the funds of Greenwich Hospital, to Seamen and Royal Marines of good character who have been discharged from Her Majesty's Service, and are permanently or temporarily unable to maintain themselves.

2. The undermentioned persons shall be considered eligible for the benefits of Greenwich Hospital if infirm or helpless, or permanently or temporarily unable to maintain themselves:—

Class II.—All seamen and marines who have served with good characters for 12 years continuously, or with short intervals.

Class V.—Seamen and marines whose claims may be considered special and exceptional, not coming within the above-mentioned classes.

8. Seamen and Royal Marines coming within any of the above classes, whose claims to the benefits of Greenwich Hospital have been allowed may, after examination, be allowed special pensions from the funds of Greenwich Hospital not exceeding 5s. a day. Special pensions may be drawn by men residing in the Commonwealth.

4. All applications for the benefits of Greenwich Hospital shall be made to the Director of Greenwich Hospital, Admiralty, 14 Buckingham Gate, S.W.1. A medical survey will be held on each applicant, to ascertain the degree in which he can contribute towards his own support, and on this report a decision will be formed by the Admiralty as to the claims of the applicant upon the funds of Greenwich Hospital.

5. *Persons ineligible.*—The following persons shall not be considered eligible for the benefits of Greenwich Hospital:—

B.—PENSIONS TO WIDOWS AND GRATUITIES TO DEPENDANTS

Under the Greenwich Hospital (Dependants) Pension Order, 1948, and as amended by the Greenwich Hospital (Widows Pensions Order, 1952), widows of Seamen and Marines may be granted pensions and Dependants may be granted gratuities subject to the following conditions:—

1. In cases of exceptional financial distress Pensions of 10s 6d. per week may be granted by the Admiralty out of the funds of Greenwich Hospital to the widow of any person deceased, whether before or after the passing of the Greenwich Hospital Act, 1947, while serving, or having served, as a non-commissioned officer, Petty Officer or man of the Royal Navy or Royal Marines or of any naval reserve force. Awards of these pensions will be granted only in very exceptional necessitous circumstances.

2. Owing to the limited funds available for this benefit, the total number of awards in force at any one time will be small. Priority will be given to the following classes, and awards will normally be restricted to these classes:—

- (a) widows of men who have given not less than 22 years service in the Royal Navy or 21 years in the Royal Marines;
- (b) widows of men who, having given a shorter period of service, died while serving, or were invalided.

Awards will be made on a temporary basis, normally for 1 year, with review of the pensioner's circumstances at the end of that period.

3. A widow in receipt of a pension in respect of the attributability of her husband's death to Her Majesty's Service will be ineligible for the above pension.

4. If a widow re-marries her pension will cease.

5. Pensions and allowances are tenable subject to good behaviour and are granted at the discretion of the Admiralty. They cannot be claimed as a right. Any assignment, sale or contract relating to a pension is void.

6. Widows without children under 15 years of age will be medically surveyed by an Admiralty Surgeon and Agent in order to ascertain the degree, if any, and probable duration of any infirmity.

7. Widows will be required to make a declaration quarterly or whenever it be considered necessary, before a duly authorised person, as to their continued widowhood and distressed circumstances.

8. The number of Greenwich Hospital widows pensions in force shall be such number as the available funds of Greenwich Hospital may admit.

9. In the event of men specified in paragraph 1 of these Regulations dying as widowers or without having been married, but leaving parents or other relatives dependent upon them, gratuities not exceeding £50 may be given at the discretion of the Admiralty to such parents or relatives (provided the total expenditure on such gratuities shall not exceed in any one year the sum of £500). No gratuity will be payable in any case where the death of the man has been accepted as attributable to Service.

PENSIONS AND GRATUITIES TO THE WIDOWS, CHILDREN AND CERTAIN OTHER DEPENDENT RELATIVES OF CHIEF PETTY OFFICERS, PETTY OFFICERS, R.N., REGIMENTAL SERGEANTS-MAJOR, QUARTERMASTER SERGEANTS, AND NON-COMMISSIONED OFFICERS, R.M., AND MEN AND BOYS OF THE ROYAL NAVY AND ROYAL MARINES

1. The award of compensation in respect of deaths attributable to service after 2nd September, 1939 is governed by the regulations of the Ministry of Pensions and National Insurance which are shown at the end of this Appendix. The regulations governing the award of pensions in respect of deaths attributable to the conditions of service between 1st October, 1921 and 2nd September, 1939, were last promulgated in the June, 1956 edition of the Appendix to the Navy List.

2. The following scheme of ordinary (i.e., non-attributable) pensions applies to the families of ratings and Royal Marines who give service on long service engagements after 30th August, 1950. Pensions payable under this scheme will have effect from 1st December, 1952, or the date of qualification, if later.

FAMILIES OF REGULAR LONG SERVICE RATINGS AND ROYAL MARINE OTHER RANKS

The minimum period of service required will be as for service pensions, viz., normally 22 years' reckonable service, or 12 years if the Warrant Officer is invalided (or dies while serving). At least 2 years' service as Regimental Sergeant-Major during the last 5 years of service will be necessary.

(ii) *All other ranks and ratings*

General Conditions for Award, etc.

The marriage must have taken place before discharge (or, where there is subsequent re-employment entitling the member to a revision of his service pension, before the termination of the re-employment).

There will be no condition relating to income, or to the relative ages of husband and wife, or to the husband's age on marriage. If the wife was separated from her husband and not fully supported by him, and in certain other circumstances, awards will be discretionary.

The pensions will not be payable in conjunction with awards by the Ministry of Pensions and National Insurance in respect of death due to service (but see below for Service supplements to attributable pensions).

A widow's pension will cease on her remarriage, but, if she again becomes a widow, the award may be resumed at discretion.

Children's pension will be given where the widow is (or would, if living, have been) eligible for pension. In addition to children of the rating or other rank, adopted children and step-children will, subject to certain conditions, be eligible. Pensions will be payable normally up to age 18 in respect of the children of regimental sergeants-major, R.M., and up to age 16 in respect of the children of naval ratings and Royal Marines, but may be paid beyond those ages in certain circumstances (e.g., during further education).

GRATUITIES TO WIDOWS, ETC.

This is a benefit for the widows of regular ratings and other ranks who die while serving after 30th August, 1950 (including those serving on short service or extended service engagements).

The amount of the gratuity will be as follows:—

LONG SERVICE RATINGS AND ROYAL MARINE OTHER RANKS (including Temporary Branch Officers who are eligible for service pension on the ratings' scale only).

(a) In cases of death while serving (unless during re-employment) between 31st August, 1950 and 31st December, 1955 (inclusive):—

(i) if, had he been invalided, he would have been eligible for service pension and a Terminal Grant, a gratuity of:—

<i>Rank</i>		<i>For the first 22 years' reckonable service*</i>	<i>Terminal Grant, Additions for each further year's reckonable service*</i>
Temporary Branch Officer		£ 250	£ 20
Regimental Sergeant-Major, R.M.		230	18
Quartermaster-Sergeant R.M.		215	16
Chief Petty Officer		165	15
Petty Officer		125	12
Leading Rate		75	10
Able Seaman		—	—

* Only service reckonable for the purpose of Terminal Grant will be taken into account.

46 PENSIONS, ALLOWANCES, &c., TO DEPENDANTS OF R.N. RATINGS AND ROYAL MARINES

If the reckonable service is less than 22 years, a proportionate award shall be made, subject to a minimum award of £75.

- (ii) in other cases, and as a minimum, a gratuity of £40 may be granted.
- (b) In cases of death while re-employed between 31st August, 1950 and 31st December, 1955 (inclusive):—
 - (i) where a re-employed pensioner would have qualified for Terminal Grant or for Terminal Grant Addition if his re-employed service had been terminated by invaliding, a widow's gratuity on the scale in (a) (i) above corresponding to the amount of such Terminal Grant or Terminal Grant Addition will be payable, subject to a minimum of £40.
 - (ii) where no Terminal Grant or Terminal Grant Addition would have been payable, the widow's gratuity will be £40.
- (c) In cases of death while serving after 31st December, 1955, including deaths while re-employed, the amount of gratuity to be as follows:—
 - (i) where a Terminal Grant would have been payable on invaliding, 90 per cent. of the Terminal Grant to which the rating or other rank would have been entitled, the minimum award being £112 10s. 0d.
 - (ii) where an Additional Terminal Grant would have been payable on invaliding, 90 per cent. of that amount subject to a minimum award of £70.
 - (iii) where no Terminal Grant would have been payable, the gratuity to be £70.

Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from and not dependent on her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children.

Where there are children but no widow, the gratuity may be paid in part or in whole, for the benefit of the children.

Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

Supplements to Attributable Awards

Widows and children of Long Service ratings and Royal Marine other ranks who die after 30th August, 1950, who are eligible for an "attributable" pension may be awarded, if otherwise eligible under the Forces Family Pensions Scheme, an "ordinary" pension supplement in respect of the rating's or other rank's service on the following scale:—

Note.—The rates of ordinary pensions and supplement pensions may be increased by 5 per cent. under the Pensions Increase Scheme, 1956. Details of this scheme are shown at the end of this Appendix.

GRATUITIES TO RELATIVES OF LOCALLY ENTERED RATINGS

1. A pension or an allowance will not be issuable in respect of the death of a locally entered rating, but provided the conditions as regards relationship, ages of children, and dependency are satisfied, a gratuity of such amount as the Admiralty may decide, but not exceeding the amount of 2 years' pay attaching to the substantive rating and any Good Conduct badges held at the date of death, subject to a maximum of £150, assessed under normal conditions, may be granted to dependent relatives of a deceased rating whose death is certified by the competent medical authority to have been caused by the conditions of his service.

2. The following dependent relatives only will be eligible for consideration for the award of a gratuity:—

- (a) Widow.
- (b) Children, including step-children and illegitimate children, under 14 years of age.

(c) Parents who are in pecuniary need or are incapable of self-support through age or infirmity, and who were wholly or partly dependent on the deceased rating at the time of his death, provided that the deceased did not leave a widow or eligible child.

(d) Brothers and sisters who were largely dependent on deceased rating at the time of his death, provided that they are in pecuniary need, and provided that the deceased rating did not leave a widow or eligible child.

3. The revised arrangements became effective from the 1st February, 1955, and will apply to all locally entered ratings for whom no other specific arrangements have been made. They will, therefore, cover Ceylonese, West Africans, St. Helenians, Bantus, Somalis, Goanese, Chinese and Malaysians.

OFFICERS EMPLOYED ON INSPECTION, RESEARCH, DESIGN AND EXPERIMENTAL ORDNANCE DUTIES, &c.—CONDITIONS OF SERVICE

The following regulations govern, with effect from 21st November, 1929, the conditions of service of Naval and Royal Marine Officers employed on Inspection, Research, Design and Experimental Ordnance Duties, etc., as indicated in paragraph 4 below. They do not apply to any civilians so employed.

1. *Recruitment.*—The Officers who are eligible for appointment are those on the General List of the Royal Navy with specialisations and sub-specialisations as shown below, together with certain Royal Marine Officers, namely:—

- (a) Seamen Specialist Officers, who have at least 3 years' service in a ship of war at sea as Lieutenant, are qualified as Gunnery, Air Gunnery or T.A.S. Lieutenant and have been employed at sea in that capacity for not less than 1 year;
- (b) Seamen Specialist Officers who have at least 3 years' service in a ship of war at sea as Lieutenant and have been employed at sea in submarines in that rank for not less than 1 year;
- (c) Engineer Specialist Officers, including Air Engineer and Ordnance Engineer sub-specialists who have at least 3 years' service in a ship of war at sea or in a Naval Air Establishment in Lieutenant's rank;
- (d) Electrical Specialist Officers who have at least 3 years' service in a ship of war at sea, or in a Naval Air Establishment in Lieutenant's rank;
- (e) Royal Marine Officers who have (i) passed the Naval Gunnery Instructors' Course in H.M.S. "Excellent" and have been employed as Gunnery Instructor, or (ii) passed the advanced course at the Military College of Science.

Officers in categories (a) to (d) above who have not completed 3 years' service as Lieutenant in a ship of war at sea (or in a Naval Air Establishment, if appropriate) but who have completed at least 2 years of such service are also eligible provided that at least 1 year was performed in a sub-specialist capacity and also that the Officer's other non-seagoing service includes at least 1 year's experience which can genuinely be regarded as potentially valuable for Naval Ordnance Inspection Pool purposes. Officers entered under this provision will be required to serve for an increased period on probation, the extra time being spent on Experimental Gun Ranges.

Officers will be considered for appointment up to the age of 37. (*Note.*—This limit is temporarily in abeyance.)

2. *Conditions of Service. Training and Promotion.*—Officers will be on probation for 2 years from the date of appointment, or for such period exceeding 2 years as may be necessary owing to a confirmed appointment not being available, or as may be determined under paragraph 1 above in the case of Officers having less than 3 years' qualifying service.

If at any time during the probationary period an Officer is found to be unsuitable, he will revert to sea service or corps duty.

During the probationary period, Officers will be allowed the option of reverting to sea service or corps duty after they have had sufficient time to find out by actual experience whether they are fitted for the work.

The period of probation will be spent under training as follows:—The first year's training will be under the direction of the Inspector of Naval Ordnance, Woolwich, including inspection, visits to Cordite Factory, Ordnance Factory, shell and steel makers' works and the Research Department. During the second year they will join the Royal Naval

College, Greenwich, for a course lasting about 8 months in metallurgy and chemistry, the instruction in the latter relating principally to explosives, propellants and metals. During this period, visits will be arranged as requisite, to the Research Department at Woolwich, and other similar establishments.

Officers who, at the end of the probationary period, are finally selected for permanent appointment under the scheme will not be eligible to revert to sea service or corps duty.

Officers will be interchangeable, so far as efficiency permits, between the various branches, though it is contemplated that some will display special capacity and preference for a particular branch, and it may prove to the advantage of the Service to allow such Officers to devote a large proportion of their service to that branch.

In order to give opportunity for judging the relative suitability of Officers for the various types of work for the first 8 years after the completion of the probationary period, Officers will normally be appointed for terms of 2 years only. Endeavour will be made to give each Officer one period in the Design and Research Departments, though the number of posts available will not permit this to be done in all cases.

Appointment to the senior posts and higher posts (paragraph 4) will be in vacancies, and will be made solely by selection.

After the initial 10 years mentioned above, all appointments will be normally for 4 years.

Note.—

(a) The number of posts permits of a proportion of Officers only obtaining higher posts. An Officer may hold one of the higher posts more than once, but only in exceptional circumstances will he hold one more than twice.

(b) The duration of all appointments will be subject to the exigencies of the Service, and while, in normal circumstances, the duration will be as given above, appointments may be curtailed or extended at the discretion of the Admiralty.

(c) Officers who hold Group (c) and Group (d) posts (paragraph 4) will not be eligible for further promotion under the scheme after they have attained the ages of 52 and 47 years, respectively.

Exceptions to this rule may be made at Admiralty discretion in the case of Officers who already held confirmed appointments on 21st November, 1929, in posts covered by the scheme, each case being considered on its merits. The Admiralty may make exceptions otherwise in very special cases where it is considered necessary in the interests of the Service to do so.

(d) Officers subject to this scheme will not be borne on ships books or included in Vote A, either during the probationary period or after. While still on the Active List they will be supernumerary to the establishments of Officers of their particular ranks.

3. *Rank, etc.*—The naval rank corresponding to each post is prescribed in paragraph 4. Precedence and control within the departments is determined by the post held.

Officers are to wear uniform only when serving with Officers of the Royal Navy, the Army or the Royal Air Force wearing uniform, or when otherwise required.

The uniform worn is to be that of the rank corresponding to the post (see paragraph 4).

The special grant of steps in rank after retirement (see paragraph 14) will be limited to what is required to give an Officer the rank corresponding to his grade (see paragraph 4).

A Lieutenant-Commander occupying a Group (d) post on retirement will remain a Lieutenant-Commander unless he is eligible for higher rank under the ordinary general naval rules in force.

Active service Officers appointed to any of the posts in the ensuing paragraph, who do not already hold the rank appropriate thereto, will be given acting rank, as necessary, until placed on the Retired List.

A Captain R.M. serving in a Group (d) post will retain the rank of Captain for the duration of service in that Group. On promotion to a Group (c) post he will be given automatically the rank of Acting Major and this rank will be confirmed on reaching age 45.

None of the above conditions affects the pay of the Officers in question while employed, which is dealt with in paragraph 4.

Rates of Salary

Chief Inspector of Naval Ordnance £2,600

	£	£	£

" B "	1,800	75	2,100
" C "	1,550	50	1,750
" D "	on entry	£1,200 at age 28	
		£1,250 " 29	
		£1,300 " 30 or over	
		thereafter by annual increments of £50 to £1,450	

Note.—The scales are not subject to provincial differentiation.

(i) In the event of circumstances leading to an Officer being appointed to a group (c) post after holding a group (b) post, he will be placed at the top of the group (c) scale. Officers transferred from one post to another of equal pay within the same group (a, b, c or d) will continue at their existing rate, counting former service in the group towards increments.

(ii) The retired pay of retired Officers serving in any of these appointments will be suspended during such service.

(iii) Officers employed in these appointments may receive an allowance of 4s. a day for each day on which they are required to serve at sea in a submarine.

5. *Remuneration during periods of temporary unemployment.*—Officers on the Active List serving in any of these appointments will be eligible for pay at the rates appropriate to their substantive rank and seniority, and under the conditions applicable to Officers on the general Active List.

Officers on the Retired List will be eligible to receive unemployed pay at a rate equal to their retired pay plus the addition to retired pay, if any (see paragraph 11), for which they would have been eligible, if on the date of ceasing salary their services had been finally terminated at their own request.

6. *Counting of service for increase of retired pay.*—All time in respect of which salary is drawn will count as full time for increase of retired pay. Time in respect of which unemployed pay or half-pay is drawn will, in the case of Officers on the Active List,

count in the same manner as for Officers on the general Active List, and in the case of retired Officers be ignored.

7. *Leave.*—Leave up to six weeks per annum will be granted, subject to departmental requirements.

8. *Sick Leave.*—Sick Leave on full salary may be granted up to six months in any twelve months, subject to an over riding limit of twelve months in any four years. Admiralty sanction must be obtained for the grant of sick leave in excess of three months in any period of twelve months (see also paragraph 9).

9. *Hospital, medical and dental treatment.*—Officers, whether on the Active List or Retired List, Royal Navy or Royal Marines, will be eligible for hospital, medical and dental treatment under Naval arrangements at the expense of Navy Votes. As the rates in paragraph 4 include an element for victualling (i.e., they are assessed on the basis that the Officers will have to make their own arrangements for food), a charge will be made for their maintenance while in hospital, so long as they continue to receive full salary. A sum equivalent to the current rate of provision allowance will be deducted from their salary for each day or part of a day in hospital. Officers who have exhausted the sick leave to which they are entitled (see paragraph 8) will, if on the Active List be placed on half-pay, and, if on the Retired List, on unemployed pay (see paragraph 5).

10. *Termination of employment.*—Employment under the scheme will terminate compulsorily at the following ages:—

Higher posts	..	..	..	57
Senior posts	..	..	..	55
Junior posts	..	..	..	52

except in the case of Officers already holding confirmed appointments in such employment on 21st November, 1929, where the Admiralty may decide to extend the age limit. Such extensions can be arranged only when suitable employment continues to be available, and each case will be considered on its merits, with due regard to the regulations formerly in force and to past practice in administering them. Under those regulations Officers are subject to a maximum retiring age of 60 if they have not previously been discharged to retired pay at their own request or for some other reason; and those appointed after September, 1925, were informed that they might normally expect employment to continue to the following ages:—

Assistant Inspectors	..	..	50
Inspectors	..	..	52
Chief Inspector and Officer of the corresponding grade	..	..	57

Officers may be unemployed for two consecutive years, but will not be eligible for further employment subsequently.

The employment of an Officer may be terminated at any time, if, in the opinion of the Admiralty, he has been guilty of misconduct, or has unsatisfactorily performed his duties, or is otherwise unsuitable, or is physically unfit for further service.

Voluntary termination of employment, which, if the Officer is on the Active List, must be accompanied by retirement therefrom, may be allowed at the discretion of the Admiralty, at or after the age of 45.

The Admiralty reserve to themselves the right to terminate an Officer's employment under this scheme if, having regard to the posts he has held and the necessity for providing opportunity for promotion of more junior officers, they are unable to offer him further suitable employment.

11. *Retirement from the Active List and retired pay.*—Officers on the Active List serving in any of these appointments, if not previously retired at their own request or otherwise, will be transferred from the Active List to the Retired List on reaching the age for compulsory retirement applicable to Officers on the Active List, but this will not necessitate termination of their employment nor entitle them to receive retired pay while still employed.

Officers whose employment under this scheme (otherwise than on probation) is finally terminated for any cause while on the Active List will be placed on the Retired List at once with the rate of retired pay for which they are eligible under the regulations applicable to Officers retired from the general Active List. Officers whose services are finally terminated under paragraph 10, either after two consecutive years of unemployment, or on account of unsatisfactory performance of their duties, or on account of unsuitability, will be granted the retired pay prescribed for retirement from the general Active List for non-service.

12. *Addition to retired pay of retired officers whose employment is finally terminated after retirement from the Active List.*—Officers whose employment is finally terminated after their retirement from the Active List may be granted, in addition to the retired pay earned by their service prior to retirement, an increase in retired pay in respect of their subsequent service calculated, irrespective of the appointment held, under the following regulations:—

I. Except as provided in Clause III below Officers whose services are terminated—

- otherwise than for misconduct after 10 or more years' service subsequent to their retirement, or
- after less than 10 years' service subsequent to their retirement either at their own request, or for unsuitability, or for unsatisfactory performance of their duties,

may be granted an addition to retired pay, the rate of which will be calculated at the rate of one-sixtieth of the salary of the appointment held immediately prior to discharge for each complete year of their service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued.

II. Except as provided in Clause III below, Officers whose services are terminated otherwise than for misconduct or any of the causes mentioned in Clause I (b) of this rule, and after less than 10 years' service subsequent to their retirement, may be granted an addition to retired pay, the rate of which will be calculated at the rate of one-fiftieth of the salary of the appointment held immediately prior to discharge for each complete year of service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued, provided, however, that the addition to retired pay shall in no case exceed one-sixth of the salary of the appointment held immediately prior to discharge.

III. An Officer who on or after 1st April, 1919, has been retired from the Active List of the Royal Navy or Royal Marines with a special rate of retired pay higher than that permissible under the ordinary regulations applicable to Officers on the general Active Lists at the date of retirement for an Officer of like age, rank and service, will not, on the final termination of his employment, receive retired pay and addition to retired pay in excess of the greater of the two following sums:—

- The retired pay for which he would have been eligible had he, on retirement from the Active List of the Royal Navy or Royal Marines, been awarded the rate of retired pay permissible under the ordinary regulations in force at the date of such retirement for an Officer of like

age, rank and service and permitted to count the whole of his subsequent service for addition to retired pay under Clause I or Clause II hereof, whichever be appropriate, and

- (b) The actual rate of retired pay awarded to him on retirement from the Active List without any addition for subsequent service.

IV. Officers whose services are terminated on account of misconduct may be granted such rate of addition to retired pay, if any, as the Admiralty at their discretion may see fit to award, provided that it be lower than the rate for which they would have been eligible if their services had been terminated for unsuitability or unsatisfactory performance of their duties.

13. *Non-effective benefits payable to those Officers who have retired from the Active List with gratuities only.*—The following regulations apply to those Officers appointed after 1st June, 1936, to the aforesaid posts who have retired from the Active List:—

A. with gratuities, only, under normal regulations,

B. with gratuities, only, under the Special Retirement Scheme (1934) laid down in Orders-in-Council dated the 26th day of February, 1934, and the 13th day of August, 1935.

I. *Service* for the purpose of these regulations shall be such service rendered in one or more of the aforesaid posts by an Officer after his retirement from the Active List as would have counted for increase of retired pay had the Officer retired from the Active List with retired pay. (See para. 6 above).

II. Officers in both categories A and B above who fail to complete four years' service otherwise than on account of attributable disabilities shall not qualify for the award of retired pay, but shall be eligible on termination of service, at Admiralty discretion, for gratuities, only, at rates not exceeding £200 and £160 for each complete year of service, in lieu of the retired pay additions of one-fiftieth and one-sixtieth, respectively, prescribed in paragraph 12 above.

III. An Officer in category A above whose service is terminated on or after the completion of four years' service shall be eligible for service retired pay equal in amount to the additional retired pay which he would have been granted under the provisions of paragraph 12 above, had he retired from the Active List with retired pay; to which shall be added, if his service has been terminated on account of attributable disability, the appropriate disability addition prescribed in paragraph 15 below.

IV. An Officer in category B above whose service is terminated either:—

- (a) on, or after, the completion of four years' service, or
(b) at any time, on account of attributable disability,

shall be eligible for service retired pay at the rate laid down in paragraph 12 III (a) above, less the annuity value, as determined by the Admiralty, of the gratuity he received on retirement from the Active List; to which shall be added, in the case of (b), the appropriate disability addition prescribed in paragraph 15 below.

V. Officers in both categories A and B above whose services are terminated on account of misconduct may be granted such rate of retired pay or gratuity, if any, as the Admiralty at their discretion may see fit to award, provided that it be lower than the rate of retired pay or gratuity for which they would have been eligible if their service had been terminated for unsuitability or unsatisfactory performance of the duties.

VI. Widows' pensions and children's allowances at ordinary rates (see paragraph 16 below) shall be payable in respect of Officers in both categories A and B above, provided that a minimum of four years' service has been rendered and that the conditions, generally, governing such awards are fulfilled, notwithstanding the provisions of Clause 5 (g) of the Schedule of Order-in-Council dated the 25th day of June, 1925.

14. *Rank on the Retired List.*—Officers who on retirement hold, or who may subsequently be appointed to, a Higher Post under these regulations may, at the discretion of the Admiralty, be granted the rank or equivalent rank of Captain, R.N., or the rank of Colonel, R.M., on the Retired List, and, similarly, Officers who on retirement hold, or who may subsequently be appointed to, a Senior Post under these regulations may, at the discretion of the Admiralty, be granted the rank or equivalent rank of Commander, R.N., or the rank of Lieutenant-Colonel or Major, R.M., on the Retired List.

REGULATIONS RELATING TO THE EMPLOYMENT, &c., OF OFFICERS ON THE RETIRED AND EMERGENCY LISTS

Note (A).—These regulations are issued for the general information of Retired Officers. They are, however, under review, particularly those relating to retired pay, and pending their revision, the attention of officers is invited to the alterations in the existing re-employment conditions promulgated by A.F.O. 2197/56.

Note (B).—Officers on the Retired and Emergency Lists are reminded that they are under a continuous liability for Naval Service, if so required, on mobilisation. Before undertaking any civil employment which would interfere with their immediate readiness for service, Officers should ascertain whether the Admiralty is prepared to grant them exemption from Naval Service, either for a limited period or permanently. For Officers under the age of 60 such exemption will only be approved in special cases, and applications received in time of emergency when mobilisation is expected, or has been ordered, will not be entertained.

1. *General.*—Her Majesty has the power to call all Retired Officers into active employment in case of war or emergency, but the first selection for employment will be made from those who are below the age of 60.

Lists of Retired Officers are kept at the Admiralty, except in the case of the following Special Duties Officers, lists of whom are kept by the undermentioned authorities, of the Specialisations or Sub-Specialisations indicated, at the Ports:—

These instructions also apply to Temporary Officers (Special Duties List) of the above named categories.

On retirement, Officers are to report their private addresses to the Secretary of the Admiralty, except in the case of Officers of the classes mentioned in the preceding paragraph, who are to report to the Commanding Officer of the Establishment to which they are attached; any change of address is to be similarly reported.

As a general rule Officers retired on account of physical unfitness are included with a view to employment on such service as they may be fit to perform.

Officers on the Retired List are not to proceed abroad without first obtaining permission from the Admiralty (Q.R. & A.I., Art. 0915).

2. Retired and Emergency List Officers re-employed in an emergency:—

Pay and Allowances

(a) Retired Flag Officers and Officers of equivalent rank will receive pay of the rank in which they are appointed to serve, together with allowances appropriate to that rank. Where appointed to

serve in a rank below Flag rank, they will receive the maximum rate of pay in the rank in which serving. During periods of sick leave, or other intervals between effective appointments, the rates of pay and allowances will be those last in issue, unless instructions to the contrary are issued by the Admiralty.

- (b) Retired Officers and Officers on the Emergency List of the rank or relative rank of Captain, R.N., or below, will receive pay on the scale appropriate to the rank held on the Retired or Emergency Lists, irrespective of the rank in which serving, time served on pay in that rank being reckoned for the purpose of increments of pay. A retired Officer or an Officer on the Emergency List of the rank or relative rank of Captain, R.N., or below, who is re-employed in a rank lower than that last held on the Active List, will receive allowances at the rates appropriate to the last rank held on the Active List. A retired Officer of the rank or relative rank of Captain, R.N., or below promoted on or after retirement, and re-employed in a rank lower than that held on the Retired List will receive allowances at the rates appropriate to the rank in which he is serving, except that allowances for which he would be ineligible if serving in the rank held on the Retired List will not be payable. This provision also applies to an Officer promoted after being placed on the Emergency List and re-employed in a lower rank than that held on that list.
- (c) Retired and Emergency List Officers who are granted acting higher rank than that held on the Retired or Emergency Lists will receive pay and allowances of the higher rank under the conditions applying to Active List Officers.
- (d) In all cases the scales of pay and allowances will be those in force at the time for corresponding Officers on the Active List.
- (e) An Officer will be eligible to receive a rate of pay equivalent to the rate of service retired pay (or the service element of disability retired pay or pension) which is suspended under paragraph 3 below, if more to his advantage than the rate of pay payable under clauses (a) and (b).
- (f) Where any portion of (a) retired pay, or (b) the service element of disability, retired pay or pension (subject to the exceptions in 3 (b) (i) (iv)), has been commuted, a sum equivalent to the amount of retired pay commuted will be deducted from pay.
- (g) No reduction from pay will be made in respect of any gratuity awarded on retirement or discharge.
- (h) The bonus of 25 per cent. on pay which has been issued up to the 30th June, 1946, to re-employed retired Officers entitled to retired pay, ceased on 1st July, 1946. Any re-employed service given by retired Officers entitled to retired pay after 30th June, 1946, and in an emergency, will count as active list service for re-assessment of retired pay for war service,

until the terminal date fixed for the re-assessment scheme, subject to the general conditions of that scheme.

- (i) In the case of Officers who have retired without retired pay and Officers on the Emergency List, neither time nor promotion after retirement will qualify for retired pay or retiring gratuity.

3. Treatment of Retired Pay, Disability Retired Pay or Pension and Disability additions to Service Retired Pay during re-employment.

- (a) *Officers who have retired with retired pay (other than disability retired pay or disability additions to service retired pay).*—Retired pay will be suspended in all cases.

- (b) *Officers in receipt of Disability Retired Pay or Pension or Disability Additions to Service Retired Pay.*

- (i) Disability retired pay or pension authorised by the Ministry of Pensions in respect of service prior to 1st October, 1921, will not be suspended.
- (ii) Disability additions to service retired pay, payable under the provisions of Schedule I, sections 1 and 2 of Order-in-Council dated 11th day of October, 1923, or under corresponding provisions of any subsequent Order-in-Council, will remain in issue, the service retired pay being suspended.
- (iii) An officer awarded disability retired pay under the provisions of Schedule I, section 3, of the above-mentioned Order-in-Council or under corresponding provisions of any subsequent Order-in-Council, will continue in receipt of such portion of his disability retired pay as the Admiralty may decide to be equivalent to the disability addition which would have remained in issue to him under clause (ii) had he been eligible for service retired pay, the remaining portion of his disability retired pay (deemed to be the service element) being suspended.
- (iv) An Officer awarded disability retired pay under the provisions of Schedule II of the above-mentioned Order-in-Council, or under corresponding provisions of any subsequent Order-in-Council, will continue in receipt of such disability retired pay.
- (v) Disability retired pay and disability additions to service retired pay which have been awarded on a temporary basis only, will be liable to cessation or reduction at Admiralty discretion during re-employment.
- (vi) Re-employment in war or emergency shall not affect the continued payment of an Officer's wound or injury pension awarded under Naval Regulations in force prior to the 1st October, 1921.
- (vii) A retired Officer who sustained a disability attributable to service given after 1st October, 1921, and who is in receipt of, or is eligible to receive, a disability addition to service retired pay in respect of such disability, shall at his option, while re-employed, draw the disablement addition to his retired pay only as provided in clause (ii), or draw disability retired pay assessed on the scale in Schedule II of Order-in-Council dated the 11th October, 1923, or, where appropriate, the corresponding scale in any instrument administered by the Minister of Pensions, the service retired pay being suspended.

4. Officers retained in employment beyond the normal age for compulsory retirement.—Such Officers will be treated as retired Officers re-employed and be subject to the conditions of paragraphs 2 and 3 above.

5. The rates of retired pay or pension to which Officers may be entitled at the date of being called out for further service, will not be affected by any misconduct during further service except in the circumstances referred to in Section D of Appendix 4, Q.R. and A.I.

6. Promotion.—Officers called from the Retired List during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List, in so far as promotion is dependent on service.

Such Officers may also be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List, provided that such special promotion does not extend to the granting of Flag rank or of any equal relative rank. As a rule, however, such step in rank will not be granted until the Officer has ceased re-employment.

7. Instruction

- (a) Retired Officers who have been selected to fill appointments in time of emergency will undergo instruction as may be necessary to qualify them for the duties of the posts they will be required to take up. While undergoing such instruction they will receive in lieu of their retired pay, pay as in paragraphs 2 and 3 (without command money or equipment allowance), and allowances of their corresponding ranks on the Active List, but in cases where the Officer's retired pay exceeds the pay of his corresponding rank on the Active List, the payment of retired pay will be continued. The time served will count for increase of full pay, but not of retired pay.
- (b) In the case of Officers who have commuted any part of their retired pay or pension, or who received gratuities on discharge, deductions will be made from their pay equal to the amount of retired pay commuted, or to the annual value of the gratuity, but no deductions will be made in respect of gratuities awarded to Officers under certain Temporary Special Retirement Schemes.
- (c) Officers will not, however, be detailed for courses of instruction in time of peace except with their own consent.

8. Uniform.—Officers re-employed after a break in service will receive a uniform grant of £10 towards the cost of bringing their uniform up to the prescribed scale. An additional grant may be paid to officers whose break in service is four years or more.

Officers will wear the uniform of the rank in which they serve (see following paragraph).

9. Rank and Command.—Subject to the following provisions as to the right of command, steps in rank given on or after retirement will confer the right to the title, and other advantages of the higher rank.

In cases where a step or steps in rank have been granted automatically by virtue of and in strict seniority, the Officers shall take command according to their seniority on the Retired List, subject to the conditions that Captains retired from that rank shall in no case take command over an Officer on the Active List of Flag Officers, or over one who has retired from the Active List of Flag Officers.

In other cases steps in rank given on or after retirement shall not give the right of command

amongst Naval Officers, which shall be governed by the date of commission in the rank held on the Active List at the date of retirement.

(Note.—For regulations regarding widows' pensions, etc., including the effect of total or partial commutation of retired pay, see appropriate sections of the Appendix.)

10. *Retired Officers employed as members of committees or on special duties under the Admiralty.*

(a) Officers on retired pay employed as members of committees under the Admiralty will be paid:—

- (i) their actual reasonable travelling expenses in attending the meetings of, or when employed on special duties connected with, the committee. Whenever practicable travelling warrants should be used for the journey, but when warrants are not used, the number of the railway ticket purchased should be stated. In the absence of this information, only the cost of a Government rate journey will be allowed;
- (ii) the difference between pay and retired pay for those days on which Officers attend the meetings of the committee, or are employed on special duties connected therewith, including the days occupied in travelling from the Officers' residences and back;
- (iii) subsistence allowance in accordance with current regulations, when employed at a distance from their residences for those days on which they attend the meetings of the committee, or are engaged on special duties connected therewith, including the days occupied in travelling; but should the service on which they are employed entitle them to the allowance for more than fourteen nights consecutively at the same place, a reduction of one-third will be made in the allowance during any further stay in that place;
- (iv) should Officers' residences be at such a distance from the places at which the

committee meets that the expense of going there and returning between the dates of any two consecutive meetings would be greater than that of remaining in the vicinity and receiving the pay and allowances they are entitled to whilst actually attending the committee, Officers are to adopt the latter course, acquainting the president of the committee of the facts, and reporting the same to the Admiralty in forwarding their claims for payment.

- (b) Officers on retired pay while employed on special duties under the Admiralty (except Officers employed by the Hydrographer, for whom see clause (f) below), will be paid in accordance with this article, the days of employment on special service being taken as answering to those of attendance on committees.
- (c) Officers on retired pay, when called upon to give evidence before committees assembled at a distance from their residences, will be repaid their actual reasonable travelling expenses, subject to the proviso in the second paragraph of clause (a) (i), and will receive subsistence allowance, as specified in clause (a) (iii) and (iv).
- (d) All claims are to be made by the respective Officers in detail, and, for employment on a committee, the claim of each Officer must be certified by the president or chairman, stating the number of days and dates on which the Officer actually attended a meeting, or was employed on special duties connected with the committee.
- (e) Claims which should if possible be made out on Form S.542 (Travelling Expenses Claim) are to be forwarded to Director of Navy Accounts (Branch 2).
- (f) Retired Officers engaged under the Hydrographers' directions in compiling Hydrographic publications will receive 30s a day of 6 hours when so employed. When the period of employment on any one day is less than 6 hours, the remuneration will be at the rate of 5s. an hour.

R.N. EMERGENCY LIST

Note.—These regulations are issued for the general information of Officers on the Emergency List. It should, however, be understood that they are liable to revision, and any alteration made will be applicable in the case of all Emergency List Officers re-employed.

OFFICERS ELIGIBLE

1. In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency, known as the R.N. Emergency List, has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are released from the Active List for private reasons should be prepared to enrol their names on this List.

2. Officers leaving the Active List on completion of their Supplementary List Short Service or Extended Service engagements will, however, be placed on the List in all cases and be liable for service in war or emergency during the subsequent two or more years required by the terms of their engagement. At the end of that period they may volunteer to continue on the Emergency List, subject to the condition in paragraph 3.

3. Engineer Officers who apply under paragraph 1 above, will only be placed on the List if their profession continues to be connected with mechanical engineering. The nature of their employment or intended employment should be stated by candidates when volunteering, and also, if enrolled, once a year after their names are placed on the List. In the same manner Medical and Dental Officers will only be enrolled if they continue to practise their profession. The nature of their work should be reported annually. This rule will also apply to Officers mentioned in paragraph 2 if they volunteer to serve for a further period on the Emergency List after completing their original contract.

4. Officers who volunteer to serve in an Emergency are required to write annually, on the 1st January, to the Secretary of the Admiralty, stating their address and, until they reach the age of 60, whether they are still fit to serve, otherwise their names will be removed from the List. Officers of both categories are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

5. Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in Her Majesty's Fleet at short notice, they must first obtain the approval of the Admiralty.

6. Any Officer who has voluntarily joined the Emergency List and subsequently withdraws will be required to resign his Commission.

7. The names of Emergency List Officers are shown in the Retired Section of the Navy List.

CONDITIONS OF SERVICE

8. Officers whilst enrolled are allowed to retain their Commissions. They may wear the Uniform of their rank on the Emergency List (or War Service Rank if such has been granted), subject to permission being obtained from the Admiralty. They do not receive pay, or pension, when not employed.

9. Officers selected to fill appointments to be taken up in time of war or emergency may be required to

undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

- (a) The pay will be as under paragraph 10.
- (b) Travelling expenses incurred in attending the courses will be allowed.
- (c) Plain clothes may be worn, and no allowance for outfit will be given.
- (d) Accommodation when available will be provided if desired.

10. Pay and Allowances

- (a) When employed, Officers will receive pay on the scale appropriate to the rank held on the Emergency List, time served on pay in that rank being reckoned for the purposes of increases of pay. The scale to be that in force at the time for corresponding Officers on the Active List. No bonus on full pay is payable.
- (b) An Officer promoted after resignation and re-employment in a rank lower than that held on the Emergency List to receive allowances at the rates appropriate to the rank in which he is serving, except that allowances for which he would be ineligible if serving in the rank held on the Emergency List, will not be payable.
- (c) An Officer re-employed in a rank lower than that last held on the Active List, will receive allowances at the rates appropriate to the last rank held on the Active List.
- (d) Neither time nor promotion after retirement will qualify for retired pay or retiring gratuity.

UNIFORM

11. Officers who are recalled for full time service in time of national emergency will receive a uniform grant of £10 for the purpose of bringing their uniform up to scale. If the interval between their last day of paid active service (*) and their date of rejoining is four years or more, they may claim a refund of expenditure in excess of £10, necessarily incurred in bringing their outfits up to the required scale within the limit of the full value of that scale as assessed by the Admiralty.

* Terminal Leave will be regarded as "active service" for this purpose.

PROMOTIONS

12. Officers called from the Emergency List for service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List in so far as promotion is dependent on service. In special cases, Officers may be promoted at the discretion of the Admiralty, irrespective of the regulations governing the promotion of Officers on the Active List, but such special promotion will not extend to Flag or equivalent rank and will, as a rule, only be granted on ceasing service.

ROYAL MARINES

The foregoing rules apply to Royal Marine Officers entered on the Emergency List. Applications for enrolment should be addressed to the Commandant-General, Royal Marines, Admiralty, S.W.1.

With Nos. 2, 2B and 11B (and No. 3 when worn in the evening) Dresses, the riband should be worn outside the collar, but under the tie, the badge hanging as close as possible below the bow tie.

If the insignia of more than one Order be so worn, one riband and badge only is worn round the neck as described above, except with No. 3 Dress (see below). The riband and badge so worn should be the senior, unless a junior or foreign badge is more appropriate to the occasion.

Other badges are worn with No. 1 Dress one below the other, each suspended from a small eye stitched inside the coat, on three inches of ribbon emerging from between the buttons of the coat, commencing between the first and second buttons on the right side

of the coat. With No. 8 Dress and No. 9 Dress three ribbands and badges may be worn, the senior ribband being worn round the neck inside and under the collar of the tunic so that the badge hangs three quarters of an inch below the collar, other badges emerging between the buttons of the tunic, the next senior badge being one inch below the senior badge. When two stars are worn the upper point of the next senior star should be not less than one inch below the lower point of the senior star. When three or four stars are worn it is necessary to re-position the senior star so that the second senior star is clear of the top left-hand button of the coat of No. 3 Dress; the senior star may then be worn with its upper point half an inch above the lip of the breast pocket in order to achieve this. The method of positioning three or four stars is given above.

With No. 4 Dress and No. 9A Dress the wearing of Stars of Orders is limited to two.

Mention in Despatches, 1914-1919. The Emblem of bronze oak leaves denoting a Mention in Despatches during the First World War, 1914-1919, is worn on the riband of the Victory Medal. The award of this Emblem ceased as from 10th August, 1920.
Mention in Despatches, 1920-1939. The single bronze oak leaf Emblem, if granted for service in operations between the two World Wars, is worn on the riband of the appropriate General Service Medal.
 If a General Service Medal has not been granted, the Emblem is worn directly on the coat after any awarded ribands. See Note 12
Mention in Despatches, 1939-1945. The single bronze oak leaf Emblem signifying in the armed Forces and the Merchant Navy, either a Mention in Despatches, a King's Commendation for brave conduct, or a King's Commendation for valuable service in the air, if granted for service in the Second World War, 1939-1945, is worn on the riband of the War Medal, 1939-1945. If the War Medal has not been granted, the Emblem is worn directly on the coat, after any Medal ribands. See Note 12

Mention in Despatches, 1945, and Subsequently. The single bronze oak leaf Emblem, if granted for service in operations after the cessation of hostilities in the Second World War, is worn on the riband of the appropriate General Service Medal or Campaign Medal. If such Medal has not been granted, the Emblem is worn directly on the coat after any Medal ribands.

See Note 12

The single bronze oak leaf Emblem is also used in the Forces to denote a King's or Queen's Commendation for brave conduct or for valuable service in the air granted since the cessation of hostilities in the Second World War.

King's Commendation for Brave Conduct, 1939-1945, and Subsequently, Queen's Commendation for Brave Conduct, 1952, and Subsequently. The Emblem of silver laurel leaves granted to civilians, other than those in the Merchant Navy, to denote a King's Commendation for brave conduct during the Second World War, 1939-1945, is worn on the riband of the Defence Medal. When the Defence Medal has not been granted, or the award is for services subsequent to the War, the Emblem of silver laurel leaves is worn directly on the coat after any Medal ribands.

See Note 12

King's Commendation for Valuable Service in the Air, 1939-1945, and Subsequently; Queen's Commendation for Valuable Service in the Air, 1952, and Subsequently. The oval silver badge granted to denote a civil King's Commendation or Queen's Commendation for valuable service in the air is worn on the coat immediately below any medals or medal ribands or in civil air line uniform on the panel of the left breast pocket.

See Note 12

Medals awarded by Societies

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast similarly to those on the left and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an Officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, a silver medal previously granted.

Bar for Decorations, etc.

11. Orders worn on the breast, Decorations and Medals are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing from the end furthest from the shoulder.

On the Full Dress Coat the bar must not project beyond the centre seam, and when the Orders, Decorations and Medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Ribbons when Decorations, etc. are worn

12. When Orders, Decorations and Medals are worn, ribbons of the normal size medals (e.g., 1939-1945 War Medals and Naval General Service Medal) are to be of the following lengths:—

Full size	..	..	..	1½-inch
Miniature	..	..	..	1¼-inch

When two or more Orders, Decorations and Medals are worn, the length of ribbon of those of other than normal size is to be adjusted so that the lower edges (or points of Stars) of all are in line. Ribbons of the lengths specified carry four clasps. If more than four clasps are worn, the length of the ribbon is to be regulated by there being half an inch of clear ribbon between the top edge of the ribbon and the highest clasp for full sized medals, and ¾ of an inch for miniatures, the remaining ribbons being so regulated that the lower edges of the medals (or points of Stars) are in line with the lower edge of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribbons are mounted on a frame of which the lower edge is in line with the centre of

the decorations and medals. Commencing from the lower edge of the frame each ribbon runs over the upper edge and down to the ring or clasp of the decoration or medal. The decorations and medals are stitched down to the ribbons.

Ribbons when Decorations, etc., are not worn

13. When Orders, Decorations and Medals are not worn, the lengths of the ribbons worn are to be half an inch.

With blue uniform, the ribbons are to be sewn plain on the cloth of the uniform, without intervals. With white uniform, the ribbons are to be placed on a removable bar or bars. When the space is not sufficient to accommodate them in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed the one immediately under the other, with an interval of ¼ inch intervening between the rows, except that for officers with more than three rows of medal ribbons, the interval between the rows may be reduced to ⅓ inch, and it is optional for officers with more than five rows of medal ribbons to wear ribbons ⅓ inch in length. The ribbons are to be arranged so that they are clearly visible.

Ribbons of Orders, Decorations and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Miniatures of Orders, Decorations and Medals

14. Miniatures of Orders, Decorations and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders, Companions and Commanders will wear on the bar, senior to all other Decorations, etc., except the Victoria Cross, and George Cross, the miniature badge of the Order or Orders to which they belong. Only one set of miniatures need be maintained. The miniature of Companionship or Commandership will not be removed when the riband or badge is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, etc. All miniatures are to be of the approved standard size, viz., one-half the size of the full-sized Order, Decoration or Medal.

With Ball Dress, Mess Dress and White Mess Dress, miniatures are to be worn on a bar on the lapel, extending over the lapel towards the shoulder if necessary. They are not to extend beyond the lapel on the inner side.

Miniature ribbons are similarly to be worn on a bar on the lapel of Mess Undress and White Mess Undress Jackets, the lengths of the ribbons worn to be ¾ inch.

Decorations, etc., with plain clothes

15. The arrangements for wearing Orders, Decorations and Medals with plain clothes are as set out below.

- (i) If 1 row of medal ribbons is worn (vide paragraph 6)—1½ inches.
- (ii) If 2 or more rows of medal ribbons are worn—2 inches.

(b) When 2 or more Decorations and Medals are worn, the length of ribbon of those of other than normal size is to be adjusted so that the lower edges (or points of Stars) of all are in line.

(c) If the number of clasps requires the ribbon to be longer than (i) or (ii) it is to be regulated so that there is ½ inch of clear ribbon between the top edge of the ribbon and the highest clasp, other ribbons being adjusted so that the lower edges of medals (or points of Stars) are in line with the lower edge of the medal having the largest number of clasps.

Note 1.—When the length of the ribbons exceeds 1½ inches it is advisable for them to be stitched together low down.

Note 2.—When medals are worn the medal ribbons stitched to blue uniform are not to be visible and where necessary to ensure they are to be covered by a small piece of serge attached to the medal bar.

5. Medals are to be worn on a removable bar which is to be provided at the expense of the wearer. The bar may be of any metal or material provided that the bar and buckle are wholly concealed by the ribbons. When worn on jackets (Class I and Class III uniform) the bar is to be immediately above the top row of medal ribbons, the inner medals being worn over the lapel in order to be fully visible except when a rifle is carried when they will be worn under the lapel. The length of the bar is to be as follows:—

One or 2 medals—according to the nature of the decorations worn.

Three, 4 or 5 medals—3½-inch bar.

Six to 8 medals—5-inch bar (but not to exceed the distance between the shoulder seam of sleeve and the inner angle of the lapel when worn with Class I or III jacket).

Nine or more medals—6½-inch bar (but not to exceed the distance between the shoulder seam of

sleeve and the inner angle of the lapel when worn with Class I or Class III jacket). Men of small build in Class II uniform on whom the 6½-inch bar overlaps the angle of the collar are to wear a 5½-inch bar.

A cloth attachment (see paragraph 6) with becketts should be sewn on No. 1 jackets and jumpers so the bar can be securely fastened. On jackets becketts to take the medal bar are to be placed on the cloth attachment immediately above the upper row of ribbons. On jumpers the cloth attachment should be 1 inch deep with becketts in the centre and sufficiently long to take the movable bar. The placing of becketts on white uniform is optional.

6. *Medal ribbons* when worn alone with blue uniform jackets or jumpers are to be arranged so that they are clearly visible and are to conform to the following rules:—

- (a) Medal ribbons are to be worn on the left breast: The position of the upper edge of medal ribbons is to be as follows:—

Jackets: On a level with the point of the lapel.

Jumpers: 4½ inches below the point of the shoulder (measured over the front of the jumper).

When more than one row of ribbons is worn, the above applies to the top row.

- (b) No row is to contain a smaller number of ribbons than the row above; the top row may consist of 1 ribbon only.
- (c) Medal ribbons are to be ½ inch in length and there is to be an interval of ½ inch between each row. The whole display is to be as symmetrical as possible about the vertical.
- (d) The ribbons in any one row are to be close together and are to be sewn to a cloth attachment which is to be stitched to the jacket or jumper. The size of the cloth attachment is to be such as to leave ½ inch above and below the ribbons and ¼ inch between the end of the row and the side of the cloth attachment.
- (e) In no case must the ribbons overlap.

7. On white uniform medal ribbons are to be worn on a removable bar or bars and are to conform with paragraph 6 (b) (c) and (e). The top bar is to be placed in the position indicated in paragraph 2 above for the medal bar.

The dresses to be worn by Royal Marines Officers at Court functions or Joint Service functions at which Her Majesty or a member of the Royal Family is present are shown in the Joint Services Ceremonial Dress Table in the Uniform Regulations for Naval Officers.

MANNER OF WEARING ORDERS, DECORATIONS AND MEDALS

1. Orders, decorations and medals are to be worn in the manner laid down for Naval Officers except that:—

- (a) the medal bar is to be positioned directly over any ribbons already stitched to the garment;
- (b) miniature medals are to be worn when Naval Officers wear miniature medal ribbons. Miniature medals are to be worn on the lapel of the mess jacket $\frac{1}{2}$ inch below the Corps Badge.

2. *Medal Ribbons*.—When no medals are worn, ribbons $\frac{1}{2}$ inch long are to be worn without intervals on the left breast of blue uniform, khaki drill, blue and khaki battledress.

Order of precedence of wearing is to be from right to left, starting with the top row. Normally, if the total number of ribbons does not exceed 5, they are to be worn in one row, but in no case is the row to extend to the right further than the outer edge of the lapel or to the left further than $\frac{1}{2}$ inch from the shoulder seam. The row is to be sewn $\frac{1}{2}$ inch above the top seam of the left breast pocket—

centrally above the pocket button. With khaki drill, the ribbons are to be worn on a metal bar or bars.

When more than 5 ribbons are worn or where the space available does not permit 5 ribbons being worn in one row, any additional row or rows are to be worn above the first row, the lower row to be full. Rows of ribbons are to be $\frac{1}{2}$ inch apart, but this may be reduced if rendered necessary by the number of rows and the space available. The additional row (or rows) is to be sewn as nearly centrally above the pocket button as practicable, but it is in no case to extend beyond the ends of the bottom row.

3. *Neck Orders*.—An Officer in possession of 1 badge is to wear it round the neck with the riband under the shirt collar and the badge over the tie. An Officer in possession of badges of more than one Order is to wear the badge of the highest grade as above described, and the second badge is to be worn below the other, suspended from a riband emerging about $\frac{1}{2}$ inch below the top button of the jacket. The riband is to be fastened by a hook to a small eye stitched inside the jacket.

REGULATIONS CONCERNING THE ACCEPTANCE AND WEARING OF FOREIGN ORDERS, DECORATIONS AND MEDALS BY PERSONS IN THE SERVICE OF THE CROWN (United Kingdom and Dependent Territories)

ORDERS

1. No person in the service of the Crown may accept and wear the insignia of any Foreign Order without Her Majesty's permission.

2. Such permission, if granted, will be either:—

- (a) unrestricted, conveyed by Warrant under the Royal Sign-Manual and allowing the insignia to be worn on any occasion; or
- (b) restricted, conveyed by letter from Her Majesty's Private Secretary and allowing the insignia to be worn only on the particular occasions therein specified.

3. Full and unrestricted permission by Royal Warrant is contemplated in the case of Orders conferred:—

- (a) for distinguished services in saving or attempting to save life.
- (b) on any officer in the Royal Navy, Army or Royal Air Force, or any British official in recognition of services while lent to a foreign Government, if not in receipt of any emoluments from British public funds during the period of such loan.

4. Restricted permission is particularly contemplated in the case of Orders conferred in recognition of personal attention to a foreign Sovereign, the Head of a foreign state, or a member of a foreign Royal Family on the occasion of State or official visits by such personages.

5. Restricted permission will also be given for the wearing of insignia of foreign Orders conferred:—

- (a) on members of Her Majesty's Missions abroad in connection with a State visit by Her Majesty to the foreign capital concerned.
- (b) on members of deputations of British regiments to foreign Heads of States.
- (c) on members of Special Missions when the Queen is represented at a foreign Coronation, Wedding, Funeral, or similar occasion; or on any Diplomatic Representative when specially accredited to represent Her Majesty on such occasions (but not on the members of his staff).

Permission will *not* be given to:—

- (d) the Heads or other members of Her Majesty's Diplomatic or Consular establishments abroad when leaving, whether on transfer or on final retirement.
- (e) officers of British naval, military or air squadrons or units visiting foreign countries, except as provided at (b) above.

6. Application for the Queen's permission, whether full or restricted, will be submitted to Her Majesty by her Principal Secretary of State for Foreign Affairs, who however shall be under no obligation to consider them unless, before the bestowal of the Order, the Government of the foreign country concerned has ascertained either through the British Diplomatic Representative there or through its Diplomatic Representative at Her Majesty's Court, that having regard to these Regulations the award would not give rise to any objection.

In no case can application be considered in respect of Orders conferred more than five years previously or offered in connection with events so long prior to the proposal to award them.

7. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have sought and obtained Her permission for a British subject to wear the Insignia of a foreign Order without restriction, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, or to Her Majesty's Principal Secretary of State for Scotland if appropriate in the circumstances of the case, in order that he may cause a Warrant as contemplated in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by Her Majesty, a notification of the grant of permission shall be published in the London Gazette, or in the Edinburgh Gazette as the case may be.

8. The Warrant conveying Her Majesty's permission may, at the request and expense of the recipient, be registered in the College of Arms if it has been submitted to Her Majesty by Her Principal Secretary of State for the Home Department, or in the Court of the Lyon King of Arms if it has been submitted to Her Majesty by Her Principal Secretary of State for Scotland.

Every such Warrant shall contain a clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence or privilege appertaining to the degree of Knight Bachelor.

9. Permission will not be granted for the wearing of the insignia of foreign Orders conferred otherwise than by the Heads or Governments of foreign States recognised by Her Majesty as such.

Medals

10. Medals, with the exceptions specified below, and State decorations not indicating membership of an Order of Chivalry, are subject to the Regulations in the same manner as Orders, but permission, if granted, is given by letter or certificate, and not by Royal Warrant.

11. Medals for saving or attempting to save life at sea or on land, whether conferred on behalf of the Head or Government of a foreign State or by private Life-Saving Societies or Institutions, may be accepted and worn, subject only to the restrictions imposed by the regulations for the Services concerned.

Applications for Her Majesty's permission to wear other Medals conferred by Private Societies or Institutions cannot be entertained.

12. Applications for permission to wear foreign medals gained in warlike operations will not be entertained if the grant of such permission would be at variance with considerations of general policy or public interest.

General

13. The wives of persons in the service of the Crown are regarded for the purposes of these Regulations as sharing the disabilities of their husbands concerning the acceptance of foreign awards.

14. Persons employed in the commissioned or salaried service of the Crown on a temporary basis are subject to these Regulations in the same way as those employed on a permanent and pensionable basis.

15. Members of the various police and constabulary forces maintained in the United Kingdom and Dependent Territories are uniformly regarded as subject to these Regulations, with the exception however of British Transport Commission Police and Dock and Harbour Police Forces established under private Statutes.

16. Persons who have retired from the service of the Crown remain subject to these Regulations in so far as concerns the acceptance of foreign Orders, decorations or medals offered in respect of services rendered before their retirement.

17. The Regulations shall be regarded as applying in the same way as to British subjects, to British-protected persons who are such by virtue of their connection with a Protectorate or Trust Territory administered under the supervision of Her Majesty's Principal Secretary of State for the Colonies or Her Majesty's Principal Secretary of State for Commonwealth Relations; they may also be regarded as applying in the same manner to British-protected persons who are such by virtue of their connection with a Protected State administered under the supervision of either of the said Principal Secretaries of State, but Orders, decorations and medals conferred upon such British-protected persons by their Rulers are not regarded as falling within the scope of these Regulations.

PRIZES, TESTIMONIALS, &c.

(Until further notice silver-gilt medals will be substituted for gold medals)

THE CHARLES DARGAVILLE BALLARD PRIZE

This prize was founded in 1954 under the will of the late Captain G. N. Ballard, C.B.E., R.N., in memory of his son, Acting Paymaster Sub-Lieutenant Charles Dargaville Ballard, R.N., who was killed in action when H.M.S. "Manchester" was torpedoed by an aircraft on 23rd July, 1941, while escorting a Malta convoy south of Sardinia.

The interest on a sum of £1,000 invested in Government Stock will be used in accordance with the expressed wish of the testator, to provide a prize which will be awarded annually at the discretion of the Admiralty to the best all-round Acting Sub-Lieutenant, R.N. of the Supply Branch promoted from the Lower Deck on qualifying for confirmation in rank at the conclusion of training courses. In the event of there being 2 or more Officers of equal merit, the prize may be shared among them.

The prize consists of an article or articles (excluding clothing) selected by the successful Officer(s) with the approval of the Director-General, Supply and Secretariat Branch: e.g., sword, binoculars, instruments or other appropriate equipment, or books designed to improve general knowledge or professional efficiency.

THE BEAUFORT TESTIMONIAL

The Beaufort Testimonial, which was founded in 1860 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of a prize of instruments or books of a professional character and of practical use to a Naval Officer.

It is bestowed annually on the Midshipman who passes the best examination in Navigation and Pilotage for the rank of Lieutenant in the Royal Navy. (See also under the Wharton Testimonial).

THE GILBERT BLANE MEDAL

In 1830 Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a Gold Medal annually on the Medical Officer of the Royal Navy who, to a degree which is considered worthy of recognition, has brought about an advance in any branch of Medical Science in its application to Naval Service, or has contributed to an improvement in any matter affecting the health or living conditions of Naval personnel.

Consideration is given to achievement in research, in original articles and reports, criticisms and information which is brought to notice of meritorious work performed, or suggestions made, by Medical Officers within the scope of the Regulations governing the award of the Medal as stated above.

The Medal is awarded annually unless no Officer is considered to have qualified, in which event the Medal is held over until the following year or any subsequent year, when, if considered justifiable to do so, it is given as an additional award.

Medical Officers of all ranks are eligible for the award, and an Officer is not restricted to receiving the Medal on one occasion only during his career.

If the unawarded Medals exceed 4, their value is given to the Supplemental Fund for the children of Medical Officers.

CHADWICK NAVAL PRIZE

A Trust, called the Chadwick Trust, has been created by the will and codicil of Sir Edwin Chadwick, K.C.B., that once in every 5 years the Trustees may present the sum of £100 and a Gold Medal to be called the "Chadwick Naval or Military Prize," to such Officer of the Naval or Military Medical Services as

shall, during the preceding 5 years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Medical Director-General of the Navy.

THE JULIAN CORBETT PRIZE IN MODERN NAVAL HISTORY

A prize (founded by Mr. H. E. Corbett in memory of his brother, Sir Julian Corbett) at present of the value of £50, and known as the Julian Corbett Prize for research in modern naval history, will be awarded by the Senate of the University of London on the recommendation of the Institute of Historical Research Committee for work based on original (MS. or printed) materials for modern naval history.

The work shall take the form of either (a) a dissertation, (b) an edition of an original document or series of documents, or (c) a report on material at home or abroad, illustrating modern naval history.

The prize will be open for competition to an investigator who has been admitted to the use of the Institute of Historical Research, and has been working either (a) at the Institute, or (b) (in the case of a naval officer) under the advice (by way of correspondence) of the Committee for not less than a year preceding the date at which the candidate's work is submitted.

Intending candidates shall on or before 1st October in the year preceding that in which they intend to enter for the Prize, submit for the approval of the Institute of Historical Research Committee the subject of their proposed work; and no work shall be eligible for the Prize unless the subject has thus been approved by the Committee.

If at any competition no award is made, the Senate may, on the recommendation of the Institute of Historical Research Committee, add the amount of the award to the capital of the fund or apply it to any of the following purposes: increasing the value of the prize, awarding a second prize to a deserving candidate, providing for the expense of publishing works submitted, purchasing for the Institute books or equipment necessary for research, in modern naval history, or any other means of encouraging research in that subject at the Institute.

If the successful work is published, it shall bear on the title-page the words "Awarded the Julian Corbett Prize for Research in Modern Naval History, University of London." Whether or not publication *in extenso* is practicable, a précis of the successful thesis shall be published in the *Bulletin* of the Institute. Publication will not, however, be permitted without the prior consent of the Admiralty. Further particulars may be obtained from the Secretary of the Institute of Historical Research, Senate House, London, W.C.1.

THE JOHN CROCKER MEMORIAL PRIZE FUND

The sum of approximately £287 is invested and held in trust by the United Services Trustee as Custodian Trustee, the Engineer-in-Chief of the Fleet and the Engineer Captain in Command, Royal Naval Engineering College, acting as Joint Managing Trustees. The interest is employed to provide a prize to be awarded annually to the Sub-Lieutenant undergoing training at the Royal Naval Engineering College producing the best Drawing Office work during the instructional hours in the Fifth Term of the Basic Course. The dividends arising from a sum of £500 given by the relatives and invested in Government securities will be employed in providing the prize, to be called "The Commander Egerton Prize," which will be awarded annually at the discretion of the Admiralty to the Officer who, when qualifying for Gunnery Lieutenant, passes the best examination in practical Gunnery. Officers of the Commonwealth Navies are eligible to receive this Prize.

GOLD MEDAL AND TRENCH GASCOIGNE PRIZE ESSAY COMPETITION

The Gold Medal and Trench Gascoigne Prize Essay Competition is organised annually by the Royal United Service Institution and is open to members of the Institution or persons eligible to become members; all serving Officers may therefore compete.

The subject for the essay is selected each year by the Council of the Institution and is one that favours no particular branch of any Service.

Full particulars of the competition are published in the Institutional Journal each February and will be promulgated in Admiralty Fleet Orders. The closing date for each competition is 15th November. Essays are limited to 9,000 words exclusive of tables.

The Trench Gascoigne Prize of 30 guineas may be awarded to the writer of the essay placed first; further prizes may be awarded if the number and standard of the essays submitted justify them, but no award may be made in favour of any essay which does not attain a sufficient standard of excellence.

If the essay awarded the Trench Gascoigne Prize is considered by the Council to be of the requisite high standards, the writer will also be awarded the Gold Medal of the Institution.

GEDGE MEDAL AND PRIZE

The members of the Royal Naval Accountant Officers' Dining Club have subscribed a sum of £260 to institute a prize to be competed for annually by Junior Supply Officers.

The award will take the form of a gold medal and a prize of books, the value of the latter being the sum

remaining over from the annual interest after deducting the cost of the medal.

The medal will be known as the "Gedge Medal," in commemoration of Staff-Paymaster Joseph T. Gedge R.N., who was killed on 6th August, 1914, when H.M.S. "Amphion" was sunk by a mine, and who was the first British Officer of all the fighting services to be killed during the 1914-18 war. The family of this Officer have consented to the use of the name.

The medal and prize will be awarded annually to the Officer who has passed the examination for the rank of Lieutenant (S) at the first attempt and has obtained the highest aggregate of the total maximum marks in these examinations during the current calendar year. Officers granted permanent commissions from the Lower Deck are also eligible for the award. In the event of 2 or more Officers obtaining the same number of marks, the award will be made to the Officer who obtains the higher total of marks in the papers "Secretarial and General Work" and "Pay and Cash" combined.

The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him. Officers of the Commonwealth Navies are eligible to receive this prize.

THE GRAHAM NAVAL HISTORY PRIZE

This Prize was founded in 1909 by Lady Graham in memory of her husband, Admiral Sir William Graham, G.C.B., formerly Captain of H.M.S. "Britannia," Training Ship.

The interest on a sum of £252 Government Stock, held upon trust by the Admiralty, is employed in providing a Prize to be awarded annually, at the end of each Autumn term, to the Midshipman at the Britannia Royal Naval College who has written the best thesis during the year on some subject of Naval History. The subject is to be announced at the beginning of the fourth term and the thesis to be handed in before the end of the fifth term.

The Prize consists of books, instruments, accoutrements or other articles selected by the successful competitor, subject to the discretion of the Captain of the College. Midshipmen of Commonwealth Navies are eligible to receive this Prize.

THE ADMIRAL SIR MAX HORTON PRIZE

This sum has been invested, and the interest will be used, in accordance with the Admiral's wishes, to provide a prize for the Officer who gains the highest marks in the examination held at the end of each Submarine Training Course for R.N. Officers in H.M.S. "Dolphin". Three prizes will be awarded by the Admiralty each year, on the recommendation of the Flag Officer Submarines.

The prize will consist of a tankard bearing the ship's badge of H.M.S. "Dolphin", and inscribed with the name of the recipient and the date and nature of the award.

One Scholarship is awarded each year to the Officer in the Royal Marines who, as a result of the annual competitive examination, is selected by the Admiralty for admission to the Military Staff College at Camberley. If in any year there is no Officer selected for admission to the Military Staff College, Camberley, the Prize for that year may be awarded to an Officer selected to undergo the Staff Course at the Royal Naval Staff College, Greenwich. The scholarship awarded to Officers at Greenwich will be tenable for 1 year only unless renewed, such renewal being dependent upon the number of Officers studying at Camberley.

Each Scholarship is tenable for 2 years and ordinarily consists of half the net income for the year derived from the Fund, estimated approximately at £120.

The first Scholarship was awarded in 1914.

No prize will be awarded in any year in which no work of sufficient merit is brought to the notice of the Admiralty.

The amount of the prize will not exceed £10 in any one year and shall be expended in the purchase of books and/or instruments and/or other articles as approved by the Admiralty.

The referees are fully empowered if, in their opinion, or in the opinion of the majority of them, no essay submitted to them comes up to a sufficiently high standard of excellence, not to award the prize;

or they may, if they consider such a course desirable, divide the prize among 2 or more competitors.

The prize will be awarded at the end of each summer term.

The Wharton Testimonial was founded in 1907 to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1904.

It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £950. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of Sir William Wharton, and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

ROYAL NAVAL SCHOLARSHIP SCHEME

The Admiralty offers a limited number of scholarships to suitable candidates aged about 16 who wish to make a career in the Royal Navy or the Royal Marines.

A place will be reserved at the Britannia Royal Naval College, Dartmouth, or the Officers' School, Royal Marines, Lympstone, for each scholar who fulfils the conditions in the Regulations, and his parents or guardians will, through the scheme, be enabled to keep their son/ward at school until he is old enough and qualified for entry as a cadet.

2. Eligibility.

The Royal Naval Scholarship Scheme is open to any boy at any school in the United Kingdom, the Isle of Man, the Channel Islands or a British Forces school overseas, which has facilities for educating him up to the standard of the Advanced Level of the General Certificate of Education or its equivalent in Scotland or Northern Ireland.

3. Qualifications.

Scholars will remain at their existing Schools and work to qualify for entry into the Britannia Royal Naval College, Dartmouth, or the Officers' School, Royal Marines, Lympstone, by the written examination for cadet entry conducted by the Civil Service Commissioners, the syllabus for which can be obtained on application to the Secretary, Civil Service Commission, 6 Burlington Gardens, London, W.1. Candidates who possess a General Certificate of Education or Senior Certificate of Northern Ireland, with passes in 5 subjects (including English Languages, Mathematics, and an approved Science or a language other than English), of which 2 out of the 4 other than English Language are at Advanced Level, are exempted from the examination conducted by the Civil Service Commissioners. Similarly boys who possess a Scottish Leaving Certificate, with passes in 5 subjects

(including English, Mathematics, and Science or a language other than English), 3 of which (including English) are on the Higher Grade, are exempted. Candidates who, either through the Civil Service Commissioners' Examination or exemption therefrom, qualify educationally only for the Royal Marines, can be entered only if vacancies exist at the time, and may be required to submit to a further interview at age 18 in competition with other candidates.

4. Specialisation.

(a) Successful candidates will enter the Britannia Royal Naval College, Dartmouth, to train for service as officers of the General List of the Royal Navy. The General List comprises the following 4 specialisations: Seaman, Engineer, Supply and Secretariat, Electrical. After taking into account their aptitudes, preferences and the needs of the Service, cadets will be allocated to one or other of these specialisations at the beginning of the second year of their training at Dartmouth.

(b) Scholarship holders may be considered for the Electrical specialisation only if they obtain during the tenure of their scholarship, the necessary educational qualification, which includes passes at Advanced Level in the General Certificate of Education in Pure and Applied Mathematics and Physics, or in the Higher Grade in the Scottish Leaving Certificate in English, Physics, Mathematics, Dynamics and at least one other of the Additional Mathematics subjects. Since there is only one entry, in September each year, cadets have to be pre-selected for the Electrical Specialisation before entry; the tenure of the scholarships of scholars concerned are subject to adjustment under the provisions at paragraph 9.

(c) Those who wish to be considered for the Royal Marines may enter for this Service in addition to their candidature for the Royal Navy or may submit themselves as candidates for the Royal Marines only.

5. Number of Scholarships.

Up to 72 scholarships a year may be awarded. There will be 3 competitions annually, each for approximately one-third of the scholarships allocated for the year, and every candidate will be permitted one attempt to obtain a scholarship. The Admiralty reserve the right to vary this number in accordance with the requirements for cadet entry.

6. Age Limits.

For the award of scholarships to take effect from January, May and September, candidates must be aged at least 15 years 6 months, but not yet 15 years 10 months on the previous 1st July, 1st November or 1st March respectively. The last dates for receipt of applications are as follows:—

<i>Date of Scholarship</i>	<i>Date of last receipt</i>
January	1st July previously.
May	1st November previously
September	1st February previously

7. Procedure for Applications.

Applications should be forwarded to the Secretary of the Admiralty (N.C.W. Scholarships), Queen Anne's Mansions, London, S.W.1, to reach there by the required closing date. The Admiralty will consider only those applications which have been endorsed by a boy's headmaster to show that he is prepared to retain him at school after the award of a scholarship. It will not be possible to consider applications from boys outside the age limits or applications received after the appropriate closing date.

8. Nationality.

Candidates must be British subjects and the sons of British subjects at the time of the award of a scholarship. The burden of clear proof of the nationality of a candidate will rest upon his parents or guardians, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates must also be undergoing full-time instruction at a school in the United Kingdom, the Isle of Man, the Channel Islands or a British Forces school overseas. Boys who possess a foreign as well as a British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy or the Royal Marines; parents or guardians are, therefore, advised to seek an early decision from the Admiralty on eligibility in such circumstances.

9. Tenure of Scholarships.

A scholarship will normally be held for 2 years, subject to satisfactory progress and conduct. Scholars who qualify educationally will normally enter the Britannia Royal Naval College, Dartmouth, or the Officers' School, Royal Marines, at the beginning of the appropriate term 2 years after starting their scholarships; the Admiralty has discretion, however, to curtail or extend the tenure of a scholarship, for instance if entrants to a particular Specialisation of the Royal Navy are required to enter together in one term.

10. Procedure for Selection.

Candidates will first be called for interview before a Preliminary Selection Board, consisting of a Captain, Royal Navy, and a headmaster, with a representative of the Admiralty's Senior Psychologist in attendance, at one of a number of regional centres; candidates will attend the centre nearest to their homes or schools. This Board will have before it a confidential report on each candidate by his headmaster, together with the results of paper and pencil tests. Those candidates who are successful at this first Selection Board will later be called for a second interview before the First Admiralty Interview Board, and will undergo tests of intelligence, aptitude, and personality. This final Board will consist of Naval Officers, a representative of the First Lord of the Admiralty and of the Admiralty's Senior Psychologist, a Headmaster and a Chief Education Officer.

11. Travelling Expenses.

Where travelling expenses above 7s. 6d. within the United Kingdom are incurred in connection with the interviews, second class rail or bus fares in excess of this amount from a candidate's normal place of residence will be refunded. (During school term, the normal place of residence may be taken to mean the

school if the candidate attends a boarding school.) Board and lodging will be provided free of charge to candidates while attending the Final Interview Board. Candidates must, however, make their own arrangements at their own expense for meals and accommodation in connection with attendance at the Preliminary Selection Board and the medical examination. If required, however, a free lunch will be provided on the day of the interview and a free tea on the day of the medical examination.

12. Medical Examination.

Candidates who reach a satisfactory standard at the Final Interview Board will undergo a medical examination in London. Details of the medical standards required for naval scholarship candidates are given in the Appendix. Parents or guardians are urged to have candidates examined in relation to these standards by their own doctors before they come before the naval medical board; disappointment is often caused by the discovery of defects which would have been revealed by this means and remedied in time before the official medical examination. Candidates found physically fit at this examination will not be specially notified, but the parents or guardians of unsuccessful candidates will be informed as soon as possible so that they may appeal, if they wish, to the Medical Appeal Board. This consists of the Medical Director-General of the Navy and the appropriate Civil Consultant to the Navy, according to the nature of the alleged disqualification(s). Appeals must be forwarded to the Medical Director-General, Queen Anne's Mansions, St. James's Park, London, S.W.1, before the date specified in the letter notifying a candidate's rejection and be accompanied by a cheque or crossed postal order for one guinea, payable to the Director of Navy Accounts; if the appeal is successful the guinea will be refunded. Expenses incurred for travelling, meals and accommodation will not be paid for attendance at Appeals Boards.

13. Award of Scholarships.

The Admiralty will award naval scholarships up to the limit of the number available in accordance with the order of merit shown in the competition. It is not possible to determine the final results until medical appeals have been decided. The parents or guardians of candidates who appear to be in, or near the zone of selection will be asked to complete and return a confidential form declaring their income, where this is £1,700 per annum (net) or below, but this should not be taken as implying final success in the competition. The actual award of scholarships will be announced and the first instalments will be paid as soon as possible afterwards. Each term the scholar's headmaster will be asked to forward a progress report. If this report is satisfactory, further instalments of the scholarship will be paid at the beginning of the next and every succeeding term. Should the headmaster's report be unfavourable, the Admiralty will warn the boy's parents or guardians, and if subsequent reports do not show sufficient improvement the award may be terminated. A further financial declaration by the parent or guardian will be required after the scholarship has been in payment for one year.

14. Financial Assistance.

In deciding the rate of financial assistance to be granted to a boy's parents or guardians, the Admiralty will consider other essential commitments, as indicated below, and the rate of the award will be in accordance with this table:—

	<i>Maintenance Grant</i>	<i>*Tuition fees (where applicable)</i>
NET annual income		
below £500	£100 p.a.	100%
£500—£699	£75 p.a.	100%
£700—£899	£50 p.a.	100%
£900—£1099	£40 p.a.	100%
£1100—£1299	£35 p.a.	100%
£1300—£1499	£30 p.a.	100%
£1500—£1700	£15 p.a.	100%
over £1700	NIL	100%

* The 100 per cent. award in respect of tuition fees is subject to a maximum of £100 per annum.

These grants are not subject to Income Tax.

In determining net income, the following annual outgoings will be deducted from gross income:—

- (a) amount of income tax;
- (b) Standard income tax allowance for a wife;
- (c) Standard income tax allowance for a wife's earned income;
- (d) Standard income tax allowance for all wholly dependent children including the candidate;
- (e) School tuition fees (i.e. excluding boarding fees) of children other than the candidate (maximum £100 each).
- (f) interest on mortgages, loans, etc.;
- (g) half the amount of premiums for life assurance on parents or guardian.

Financial assistance will normally cease with the term before entry to Dartmouth or Lympstone.

15. *Undertaking to enter Royal Navy or Royal Marines.*

When a scholarship is awarded an undertaking must be given by the parent or guardian that the candidate intends to remain at school and do his best to qualify for entry as an officer into the Royal Navy or Royal Marines at the age of 18. If a candidate withdraws from this obligation, the parent or guardian will be required to refund to the Admiralty any instalments of a scholarship paid in the interim.

16. *Reciprocal Undertaking.*

In return for the undertaking described above, the Admiralty will reserve a place for each scholar at the Britannia Royal Naval College, Dartmouth, or the Officers' School, Royal Marines, subject to his satisfactory progress and behaviour, to his remaining medically fit (scholarship holders will undergo a medical examination before entry) and to his reaching the qualifying educational standard.

17. Lack of success in a competition for a scholarship will in no way militate against the chances of a boy who desires to take the normal written examination for officer entry at about the age of 18 or who wishes to join the Royal Navy or Royal Marines by any other method.

APPENDIX

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR ROYAL NAVAL SCHOLARSHIPS

With a view to preventing candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy or Royal Marines, it is suggested that they undergo examination by a qualified medical practitioner.

It should be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and it is by no means intended to take the place of, or to influence in any way, the official physical examination. The following list of defects which cause rejection may be submitted to the private medical practitioner for guidance:—

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.
2. Skin disease, unless temporary or trivial. Scars which, by their extent or position, cause or are likely to cause, disability or marked disfigurement.
3. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.
4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.
5. Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx.
6. Disease of the throat, palate, and tonsils; simple hypertrophy of the tonsils, if there is no history of attacks of tonsillitis, is not a cause for rejection.
7. Diseased gums; disease or injury affecting the normal function of either mandibular joint; soft or hard palate; gross oral sepsis.*
8. Tuberculous glands of the throat and neck. En-

largement of the thyroid gland. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

9. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding 5 years. Chronic disease of the chest.

10. Functional or organic disease of the heart and blood vessels.

11. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty.

12. Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys, hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.

13. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g. cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

14. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.

15. Hydrocele, or other serious defect or malformation of the genital organs. Incontinence or enuresis. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

16. Fistula or fissure of the anus; haemorrhoid or any disease of the bowels.

17. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

18. No person will be admitted into Her Majesty's Service unless he has been vaccinated or re-vaccinated during the 3 years preceding the date of his entry.

19. Deformity or any chronic disease of the eyes or eyelids.

VISUAL STANDARDS

The minimum standard of unaided distant vision on entry is Snellen, 6/6 in one eye and not less than Snellen, 6/9 in the other eye. The defect must be due solely to error of refraction. For unaided near vision the candidate must be able to read Snellen D=0.5 (Jaeger, 1) with each eye separately.

Hypermetropia (under homotropine) must not exceed the following limits: In the better eye, Hypermetropia, 1.5 dioptres. Simple hypermetropic astigmatism 0.75 dioptres. Compound hypermetropic astigmatism 1.5 dioptres (of which not more than 0.75 dioptre may be due to astigmatism) in the meridian of greater error. In the worse eye, Hypermetropia, 2.5 dioptres. Simple hypermetropic astigmatism, 1.0 dioptre. Compound hypermetropic astigmatism 2.5 dioptres (of which not more than 1.0 dioptre may be due to astigmatism) in the meridian of greater error.

The fields of vision must be normal (confrontation test).

Candidates should possess binocular vision. Squint will debar from entry. Heterophoria must not be excessive and the acceptable limits, tested with the Maddox Rod are:—

Eso-and-Exo-phoria	..	6 prism dioptres
Hyperphoria	..	1 prism dioptre

Colour perception must be Standard 1. This standard of colour perception entails, in general terms, success in the complete Martin Lantern Test.

A strictly limited number of scholarships may be awarded at each competition to candidates who are found, at the medical examination, to have unaided form vision of not less than 6/36 in each eye correcting to at least 6/6 in one eye and 6/12 in the other eye. (See also *Reciprocal Undertaking* paragraph 16 above); such candidates would be eligible for entry only to the Engineering, Supply and Secretariat, or Electrical Specialisations.

* Parents or Guardians must arrange for dental defects in accepted candidates to be remedied before joining.

ENTRY OF NAVAL CADETS FROM THE SOUTH AFRICAN TRAINING SHIP "GENERAL BOTHA"

(The Admiralty reserves the right to amend these arrangements from time to time but as much notice as possible will be given of any alterations made.)

The rules in the regulations for the entry of Naval Cadets on the General List (except Electrical Specialists) apply also to entries from the South African Training Ship "General Botha," subject to the following modifications:—

There will be one entry a year.

Candidates cannot be considered for entry as Naval Cadets under these regulations unless they are recommended by the authorities of their Establishment as being, in their opinion, suitable for commissioned rank in the Royal Navy.

Candidates will be restricted to one attempt under these regulations.

Candidates must have spent 4 terms (2 years) in the "General Botha," and must be more than 17 years and 8 months but not more than 18 years and

8 months on the 1st May of the year of entry into the Royal Navy, following their examinations in the "General Botha," in the previous November.

The Commander-in-Chief, South Atlantic, and South America, will be responsible for the interview and medical examination of candidates.

Possession of the "General Botha" Senior Grade Certificate will be accepted as the educational qualification for entry, provided the certificate includes passes in Mathematics and Physics. The entry of the candidate will be subject to a scrutiny at the Admiralty of the marks obtained in the examination.

Parents or guardians of candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve as long as the Admiralty is satisfied with their conduct and progress.

REGULATIONS FOR CADET ENTRY INTO THE GENERAL LIST OF THE ROYAL NAVY

(Separate Regulations are issued for the entry of Cadets as Electrical Specialists)

Note.—The Admiralty reserves the right to amend these regulations, but as much notice as possible will be given of any alterations.

Award of Cadetships.

1. Competitive examinations for the entry of Naval cadets for service on the General List of the Royal Navy (except Electrical Specialists) are normally held in February, May and October each year. These examinations are the Navy, Army and Air Force examinations, the written part of which is conducted by the Civil Service Commission. (The preliminary educational requirements and the subjects of examination are given in Appendix I).

2. Candidates may compete for Cadetship in more than one service (i.e., Royal Navy, Royal Marines, Army or Royal Air Force). If eligible by age candidates may make 4 attempts at the Civil Service Commission examination, but may not appear before the Interview Board of any one Service on more than 2 occasions.

3. Candidates may be granted exemption from the written examination if they possess certain educational qualifications; these are given in Appendix I.

4. A description of the procedure for second attempts is given in paragraphs 21 and 22.

5. Candidates who have reached the qualifying standard in the written examination, or who possess the requisite exemption qualifications, are called before the Admiralty Interview Board which assesses their suitability for a cadetship. The Board, which has a Flag Officer as President, includes Naval Officers, a personal representative of the First Lord of the Admiralty and a representative of the Admiralty's Senior Psychologist, a Chief Education Officer and a Headmaster. Its assessment takes into account candidates' academic attainments, reports received from headmasters and the tests of intelligence, aptitude and personality which the Board itself conducts. Cadetships will be awarded by the Admiralty, up to the number of vacancies available, in accordance with the order of merit determined by the Interview Board.

6. Successful candidates will enter as follows:—

Date of Examination or Exemption	Date of Entry
February	Following September
May	January
October	May

Age Limits.

7. Candidates must be between 17 years 8 months and 19 years of age on the first day of the month of

entry as shown above (i.e., for the February, May and October examinations, they must be aged 17 years 2 months but not 18 years 6 months on the first day of the following March, July and November respectively).

8. Every candidate will be required to send to the Civil Service Commission, when asked to do so, an extract from the Register, recording his birth or, if this cannot be obtained, other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate, giving the exact date of his birth. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

Nationality.

9. Candidates must be British subjects and the sons of British subjects at the time of entry into the Britannia Royal Naval College. The burden of clear proof of the nationality of the candidates rests upon their parents or guardians who, if they are in any doubt, should, in good time, seek the opinion of the Admiralty. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

10. Candidates possessing a foreign as well as a British nationality may be regarded as ineligible to hold commissioned rank in the Royal Navy. Parents or guardians of candidates possessing dual nationality are therefore advised to seek, in good time, an Admiralty decision on eligibility.

Physical Standard.

11. Candidates who receive a sufficiently high assessment from the Admiralty Interview Board are called for a medical examination by a naval medical board as soon as possible afterwards and before the full results of the competition are available. The fact that a candidate has been so called must not, therefore, be taken as implying final success in the competition. *It is important that candidates should have been thoroughly examined by their own doctor, in relation to the standards set down in Appendix II, before they take the written examination; much time is lost and disappointment caused by the discovery of defects which would have been revealed by such an examination and remedied in time. Similarly, candidates claiming exemption from the written examination should be thoroughly examined by their own doctor before they send their applications to the Civil Service Commission.* Candidates will be passed by the medical board only if found to comply with the physical and visual standards of the Royal Navy.

12. Candidates who are successful in the medical examination will not be specially notified of this by the Admiralty, but the parent or guardian of a candidate who is rejected on medical grounds will be informed as soon as possible.

13. A medical board of appeal will be available to consider appeals by parents or guardians of candidates rejected by the naval medical board. This appeal board will consist of the Medical Director-General of the Navy and the Civil Consultant to the Navy according to the nature of the disqualification(s). The date by which appeals must be made by a parent or guardian will be stated in the letter notifying the candidate's rejection. The appeal must be forwarded to the Medical Director-General of the Navy, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1, and be accompanied by a cheque or crossed postal order for one guinea, payable to the Director of Navy Accounts; if the appeal is successful the guinea will be refunded. Travelling expenses cannot be paid for attendance at Appeal Boards.

Applications.

14. The examinations will normally begin on the third Tuesday in February, the last Tuesday in May, and the last Tuesday in October. Every candidate must obtain the necessary printed form of application for admission to the examination. This will be sent on application by letter or postcard addressed to the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1. The form must be completed in the candidate's own handwriting and should be returned to the Secretary, Civil Service Commission, as early as possible. All candidates will be required to pay a fee of £2.

Note.—The Civil Service Commissioners are prepared to receive requests for application forms 4 months before the date of the written examination.

15. The closing dates for applications are announced by the Civil Service Commissioners. Any candidate who has returned a completed application form, but has not received an acknowledgment of it within 4 complete days, should write at once to the Secretary, Civil Service Commission. Failure to do so may deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

16. A separate form of application must be obtained, completed and returned by a candidate for each examination which he wishes to attend. A candidate is, however, warned not to delay his application for the next examination until the result of the previous examination has been announced, since there may not be enough time for fresh application.

17. The written examinations are held at various centres which are listed on the examination conspectus issued by the Civil Service Commission.

18. The subjects of examination, with the marks for each subject, will be found in Appendix 1. Specimen question papers may be obtained on payment from branches of Her Majesty's Stationery Office at York House, Kingsway, London, W.C.2; 13A Castle Street, Edinburgh, 2; 39-41 King Street, Manchester, 2; 2 Edmund Street, Birmingham, 3; Tower Lane, Bristol, 1; 109 St. Mary Street, Cardiff; 80 Chichester Street, Belfast, or through any bookseller. These papers cannot be supplied by the Admiralty or the Civil Service Commissioners. Any further particulars regarding the examination should be obtained by written application to the Secretary, Civil Service Commission.

19. Where a candidate's aggregate travelling expenses from his normal place of residence within the United Kingdom (second class railway fares or 'bus fares) incurred in connection with the written examination and tests exceed 7s. 6d., the excess will be refunded. During the school term, the normal place of residence may be taken to mean the school which the candidate attends, if it is a boarding school. The Civil Service Commissioners reserve the right to limit payment to an amount calculated on the basis of travel to the nearest examination centre. Claims for refund should be submitted to the Commissioners on the form which will be supplied to each candidate. Lodging and food will be provided free of charge to

candidates while they are at the Testing Establishment. *Note.*—Candidates competing under paragraphs 21 and 22 Second Attempts, should submit their claims for refund to the Secretary of the Admiralty, N.C.W. Branch (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1.

Candidature for Royal Marines.

20. A candidate for a cadetship under these regulations may, if he so desires and provided he fulfils all the necessary conditions, present himself, at the same time and without payment of additional fees, for examination for a First Appointment in the Royal Marines. Regulations about First Appointments in the Royal Marines may be obtained on application to the Director of Naval Recruiting (Officers), Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1.

Second Attempts.

21. Subject to the condition in paragraph 2 candidates who qualify at the written examination (or are exempted from the written examination under the conditions laid down in Appendix 1) but are declared unsuccessful in the competition, may, if still eligible in respect of age to enter Dartmouth, apply to the Admiralty N.C.W. Branch (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1, to appear a second time before the Admiralty Interview Board without taking the written examination again. These applications must be received by the Admiralty not later than the first day of the written examination. Arrangements for this second appearance before the Admiralty Interview Board will be made by the Admiralty and it will not be necessary for candidates to make a further application to the Civil Service Commissioners.

22. Candidates wishing to improve on their previous performance may take the written examination again. Alternatively, they may, if by then qualified, apply for exemption under the terms of Appendix 1. A candidate who elects to take the written examination again will be required to abide by the result of this attempt (i.e., if he fails he will be declared unsuccessful in the competition). Such candidates must make a further application to the Civil Service Commissioners.

Note 1.—Subject to the condition in paragraph 2, candidates still eligible by age who qualified at a previous written examination for naval cadetships but were unsuccessful in the competition may apply to appear before the Admiralty Interview Board as candidates for First Appointments in the Royal Marines without taking the written examination again, as the Naval standard in the written examination is accepted as covering the Royal Marine standard. Applications should be made in accordance with paragraph 21.

Note 2.—Any candidate who has applied to appear again before the Admiralty Interview Board and has not received an acknowledgment of his application within 4 complete days should write at once to the address given in paragraph 21. Failure to do so may deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

Note 3.—Candidates who wish to compete for another Service in the event of their being unsuccessful at their second appearance before the Admiralty Interview Board, must submit their application form by the closing date announced in the Conspectus issued by the Civil Service Commission, and must not delay until the results of the interviews held in connection with their candidature are known.

Conditions of Entry and Withdrawal.

23. Owing to the period of waiting which follows the notification of results, parents of successful candidates are urged to allow their sons to remain at school or to continue suitable studies elsewhere until the time of entry as this will materially assist them in their first term at Dartmouth.

24. Successful candidates will enter the Royal Navy for service as Officers on the General List.

They will subsequently specialise in one of the following 3 specialisations:—

Seaman
Engineer
Supply and Secretariat

(Separate regulations apply to the entry of cadets for service as Electrical specialists on the General List.)

It will be possible for a candidate for the Royal Marines who is educationally qualified for entry as a naval cadet under the conditions laid down in Appendix I, to ask, at the Admiralty Interview Board, to be considered also for entry as a naval cadet. It will not, however, be possible for a candidate who has originally applied only for entry as a naval cadet to add an application for entry for the Royal Marines at the Admiralty Interview Board.

25. Candidates must be unmarried and are not permitted to marry whilst under training at the Britannia Royal Naval College, Dartmouth.

26. *Swimming Certificate.*

Before entry as a cadet, a certificate by the school or other responsible authority must be forwarded to the Secretary of the Admiralty to the effect that the candidate is able to swim 50 yards.

27. Successful candidates will be appointed as naval cadets to the Britannia Royal Naval College, Dartmouth, for a 7-term course of training in 3 phases, as follows:—

Phase I—consisting of 2 terms on shore, during which all cadets undergo a common training, of a primarily academic nature.

Phase II—consisting of 1 term, during which all cadets receive practical sea training in ships of the Dartmouth Squadron, and experience at a Naval Air Station.

Phase III—consisting of 4 terms on shore, with cruises at sea in the Dartmouth Squadron. During this phase, Midshipmen of all specialisations receive a common grounding in basic naval professional subjects, but the instruction given to each group is adapted to include the necessary initial training in their specialised subject (see paragraph 28).

28. At the beginning of the third phase, cadets will be promoted to Midshipmen, and will be allocated, after taking into account their aptitudes, their preferences and the needs of the Service, to the Seaman, the Engineer, or the Supply and Secretariat specialisation.

29. The parent or guardian must undertake on behalf of the candidate that the candidate will be prepared to serve in any capacity in the specialisation to which he is allocated by the Admiralty.

30. It must be clearly understood that the whole period of training up to confirmation in the rank of Sub-Lieutenant is one of probation and the Admiralty reserve the right to require the withdrawal of a Cadet, Midshipman, or Acting Sub-Lieutenant if, in their opinion:—

- he fails to reach a satisfactory standard in training, or
- his conduct is unsatisfactory, or
- he does not display the qualities required of a Naval Officer.

31. If, for any reason, the parent or guardian wishes to withdraw the candidate during service as Cadet, Midshipman, or Acting Sub-Lieutenant, and if such withdrawal is permitted by the Admiralty, the parent or guardian will be required to make a payment to the Admiralty of £90 for each term spent by the candidate at the Britannia Royal Naval College, as a contribution towards the cost of his training and maintenance; a reduction in the amount of this payment may be considered by the Admiralty in accordance with the financial circumstances of the parent or guardian, but the decision of the Admiralty will be final. The Admiralty will not refuse consent to withdrawal if satisfied that the cadet would have an invincible dislike of the only Specialisation(s) to which the Admiralty would be prepared to allocate him under paragraph 23.

32. On successful completion of the Dartmouth course, Midshipmen are promoted to Acting Sub-Lieutenant, and are appointed to sea for general service for varying periods according to their particular specialisation. During this time all Officers are required to obtain Bridge Watchkeeping Certificates or Certificates of Competence. Seamen Specialists complete 2 General Service Commissions at sea (a General Service Commission lasts about 18 months), except for Seamen Pilot Sub-Specialists, who, after a shorter period, proceed to flying training. Engineer Specialists are appointed for one General Service Commission at sea (the last year of which is spent in practical engineering training and in obtaining various engineering watchkeeping certificates) before joining the Royal Naval Engineering College, Manadon, for a course of professional training. Supply and Secretariat specialists serve one commission at sea, the last 6 months of which are spent in practical supply training.

33. After the above initial periods of training have been completed, Lieutenants of all specialisations join the Royal Naval College, Greenwich, not necessarily at precisely the same seniority, for a Lieutenants' war course lasting one term.

34. Candidates who enter the Seamen Specialisation are required, after passing for the rank of Lieutenant, or at an earlier stage, to sub-specialise in gunnery, torpedo-anti-submarine, navigation-direction, signal communications, submarines or naval aviation, or to be employed on other special duties. Selection for sub-specialisation as Pilots is during Phase III of the Dartmouth training.

35. Engineer specialists are given a course at the Royal Naval Engineering College, Manadon, Plymouth, to a degree standard which is acceptable to the appropriate professional bodies. Suitable Engineer Specialists will later be given an advanced course to Honours Degree standard.

36. Engineer Specialists are similarly required to sub-specialise in marine, aeronautical or ordnance engineering, and they may be required to serve in submarines or on other special duties. Aeronautical sub-specialists, who volunteer, may be trained as operational pilots or as maintenance test pilots. Officers who wish to serve on special duties will, as far as possible, be allowed to make their own choice, provided that the requirements of the Service are satisfactorily met.

Uniform etc.

37. The Admiralty will provide the cadet with all the articles of uniform and clothing required on entry, but in the event of withdrawal may require repayment in whole or in part of the expenditure incurred.

38. The cadet will be eligible without charge for medical and dental treatment while under training and, while on leave, to medical treatment from the local Admiralty Surgeon and Agent. The repayment of expenses incurred through consulting a civil medical practitioner will be considered by the Admiralty if an Admiralty Surgeon and Agent is not available, or under other exceptional circumstances.

Application from other Commonwealth Countries.

39. The Governments of other Commonwealth countries are allowed to nominate exceptionally, for appointment to cadetships outside the normal entry arrangements, specially recommended candidates belonging to families resident in those Commonwealth countries. Such candidates must actually reside and receive their education in the Commonwealth country. They will be required to undergo an examination on the lines shown in Appendix I, and to pass a Naval Interview Board.

40. Nominations must be forwarded through the Secretary of State for Commonwealth Relations or the Secretary of State for the Colonies as appropriate, and must reach the Admiralty at least 9 months before the particular entry for which the candidate is eligible by age. A nominated candidate must attain a standard not below that of the lowest successful United Kingdom candidate in the competitive examination.

41. Enquiries should be addressed first to the Government of the Commonwealth country con-

cerned, and should be made before the prospective candidate reaches the age of 16 years 10 months.

APPENDIX I EDUCATIONAL REQUIREMENTS

Preliminary Educational Qualification.

1. Before admission to the written examination (see paragraph 1 of the regulations) candidates must possess one of the following:—

Note 1.—Any one of the subjects recognised by the examining bodies will be accepted, e.g., History, History of the British Empire, Foreign History, Ancient History, etc.

Note 2.—Physics-and-Chemistry may not be offered with Physics or Chemistry.

Note 3.—Biology may not be offered with Botany or Zoology.

Note 4.—General Science or Additional General Science may not be offered if any other science subject is chosen.

- (b) *A Scottish Leaving Certificate* showing passes on the lower grade in (i) English, and (ii) any two of the following subjects:—

Geography	Latin
History	Greek
Mathematics	French
Science	German
Technical Subjects	Spanish
	Italian
	Russian

Passes in subjects at the Scottish Universities Preliminary Examination will be accepted as equivalent to passes in the Scottish Leaving Certificate Examination. A pass on the higher grade in English or Science, whether gained at the Scottish Leaving Certificate Examination or the Scottish Universities Preliminary Examination will be accepted as the equivalent of a pass in 2 subjects on the lower grade if the Scottish Education Department certifies that the appropriate standard was reached in both papers set in the subjects concerned.

A candidate educated in Scotland who has not for any reason gained the required passes in the Scottish Leaving Certificate or the Scottish Universities Preliminary Examination should consult his headmaster.

- (c) *A Grammar School Senior Certificate issued by the Ministry of Education for Northern Ireland* or evidence of having obtained passes in the Northern Ireland Senior Certificate Examination in English Language and two other subjects chosen from the list in (a) above.

- (d) A statement from the Ministry of Education for Northern Ireland showing that a candidate educated in Northern Ireland and not in possession of any of the qualifications given in (a) to (c) above has attained a standard equivalent to that of the General Certificate of Education under (a) above.

- (e) Evidence of having passed any other examination which in the opinion of the Civil Service Commissioners is of equal or higher standard.

2. A candidate who is awaiting the result of his General Certificate (or equivalent) examination will be accepted as a provisional candidate, but will not be allowed to compete unless he produces evidence that he has obtained the necessary passes before the beginning of the written examination. If a candidate has not yet received his certificate, a statement from the examining body to the effect that he has passed the examination will be accepted.

3. Exceptionally, a candidate who has been prevented from obtaining one of the qualifications named above by circumstances outside his control may, at the discretion of the Civil Service Commissioners, be admitted to the examination if he can produce a statement from a suitable person (e.g., his Headmaster) that his general education is up to the required standard. He must also produce a statement from a responsible person (not a relative) about the circumstances which prevented him from obtaining the necessary qualifications.

4. A naval rating or naval apprentice who has not taken the General Certificate of Education may be allowed to compete for a naval cadetship or First Appointment in the Royal Marines if he produces, when requested by the Civil Service Commissioners, a statement from the Senior Instructor Officer of the Royal Naval Training Establishment that his general education is up to the standard required to obtain the necessary passes in that examination.

5. A candidate educated in a Commonwealth country or elsewhere abroad must produce evidence satisfactory to the Civil Service Commissioners that he has attained a standard equivalent to that required of candidates educated in this country.

Subjects of Examination.

6. The following subjects will be set:—
Part I—Compulsory Subjects

	Maximum Marks
(1) English	200
(2) General Paper	100
(3) Elementary Mathematics "A"	100
(4) Elementary Physics	100

**Note.*—Candidates for naval cadetships who are also candidates for First Appointments in the Royal Marines or the Royal Military Academy, Sandhurst, must also take Elementary Mathematics "B" and reach the necessary qualifying standards for the Services concerned in each paper.

Part II—Optional Subjects.

	Maximum Marks
(5) Latin	200
(6) Greek	200
(7) French	200
(8) German	200
(9) Spanish	200
(10) History	200
(11) Geography	200
(12) Pure Mathematics	200
(13) Applied Mathematics	200
(14) Physics	200
(15) Chemistry	200
(16) Biology	200
(17) English Literature	200

7. In Part I all candidates must offer English, the General Paper, Elementary Mathematics "A" and Elementary Physics, and must reach a qualifying standard in Elementary Mathematics "A" and Elementary Physics. *Note.*—A candidate who fails by a narrow margin to reach the qualifying standard in Elementary Mathematics "A" and/or Elementary Physics may be regarded as qualified if, in the opinion of the Civil Service Commissioners, he reaches a satisfactory standard in the corresponding Mathematics and/or Physics Papers in Part II.

8. In Part II candidates may offer any two subjects. The standard of Part II subjects will be appropriate to candidates of average ability who have done one year's work in the sixth form.

9. The qualifying standard in Elementary Mathematics "A," and in Elementary Physics will be approximately that required for a pass at Ordinary Level in the General Certificate of Education.

10. A copy of the Syllabus may be obtained on application to the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1. Copies of papers set in previous examinations may be obtained on payment from H.M. Stationery Office at addresses given in paragraph 18 of the regulations, or through any bookseller.

Exemption from the Written Examination.

11. Candidates for naval cadetships who possess the educational qualifications set out below, and are recommended by their headmasters, will not have to qualify at the written examination before taking part in the tests of personal qualities. Candidates wishing to claim exemption from the examination should apply to the Admiralty, N.C.W. Branch (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1. Applications can be accepted up to the day before the date announced for the beginning of the written examination, but candidates are urged to send in their applications at the earliest possible moment as those who delay until the last minute may find that the Admiralty are unable to decide on their claims to exemption until after the written examination has begun. (Provisional exemption is explained in paragraph 13 below.)

12. The educational qualifications required of candidates claiming exemption from the written examinations are the possession of:-

- (a) a *General Certificate of Education*, or a *Grammar School Senior Certificate* awarded by the Ministry of Education for Northern Ireland showing passes in (i) English Language, (ii) Mathematics, (iii) an approved Science, or a language other than English, (iv) and (v) two other subjects (Practical and Commercial subjects will not normally be accepted. Art and Music cannot be counted towards the number of passes required under this section and Religious Knowledge will only be accepted at Advanced Level, or equivalent).

Note.—For approved Sciences see the science subjects given in the list in paragraph 1(a). Geography and Geometrical Drawing (or Geometrical and Mechanical or Machine Drawing or Technical Drawing) do not count as approved Science subjects for the purpose of this regulation.

Passes must be obtained at the Advanced level in at least two of the four subjects other than English Language.

(History with Foreign Texts will be accepted as two subjects at Advanced level but passes at Ordinary or Advanced level in languages studied as part of History with Foreign Texts cannot at the same time be counted towards the number of passes required under this section.)

The five subjects need not be taken at the same examination.

(The notes 1-4 of paragraph 1(a) apply also to this Section.)

or

- (b) a *Scottish Leaving Certificate* showing passes in (i) English, (ii) Mathematics, (iii) Science, or a language other than English, (iv) and (v) two other subjects. (Practical and Commercial subjects will not normally be accepted. Art and Music cannot be counted towards the number of passes required under this section and Religious Knowledge will only be accepted at Advanced Level, or equivalent.) Passes must be obtained on the Higher Grade in English and at least two other subjects. The five subjects need not be taken at the same examination. (A candidate educated in Scotland who for any reason does not hold the required passes in the Scottish Leaving Certificate or the Scottish Preliminary Universities Examination should consult his Headmaster.)

A candidate educated in Northern Ireland, if he is not in possession of one of the above qualifications, must produce a statement from the Ministry of Education for Northern Ireland showing that he has attained an equivalent standard.

Any other examination which in the opinion of the Commissioners is of equivalent or higher standard will be accepted instead of the General Certificate of Education examination.

13. A candidate who is within the age limits laid down but

- (a) intends to sit for a University Scholarship examination or for the General Certificate of Education at Advanced or Scholarship level, or

- (b) wishes to sit at Ordinary level,

in order to complete the educational qualification required under paragraph 12, may submit an application to the Admiralty as a provisionally exempted candidate (as in paragraph 2) provided that the result of his Scholarship or General Certificate of Education examination will be known before the beginning of the next following Navy, Army and Air Force examination. Such a candidate should inform the Admiralty of the result of his Scholarship or General Certificate of Education examination as soon as possible. If he then wishes to proceed with his candidature and if he fulfils the requirements of paragraph 12, he will be summoned to the Admiralty Interview Board.

14. Candidates who wish to take the written examination and at the same time apply for provisional exemption, should send all their documents to the Civil Service Commission. If such a candidate qualifies in the written examination his name will be withdrawn from the list of candidates claiming provisional exemption.

APPENDIX II

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR CADETSHIPS IN THE ROYAL NAVY

In general, physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy ashore and afloat, in any part of the world, throughout his period of service. A candidate will not be entered unless he has been vaccinated within the past 3 years and is prepared to be re-vaccinated when considered necessary by the Naval authorities.

In order to prevent candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or any other qualified medical practitioner. It should be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of the regular official physical examination. Specialists' reports will always be considered by the Medical Board and (if any) should accompany the candidate at the time of the physical examination. The following list of defects which cause rejection may be submitted to the private medical practitioner for guidance.

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.

2. Skin disease, unless temporary or trivial; scars which, by their extent or position, cause, or are likely to cause, disability or marked disfigurement; diseases and deformity of the nails; alopecia areata, if chronic.

3. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.

4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

5. Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx.

6. Disease of the throat, palate and tonsils; simple hypertrophy of the tonsils, if there is no history of recurrent attacks of tonsillitis, is not a cause for rejection.

7. Gross congenital defects of the jaws or gross defects due to accident or disease or gross oral sepsis.

8. Tuberculous glands of the throat and neck. Enlargement of the Thyroid gland. Hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

9. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding 5 years. Chronic disease of the chest.

10. Functional or organic disease of the heart and blood vessels.

11. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe.

12. Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.

13. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac Hypertrophy or raised blood pressure), or history which suggests impaired renal function.

14. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.

15. Hydrocele, or other serious defect or malformation of the genital organs. Incontinence or enuresis within the past 5 years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

16. Fistula or fissure of the anus; haemorrhoids or any disease of the bowels.

17. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

18. Deformity or any chronic disease of the eye or eyelids.

19. Sea sickness.

*VISUAL STANDARDS

The minimum standard of unaided distant vision on entry is Snellen, 6/6 in one eye and not less than Snellen, 6/12 in the other eye. The defect must be due solely to error of refraction. For near vision the candidate must be able to read Snellen, D=0.5 (Jaeger, 1) with each eye separately without the aid of glasses.

Hypermetropia (under homatropine) must not exceed the following limits: In the better eye:—Hypermetropia, 1.5 dioptres. Simple Hypermetropic astigmatism, 0.75 dioptre. Compound Hypermetropic astigmatism 1.5 dioptres (of which not more than 0.75 dioptre may be due to astigmatism) in the meridian of greater error. In the worse eye:—Hypermetropia, 2.5 dioptres. Simple hypermetropic astigmatism, 1.0 dioptre. Compound Hypermetropic astigmatism 2.5 dioptres (of which not more than

1.0 dioptre may be due to astigmatism) in the meridian of greater error.

The fields of vision must be normal (confrontation test).

Candidates should possess binocular vision. Squint will debar from entry. Heterophoria must not be excessive and the acceptable limits at 6 metres are:—

Eso- and Exo-phoria . . . 6 prism dioptres.

Hyperphoria . . . 1 prism dioptre.

Colour perception must be Standard I. This standard of colour perception entails in general terms, success in the complete Martin Lantern Test.

†Engineer Specialisation.

For the Engineering Specialisation the minimum standards are:—Unaided distant vision, Snellen 6/12 in one eye and not less than Snellen 6/18 in the other eye. Any defect must be due to error of refraction only. Unaided near vision, Snellen: D=0.5 (Jaeger, 1) with each eye separately.

With glasses, vision must not be less than 6/6 in one eye and 6/9 in the other eye.

Hypermetropia (under homatropine) must not, in either eye, exceed 5.0 dioptres. Compound hypermetropic astigmatism must not exceed 5.0 dioptres in the meridian of greater error.

The fields of vision must be normal (confrontation test).

Glasses are permitted on duty.

Candidates should possess binocular vision. Squint will debar from entry. Heterophoria must not be excessive and the acceptable limits are the same as those required by the Seaman Specialisation.

A degree of defect of colour perception is permitted. This standard of colour perception entails, in general terms, success in a modified Martin Lantern Test, using a single large aperture at a distance of 5 feet. Sufficient colours should be shown to ensure that the candidates recognise the red, signal green and white lights without guessing.

†Supply and Secretariat Specialisation.

For the Supply and Secretariat Specialisation full normal vision is not required. With glasses vision must not be less than 6/6 in one eye and 6/24 in the other eye. The candidate must be able to read Snellen D=0.6 (Jaeger, 2) with glasses, each eye being tested separately.

Myopia under homatropine must not exceed 3.0 dioptres in either eye. Compound myopic astigmatism must not exceed 3.0 dioptres in the meridian of greater error.

Hypermetropia (under homatropine) must not, in either eye, exceed 5.0 dioptres. Compound hypermetropic astigmatism must not exceed 5.0 dioptres in the meridian of greater error.

The fields of vision must be normal (confrontation test).

Glasses are permitted on duty.

An alternating concomitant squint with small deviation (not abnormal cosmetically) will not debar from entry, but vision of candidates with such a squint must be capable of correction to 6/6–6/12 at least, and, with glasses, the candidate must read Snellen D=0.60 with each eye. If binocular vision is present, heterophoria must not be excessive and the acceptable limits are the same as those required by the Seaman Specialisation.

A degree of defect of colour perception is permitted. This standard of colour perception entails, in general terms, success in a modified Martin Lantern Test, using a single large aperture at a distance of 5 feet. Sufficient colours should be shown to ensure that the candidates recognise the red, signal green and white lights without guessing.

* These eyesight standards are subject to review.

† The lower visual standards for the Engineer and Supply and Secretariat Specialisations will operate only for a strictly limited number of candidates who will be allocated only to these Specialisations.

APPENDIX III

NOTES ON PAY

A Dartmouth Cadet receives pay at the rate of 10s. a day. On promotion to Midshipman at the end of his first year he receives 15s. a day. These rates are subject to small deductions for recreational purposes and (in the case of Midshipmen) messing contributions.

2. Officers in the Royal Navy are not encouraged to cultivate expensive tastes; this is borne out by the

stringent regulations as to messing charges, the maximum for which is 1s. 3d. a day for Junior Officers and 2s. a day for Ward Room Officers.

3. On promotion to Acting Sub-Lieutenant (pay 24s. a day) an Officer receives a money grant which, with free issues of clothing, covers the cost of the extra uniform then required. The grant for an Officer under 21 years may be paid direct to the parent or guardian, if application is made before he is promoted. Rates of pay and allowances are shown at the beginning of this Appendix to the Navy List.

CADET ENTRY INTO THE GENERAL LIST OF THE ROYAL NAVY REGULATIONS FOR THE ELECTRICAL SPECIALISATION

Note.—The Admiralty reserves the right to amend these regulations, but as much notice as possible will be given of any alterations. Separate regulations are issued for the entry of cadets to become Seamen, Engineer or Supply and Secretariat Specialists on the General List of the Royal Navy.

I.—AWARD OF CADETSHIPS

1. Cadetships in the Electrical Specialisation of the General List of the Royal Navy are awarded annually in September on entry to the Britannia Royal Naval College, Dartmouth, to candidates declared successful in the competitions held in July.

2. Candidates for entry into the Electrical Specialisation must possess certain educational qualifications: these are described in Section V below.

3. Candidates who satisfy the educational requirements set out in Section V below are called before the Admiralty Interview Board at Gosport, near Portsmouth, for tests of aptitude, character and personality. The Board consists of 4 Naval Officers (one of whom is an Electrical Specialist), together with a civilian educational representative.

4. Cadetships, within the number of vacancies available, are awarded to medically fit candidates at the discretion of the Admiralty; final selection is based both on the candidates' performance in their written examinations (Section V), and on the Interview Board's assessment of their suitability for a Naval Cadetship.

II.—AGE LIMITS

5. Candidates must be aged 17 years but not yet 19 years 6 months on 1st September in the year of entry.

6. Candidates who are unsuccessful at their first attempt may renew their candidature in the following year, if they are still eligible by age.

III.—NATIONALITY

7. Candidates must be British subjects and the sons of British subjects at the time of the candidate's entry. Proof of the nationality of the candidates must be furnished by their parents or guardians, who, if they are in any doubt, should, in good time, seek the opinion of the Admiralty. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

8. Candidates possessing a foreign as well as a British nationality may be regarded as ineligible to hold commissioned rank in the Royal Navy. Parents or guardians of candidates possessing dual nationality are therefore advised to seek, in good time, an Admiralty decision on eligibility.

IV.—PHYSICAL STANDARD

9. Candidates who satisfy the educational requirements in Section V below and receive a sufficiently high assessment from the Admiralty Interview Board are called for a medical examination by a naval medical board as soon as possible afterwards and before the full results of the competition are available. The fact that a candidate has been called for medical examination must not, therefore, be taken as implying final success in the competition. *It is important that candidates should have been thoroughly examined by their own doctor, in relation to the standards set out in Appendix I, before they send their applications to the Admiralty: much time is lost and disappointment caused by the discovery at the naval medical examination, of defects which would have been revealed by such a pre-*

liminary examination and remedied in time. Candidates will only be passed by the medical board if they are found to comply with the physical and visual standards of the Royal Navy.

10. Candidates who are successful in the medical examination will not be specially notified of this by the Admiralty, but the parent or guardian of a candidate who is rejected on medical grounds will be informed as soon as possible.

11. A medical board of appeal will be available to consider appeals by parents or guardians of candidates rejected by the naval medical board. This appeal board will consist of the Medical Director General of the Navy and a Civil Consultant. The date by which an appeal must be made by a parent or guardian will be stated in the letter notifying the candidate's rejection. The appeal must be forwarded to the Medical Director-General of the Navy, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1, with a cheque or crossed postal order for one guinea, payable to the Director of Navy Accounts; if the appeal is successful the money will be refunded. Travelling expenses cannot be paid for attendance at Appeal Boards.

V.—EDUCATIONAL QUALIFICATIONS

12. Candidates are required to have obtained passes in a General Certificate of Education examination at the Advanced Level in at least two subjects taken on the same occasion, together with the necessary Ordinary Level passes or their equivalents as listed in paragraphs 13 and 14 below. The subject matter at Advanced Level must cover Pure Mathematics, Applied Mathematics and Physics. The grouping of the subjects differs among the various examining bodies and the *minimum* acceptable subjects to be taken are:—

- (a) University of London, Southern Universities' Joint Board for School Examinations, the Oxford Delegacy of Local Examinations, and the Welsh Joint Education Committee:
 - (i) Pure Mathematics
 - (ii) Applied Mathematics
 - (iii) Physics

(it is desirable that the two Mathematics subjects be taken on the same occasion)

- (b) University of Cambridge Local Examinations Syndicate:—
 - (i) Mathematics I, II, III (taken together and certified as Mathematics (Advanced) or as Pure Mathematics (Advanced) plus Further Mathematics III taken at the same time.
 - (ii) Physics.

- (c) University of Durham Schools Examinations Board:—
 - (i) Pure Mathematics and Applied Mathematics (double subject).
 - (ii) Physics.

- (d) Joint Matriculation Board:
 - (i) Mathematics and Theoretical Mechanics
 - (ii) Physics

(e) Oxford and Cambridge Schools Examination Board:—

(i) Mathematics for Science.

(ii) Physics.

13. In addition to the Advanced Level passes, candidates are required to have obtained one of the following standards (but see paragraph 14 below):—
Either,

(a) passes in a General Certificate of Education examination at least at the Ordinary Level in English Language, Chemistry, and a language other than English.

Or,

(b) a Scottish Leaving Certificate showing passes on the higher grade in English, and on at least the lower grade in Science (to include Chemistry) and a language other than English.

Or,

(c) a Grammar School Senior Certificate awarded by the Ministry of Education of Northern Ireland showing passes at least with credit at the Ordinary Level in English Language, Chemistry, and a language other than English.

Or,

(d) any certificate or combination of certificates which, in the opinion of the Admiralty, indicate(s) a standard equivalent to or higher than those stipulated in (a) to (c) above.

14. A candidate who has passed only five subjects at the General Certificate of Education, or equivalent, examinations is required to have passed in three of the qualifying subjects on the same occasion of which two must be at the Advanced Level.

15. A candidate educated in the Commonwealth, or elsewhere abroad, must produce evidence, satisfactory to the Admiralty, that he has reached a standard equivalent to that given above.

16. (*Restricted to candidates holding Scottish Leaving Certificates who are aged 17 years but not yet 18 years 6 months on 1st September in the year of entry. (See paragraph 26b).*)

Candidates must have obtained a Scottish Leaving Certificate with passes on the higher grade in English, Science (to include Physics), Mathematics, at least two Additional Mathematics subjects (one of which must be Dynamics), and with passes on at least the lower grade in a language other than English and Science (to include Chemistry); the passes to be gained at not more than two sittings of the Scottish Leaving Certificate examination.

17. A candidate who is sitting for any of the examinations listed in paragraphs 12 to 16 above and has not yet acquired the minimum educational qualifications for entrance, may apply provided that he produces a statement from his Headmaster that his general education is up to the standard required. This will enable him to be called before the Interview Board with the other candidates, and make it possible for the Admiralty to reach a decision immediately the results of the examination are known.

18. The Admiralty will pay special attention to the degree of success in Pure Mathematics and Applied Mathematics when making their final selection (paragraph 4). They will not confine their attention to the minimum qualifications laid down in paragraphs 12 to 16 above, but will consider, for example, results in these subjects in additional papers at Advanced Level or in Scholarship papers of the General Certificate of Education examinations or in examinations for entrance to Engineering or Science faculties of Universities, such as the Qualifying Examination for the Mechanical Sciences Tripos of the University of Cambridge.

19. Successful candidates, who have not done so before entry, are subsequently required to take the Qualifying Examination for the Mechanical Sciences Tripos of the University of Cambridge, for which it is necessary that they should have reached an adequate standard of knowledge in Pure Mathematics and Applied Mathematics.

20. If a candidate is in any doubt regarding educational qualifications, he should write to the Director,

Naval Education Service, Admiralty, London, S.W.1, giving full details of his qualifications.

VI.—TRAVELLING EXPENSES

21. Second class rail or bus fares in excess of 7s. 6d. incurred in travelling in connection with this competition from the candidate's normal place of residence in the United Kingdom will be refunded. During the school term, the normal place of residence may be taken to mean the school which the candidate attends, if it is a boarding school. Lodging and food will be provided free of charge to candidates while at Gosport.

VII.—APPLICATIONS

22. Forms of application for admission to the competition will be sent on request by letter, addressed to The Director of Naval Recruiting (Officers), Admiralty, Queen Anne's Mansions, London, S.W.1.

The form must be completed in the candidate's own handwriting and returned to

The Secretary of the Admiralty (N.C.W. Branch)
Queen Anne's Mansions, St. James's Park, London, S.W.1.

by 15th June (applications received after this date cannot be considered). A Registrar's copy of the candidate's birth certificate (or if this cannot be obtained, other documentary evidence, including a statutory declaration made by one of his parents or guardians before a magistrate, giving the exact date of his birth) must accompany the completed application form. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of date of birth. Candidates should also forward with the application form their General Certificate of Education or a certificate of equivalent standard. If they are applying under the arrangement set out in paragraph 17, their Headmaster should complete the certificate on page 3 of the application form.

23. A certificate by the school or other appropriate authority to the effect that the candidate is able to swim 50 yards must be sent, with the application form.

24. Any candidate who has applied and has not received an acknowledgment of his application within 4 complete days should write at once to the Secretary of the Admiralty (N.C.W. Branch), at the above address. Failure to do so will deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

VIII.—CONDITIONS OF ENTRY

25. Successful candidates spend a year at the Britannia Royal Naval College, Dartmouth; approximately two-thirds then enter the University of Cambridge to read for the Mechanical Sciences Tripos. The remainder, other than those entered with the Scottish Leaving Certificate qualifications stated in paragraph 16 above, undergo equivalent three-year courses at either:—

(a) another university, or

(b) the Royal Naval College, Greenwich to read for an External Bachelor of Science (Engineering) Degree in the University of London, of which the College is a recognised institution for the purpose.

26. Candidates entered with the Scottish Leaving Certificate qualification, as stated in paragraph 16 above, and who do not enter the University of Cambridge, will undergo a four-year course at a Scottish University to read for a degree in Engineering.

27. Candidates must be unmarried and will not be permitted to marry whilst under training at Dartmouth.

28. A candidate will not be accepted unless he is, in the opinion of the Admiralty, in all respects suitable to hold a commission in the Royal Navy.

29. It is to be clearly understood that the whole period of training up to confirmed Sub-Lieutenant is one of probation, and that the Admiralty reserve the

right to require the withdrawal of a Cadet, Midshipman or Acting Sub-Lieutenant if, in their opinion:—

- (a) he fails to reach a satisfactory standard in work, or
- (b) his conduct is unsatisfactory, or
- (c) he does not display the qualities required of a Naval Officer.

30. If, for any reason, the parent or guardian wishes to withdraw the candidate during service as a Cadet, Midshipman or Acting Sub-Lieutenant, and if such withdrawal is permitted by the Admiralty, the parent or guardian will be liable to make a payment to the Admiralty of £90 for each term spent under training as a Cadet and Midshipman as a contribution towards the cost of his training and maintenance; a reduction in the amount of this payment may be considered by the Admiralty in accordance with the financial circumstances of the parent or guardian, but the decision of the Admiralty will be final.

31. Cadets who have not passed the Qualifying Examination for the Mechanical Sciences Tripos will be required to take the examination about a week after entry to the Britannia Royal Naval College.

Note.—The papers of the Qualifying Examination for the Cambridge University Mechanical Sciences Tripos may be found to differ appreciably in form from Mathematics and Mechanics papers in a General Certificate of Education examination. Candidates are therefore strongly advised to prepare for this examination before entry. Copies of previous question papers may be purchased from the Cambridge University Press, 200, Euston Road, London, N.W.1. (Single set 6d., booklet 2s.).

32. Parents or guardians must undertake on behalf of candidates that they will make their career in the Royal Navy and will serve in any capacity within the Electrical Specialisation.

IX.—UNIFORM, ETC.

33. The Admiralty will provide the Cadet with all the articles of uniform and clothing required on entry but in the event of withdrawal may require repayment in whole or in part of the expenditure incurred.

34. The Cadet will be eligible without charge for medical and dental treatment, while under training and, while on leave, to medical treatment from the local Admiralty Surgeon and Agent. The repayment expenses incurred through consulting a civil medical practitioner will be considered by the Admiralty if an Admiralty Surgeon and Agent is not available, or under other exceptional circumstances.

APPENDIX I

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR CADETSHIPS IN THE ROYAL NAVY

In general, physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for general duties in the Royal Navy, ashore and afloat, in any part of the world throughout his period of service. A candidate will not be entered unless he has been vaccinated within the past 3 years and is prepared to be re-vaccinated when considered necessary by the Naval authorities.

In order to prevent candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser to the family, or any other qualified medical practitioner. It should be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of the regular official physical examination. Specialists' reports will always be considered by the Medical Board and (if any) should accompany the candidate at the time of the physical examination. The following list of defects which cause

rejection may be submitted to the private medical practitioner for guidance.

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.
2. Skin disease, unless temporary or trivial. Scars which, by their extent or position cause, or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.
3. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.
4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.
5. Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx.
6. Disease of the throat, palate, and tonsils; simple hypertrophy of the tonsils, if there is no history of recurrent attacks of tonsillitis, is not a cause for rejection.
7. Gross congenital defects of the jaws or gross defects due to accident or disease or gross oral sepsis.
8. Tuberculous glands of the throat and neck. Enlargement of the thyroid gland. Hyperthyroidism, scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.
9. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding 5 years. Chronic disease of the chest.
10. Functional or organic disease of the heart and blood vessels.
11. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe.
12. Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.
13. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.
14. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.
15. Hydrocele, or other serious defect or malformation of the genital organs. Incontinence or enuresis within the past 5 years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.
16. Fistula or fissure of the anus; haemorrhoids or any disease of the bowels.
17. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.
18. Sea sickness.

VISUAL STANDARDS

Full normal vision is not required. With glasses vision must be not less than 6/6 in one eye and 6/24 in the other eye. The candidate must be able to read Snellen D=0.6 (Jaeger, 2) with glasses, each eye being tested separately.

Hypermetropia (under homatropine) must not, in either eye, exceed 5.0 dioptres.

Compound hypermetropic astigmatism must not exceed 5.0 dioptres in the meridian of greater error.

Myopia under-homatropine must not exceed 3.0 dioptres in either eye.

Compound myopic astigmatism must not exceed 3.0 dioptres in the meridian of greater error.

The fields of vision must be normal (confrontation test).

Glasses are permitted on duty.

An alternating concomitant squint with small deviation (not abnormal cosmetically) will not debar from entry, but vision of candidates with such a squint must be capable of correction to 6/6-6/12 at least, and, with glasses, the candidate must read Snellen D=0.6 with each eye. If binocular vision is

present, heterophoria must not be excessive and the acceptable limits at 6 metres are:—

Eso- and Exo-phoria .. 6 prism dioptres
Hyperphoria .. 1 prism dioptre

A degree of defect of colour perception is permitted. The standard of colour perception entails, in general terms, success in a modified Martin Lantern Test, using a single large aperture at a distance of 6 feet. Sufficient colours should be shown to ensure that the candidates recognise the red, signal green and white lights without guessing.

NOTES ON PAY

See Appendix III of Regulations for Cadet Entry into the General List of the Royal Navy. Midshipmen being trained at Universities receive an additional 4s. a day.

REGULATIONS FOR FIRST APPOINTMENTS IN THE ROYAL MARINES

(NOTE.—The Admiralty reserves the right to amend these regulations, but as much notice as possible will be given of any alterations.)

I.—AWARD OF FIRST APPOINTMENTS

1. Competitive examinations for appointments as Second Lieutenant in the Royal Marines are normally held in February, May and October each year. These examinations are the Navy, Army and Air Force Examinations, the written part of which is conducted by the Civil Service Commission. (The Preliminary educational requirements and the subjects of examination are given in Appendix I.)

2. Candidates may compete for appointments in more than one Service (i.e., Royal Navy, Royal Marines, Army or Royal Air Force). If eligible by age candidates may make four attempts for the Royal Marines at the Civil Service Commission written examination, but may not appear before the Admiralty Interview Board as Royal Marines candidates on more than two occasions.

3. Candidates may be granted exemption from the written examination if they possess certain educational qualifications; these are given in Appendix I.

4. A description of the procedure for second attempts is given in Section VII.

5. Candidates who have reached the qualifying standard in the written examination, or who possess the requisite exemption qualifications, are called before the Admiralty Interview Board which assesses their suitability for a First Appointment in the Royal Marines. The Board, which has a Flag Officer as President, includes a Royal Marines Officer, Naval Officers, a personal representative of the First Lord of the Admiralty and a representative of the Admiralty's Senior Psychologist, a Chief Education Officer and a Headmaster. Its assessment takes into account candidates' academic attainments, reports received from headmasters and the tests of intelligence, aptitude and personality which the Board itself conducts. Appointments will be made by the Admiralty, up to the number of vacancies available in accordance with the order of merit determined by the Interview Board.

6. Successful candidates will be entered as follows:—

Date of Examination or Exemption	Date of Entry
February	Following November
May	Following November
October	Following May

II.—AGE LIMITS

7. Candidates must have attained the age of 17 years, 2 months, but must not have attained the age of 18 years 6 months on the first day of March, July and November following the February, May and October examinations respectively.*

* A Royal Marines Officer is between the ages of 17 years 6 months and 19 years 2 months on the first day of the month of entry as given in paragraph 6 above.

8. Every candidate will be required to send the Civil Service Commission, when asked to do so, an extract from the Register recording his birth, or, if this cannot be obtained, other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate, giving the date of his birth. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

III.—NATIONALITY

9. Candidates must be British subjects and the sons of British subjects at the time of the candidate's entry. Proof of the nationality of the candidates rests upon their parents or guardians, who, if they are in any doubt, should, in good time, seek the opinion of the Admiralty. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

10. Candidates possessing a foreign, as well as British nationality, may be regarded as ineligible for entry into the commissioned ranks of the Royal Marines. Parents or guardians of candidates possessing dual nationality are therefore advised to seek, in good time, an Admiralty decision on eligibility.

IV.—PHYSICAL STANDARD

11. Candidates who receive a sufficiently high assessment from the Admiralty Interview Board are called for a medical examination by a naval medical board as soon as possible afterwards and before the full results of the competition are available. The fact that a candidate has been so called must not, therefore, be taken as implying final success in the competition. It is important that candidates should have been thoroughly examined by their own doctor, in relation to the standards set down in Appendix II, before they take the written examination: much time is lost and disappointment caused by the discovery at the naval medical examination of defects which would have been revealed by a preliminary examination and remedied in time. Similarly, candidates claiming exemption from the written examination should be thoroughly examined by their own doctor before they send their applications to the Civil Service Commission. Candidates will be passed by the medical board only if found to comply with the physical and visual standards of the Royal Marines.

12. Candidates who are successful in the medical examination will not be specially notified of this by the Admiralty, but the parent or guardian of a candidate who is rejected on medical grounds will be informed as soon as possible.

13. A medical board of appeal is available to consider appeals by parents or guardians of candidates rejected by the naval medical board. This

appeal board will consist of the Medical Director-General of the Navy and the Civil Consultant to the Navy, according to the nature of the disqualification(s). The date by which appeals must be made by a parent or guardian will be stated in the letter notifying the candidate's rejection. The appeal must be forwarded to the Medical Director-General of the Navy, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1, and be accompanied by a cheque or crossed postal order for one guinea, payable to The Director of Navy Accounts; if the appeal is successful the guinea will be refunded.

V.—APPLICATIONS

14. The written examinations will normally begin on the third Tuesday in February, the last Tuesday in May and the last Tuesday in October. Every candidate must obtain the necessary printed form of application for admission to the examination. This will be sent on application by letter or postcard addressed to the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1.* The form must be completed in the candidate's own handwriting and should be returned to the Secretary, Civil Service Commission, as early as possible. All candidates will be required to pay a fee of £2.

15. The closing dates for applications are announced by the Civil Service Commissioners. Any candidate who has returned a completed application form, but has not received an acknowledgment of it within four complete days, should at once write to the Secretary, Civil Service Commission. Failure to do so may deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

16. A separate form of application must be obtained, completed and returned by a candidate for each examination which he wishes to attend. A candidate is, however, warned not to delay his application for the next examination until the result of the previous examination has been announced, since there may not then be enough time for fresh application.

17. The written examinations are held at various centres; these are listed in the examination conspectus issued by the Civil Service Commission.

18. The subjects of examination, with the marks for each subject, will be found in Appendix I. Specimen question papers may be obtained on payment from branches of Her Majesty's Stationery Office given below,† or through any bookseller. These papers cannot be supplied by the Admiralty or the Civil Service Commissioners. Any further particulars regarding the examination should be obtained by written application to the Secretary, Civil Service Commission.

19. Where a candidate's aggregate travelling expenses from his normal place of residence within the United Kingdom (second class railway fares or bus fares) incurred in connection with the written examination and tests exceed 7s. 6d., the excess will be refunded. During the school term, the normal place of residence may be taken to mean the school which the candidate attends, if it is a boarding school. The Civil Service Commissioners reserve the right to limit payment to an amount calculated on the basis of travel to the nearest examination centre. Claims for refund should be submitted to the Commissioners on the form which will be supplied to each candidate.‡ Lodging and food will be provided free of charge to

candidates while they are at the Testing Establishment.

VI.—CONCURRENT CANDIDATURE FOR NAVAL CADETSHIPS

20. A candidate for an appointment under these regulations may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time and without payment of additional fees, for examination for a Cadetship on the General List of the Royal Navy, for allocation to the Seaman, Engineer or Supply and Secretariat Specialisations. Regulations relating to Naval Cadetships may be obtained on application to the Director of Naval Recruiting (Officers), Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1.

VII.—SECOND ATTEMPTS

21. Subject to the condition in paragraph 2 above, candidates who qualify at the written examination (or are exempted from the written examination under the conditions laid down in Appendix I) but are declared unsuccessful in the competition, may, if still eligible in respect of age to enter the Royal Marines, apply to the Admiralty, N.C.W. Branch (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1, to appear a second time before the Admiralty Interview Board without taking the written examination again or payment of a fee. These applications must be received by the Admiralty not later than the first day of the written examination. Arrangements for this second appearance before the Admiralty Interview Board will be made by the Admiralty and it will not be necessary for candidates to make a further application to the Civil Service Commissioners.

22. Candidates wishing to improve on their previous performance may take the written examination again. Alternatively, they may, if by then qualified, apply for exemption under the terms of Appendix I. Such candidates must make application to the Civil Service Commissioners. A candidate who elects to take the written examination again will be required to abide by the result of this attempt (i.e., if he fails he will be declared unsuccessful in the competition).

Note 1.—Any candidate who has applied to appear again before the Admiralty Interview Board and has not received an acknowledgment of his application within four complete days should write at once to the address given in paragraph 21. Failure to do so may deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

Note 2.—Candidates for First Appointments in the Royal Marines who decide to take the written examination again, or who wish to compete for another Service in the event of their being unsuccessful at their second appearance before the Admiralty Interview Board, must submit their application form by the closing date announced in the Conspectus issued by the Civil Service Commission, and must not delay until the results of the interviews held in connection with their earlier candidature are known.

VIII.—SWIMMING CERTIFICATE

23. Before entry, a certificate from the school or other responsible authority must be forwarded to the Commandant General, Royal Marines, that the candidate is able to swim at least 50 yards.

IX.—CONDITIONS OF ENTRY

24. Candidates must be unmarried.

25. A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission in the Royal Marines.

26. Successful candidates will be appointed as Second Lieutenants, Royal Marines, and receive the pay and allowances of that rank from the date of joining.

27. The final order of seniority of Officers will be determined by the results of all their professional (naval and military) examinations during the probationary period of their service.

* The Civil Service Commissioners are prepared to receive requests for application forms four months before the date of the written examination.

† York House, Kingsway, London, W.C.2; 13a Castle Street, Edinburgh, 2; 39-41 King Street, Manchester, 2; 2 Edmund Street, Birmingham, 3; Tower Lane, Bristol, 1; 109 St. Mary Street, Cardiff; 80 Chichester Street, Belfast.

‡ Candidates competing under Section VII, Second Attempts, should submit their claims for refund to the Secretary of the Admiralty, N.C.W. Branch (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1.

28. At the end of training the Lieutenant who is the most outstanding of any year's entry may be awarded a revolver, or his personal sword may be suitably inscribed at the public expense and a sum equivalent to the difference between the cost of a sword and the cost of the inscription granted to him, the award being based on the aggregate results of the examination held.

29. Officers will be considered as on probation until they have completed all their courses of instruction and training and have been successful in all the examinations mentioned below.

30. An Officer may be removed from the Service if in the opinion of the Lords Commissioners of the Admiralty:—

- (a) he fails to reach a satisfactory standard in his work; or
- (b) his conduct is unsatisfactory; or
- (c) he does not display the qualities required of a Royal Marines Officer.

X.—UNIFORM

31. A list of uniform required on joining is sent to all successful candidates.

32. An outfit allowance is payable on entry and is supplemented by free issues of clothing. This allowance, together with the free issues, is sufficient to provide all the essential uniform required by the Officer while under training. The outfit allowance may, at Admiralty discretion, be paid to the Officer's parent or guardian if a claim is received before payment is made to the Officer.

XI.—COURSES OF INSTRUCTION AND TRAINING

33. The programme of training for Second Lieutenants is carried out in three phases. Phase I consists of 17 months instruction in the United Kingdom, Phase II one of year's service in a Commando, and Phase III of a further 4 months instruction in the United Kingdom. Details are as follows:—

Instruction	Length in weeks	Location
<i>Phase I</i>		
Initial Training	12	Infantry Training Centre R.M.
Military Training	34	Infantry Training Centre R.M.
Naval Training	12	Britannia Royal Naval College, Dartmouth and Dartmouth Training Squadron

34. Leave is granted throughout training at the appropriate scales.

35. Physical and Recreational Training, Equitation and Initiative Training are included in certain courses carried out at Royal Marines units.

36. Marks are allotted at the end of most courses on the results of examination and for general qualities, powers of leadership and work done.

37. Officers are given the acting rank of Lieutenant after 2 years and 4 months from date of entry.

XII.—APPLICATIONS FROM OTHER COMMONWEALTH COUNTRIES

38. The Governments of other Commonwealth countries are allowed to nominate exceptionally for appointment to Second Lieutenant, outside the normal entry arrangements, specially recommended candidates belonging to families resident in those

Commonwealth countries. Such candidates must actually reside and receive their education in the Commonwealth country. They will be required to undergo an examination on the lines shown in Appendix I and to pass a Naval Interview Board.

39. Nominations must be forwarded through the Secretary of State for Commonwealth Relations or the Secretary of State for the Colonies, as appropriate, and must reach the Admiralty at least 9 months before the particular entry for which the candidate is eligible by age (at least 10 months for the February examination). A nominated candidate must attain a standard not below that of the lowest successful United Kingdom candidate in the competitive examination.

40. Enquiries should be addressed first to the Government of the Commonwealth country concerned, and should be made before the prospective candidate reaches the age of 16 years 10 months.

A pass on the higher grade in English or Science, whether gained at the Scottish Leaving Certificate Examination or the Scottish Universities Preliminary Examination, will be accepted as the equivalent of a pass in two subjects on the lower grade if the Scottish Education Department certifies that the appropriate standard

was reached in both papers set in the subjects concerned.

A candidate educated in Scotland who has not for any reason gained the required passes in the Scottish Leaving Certificate or the Scottish Universities Preliminary Examination should consult his headmaster.

If a candidate has not yet received his Certificate, a statement from the Examining Body to the effect that he has passed the examination will be accepted.

3. Exceptionally, a candidate who has been prevented from obtaining one of the qualifications named above by circumstances outside his control may, at the discretion of the Commissioners, be admitted to the examination if he can produce a statement from a suitable person (e.g., his Headmaster) that his general education is up to the required standard. He must also produce a statement from a responsible person (not a relative) about the circumstances which prevented him from obtaining the necessary qualifications.

4. A naval rating or naval apprentice who has not taken the General Certificate of Education examination may be allowed to compete for a First Appointment in the Royal Marines if he produces, when requested by the Civil Service Commissioners, a statement from the Senior Instructor Officer of the Royal Naval Training Establishment concerned that his general education is up to the standard required to obtain the necessary passes in that examination.

5. A candidate educated in a Commonwealth country or elsewhere abroad must produce evidence satisfactory to the Civil Service Commissioners that he has attained a standard equivalent to that required of candidates educated in this country.

† A candidate who fails by a narrow margin to reach the qualifying standard in Mathematics "A" or "B" and/or Elementary Physics may be regarded as qualified if, in the opinion of the Civil Service Commissioners, he reaches a satisfactory standard in the corresponding Mathematics and/or Physics Papers, in Part II.

7. In Part I all candidates must offer English, the General Paper and Elementary Mathematics "B," and must reach a qualifying standard in Elementary Mathematics "B."

8. In Part II candidates may offer any two subjects. The standard of Part II subjects will be appropriate to candidates of average ability who have done one year's work in the Sixth form.

9. The qualifying standard in Elementary Mathematics "B" will approach that of the pass at Ordinary level in the General Certificate of Education.

10. A copy of the syllabus may be obtained on application to the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1. Copies of papers set in previous examinations may be obtained on payment from H.M. Stationery Office at addresses given in the footnote to paragraph 18 of the regulations, or through any bookseller.

Exemption from the Written Examination

11. Candidates for First Appointments in the Royal Marines who possess the educational qualifications set out below, and are recommended by their Headmasters, will not have to qualify at the written examination before taking part in the tests of personal qualities. Candidates wishing to claim exemption from the examination should apply to the Admiralty, N.C.W. Branch (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1. Applications will be accepted up to the day before the date announced for the beginning of the written examination, but candidates are urged to send in their applications at the earliest possible moment; those who delay until the last minute may find that the Admiralty are unable to decide on their claims to exemption until after the written examination has begun.

12. The educational qualifications required of candidates claiming exemption from the written examination are the possession of:—

- (a) *A General Certificate of Education, or a Grammar School Senior Certificate awarded by the Ministry of Education for Northern Ireland*, showing passes in (i) English Language, (ii) Mathematics, (iii) an approved Science,* or a language other than English, (iv) and (v) two other subjects. The subjects may include Art or Music or Religious Knowledge, but not more than one of these. Practical and commercial subjects will not normally be accepted. Passes must be obtained at the Advanced level in at least two of the four subjects other than English Language.† The five subjects need not be taken at the same examination; or

- (b) *A Scottish Leaving Certificate* showing passes in (i) English, (ii) Mathematics, (iii) Science, or a language other than English, (iv) and (v) two other subjects. Passes must be obtained on the Higher Grade in English and at least two other subjects. The five subjects need not be taken at the same examination.‡

13. A candidate for a First Appointment in the Royal Marines who has not obtained a pass in Mathematics in the *General Certificate of Education* or *Northern Ireland Grammar School Senior Certificate examination* may claim exemption from the written examination if he has passed in (i) English Language, (ii) an approved Science* or a language other than English, (iii), (iv) and (v) three other subjects. The subjects may include Art or Music or Religious Knowledge, but not more than one of these. Practical and commercial subjects will not normally be accepted. Passes must be obtained at Advanced level in three of the four subjects other than English Language, unless the candidate has been awarded a Distinction in two Advanced level subjects, in which case a third Advanced level subject will not be required.† The five subjects need not be taken at the same examination.‡

14. A candidate for a First Appointment in the Royal Marines, educated in Scotland, who has not obtained a pass in Mathematics at the *Scottish Leaving Certificate Examination* or the *Scottish Preliminary Universities Examination* may claim exemption from the written examination if he has passed in (i) English, (ii) an approved Science,* or a language other than English, (iii) (iv) and (v) three other subjects. The subjects may include Art or Music or Religious Knowledge, but not more than one of these. Practical and commercial subjects will not normally be accepted. Passes must be obtained in the Higher Grade in English and at least three other subjects. The five subjects need not be taken at the same examination.§

15. A candidate educated in Northern Ireland, if he is not in possession of one of the qualifications set out in paragraphs 12(a) and 13 must produce a statement from the Ministry of Education for Northern Ireland showing that he has attained an equivalent standard.

16. Any other examination which in the opinion of the Commissioners is of equivalent or higher standard will be accepted in place of the *General Certificate of Education* examination.

17. As fully qualified exempted candidates will not be required to take the written part of the Entrance Examination, their applications for admission to the competition should be made in writing to the Admiralty, N.C.W. Branch (Cadets), Queen Anne's Mansions, St. James's Park, London, S.W.1. There is no fee for candidates who are granted exemption from the written examination.

18. A candidate who is within the age limits laid down, but:—

- (a) intends to sit for a University Scholarship examination or for the *General Certificate of Education* at Advanced or Scholarship level, or
- (b) wishes to sit at Ordinary level,

in order to complete the educational qualification required under paragraphs 12 or 13 above, may submit an application to enter as a provisionally exempted candidate, provided that the result of his Scholarship or *General Certificate of Education* examination will be known before the beginning of

* For approved Sciences see the science subjects given in the list in paragraph 1(a) above. Geography and Geometrical Drawing (or Geometrical and Mechanical or Machine Drawing or Technical Drawing) do not count as approved Science subjects for the purpose of this regulation.

† History with Foreign Texts will be accepted as two subjects at Advanced level, but passes at Ordinary or Advanced level in the languages studied as part of History with Foreign Texts cannot at the same time be counted towards the number of passes required under this section.

‡ The Notes 1-4 of paragraph 1(a) also apply to this Section.

§ A candidate educated in Scotland who for any reason does not hold the required passes in the *Scottish Leaving Certificate* or *Scottish Preliminary Universities Examination* should consult his Headmaster.

the next following Navy, Army and Air Force examination. Such a candidate should inform the Admiralty of the result of his Scholarship or *General Certificate of Education* examination as soon as possible. If he then wishes to proceed with his candidature and if he fulfils the requirements of paragraphs 12 or 13 above, he will be summoned to the Admiralty Interview Board.

19. Candidates who wish to take the written examination and at the same time apply for provisional exemption should send all their documents to the Civil Service Commission. If such a candidate qualifies in the written examination his name will be withdrawn from the list of candidates claiming provisional exemption.

APPENDIX II

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR FIRST APPOINTMENTS IN THE ROYAL MARINES

In general, physical defects of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Marines ashore and afloat, in any part of the world, throughout his period of service. A candidate will not be entered unless he has been vaccinated within the past three years and is prepared to be re-vaccinated when considered necessary by the Naval authorities.

In order to prevent candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Marines, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner. It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of the regular official physical examination. Specialists' reports will always be considered by the Admiralty Medical Board and (if any) should accompany the candidate at the time of his official examination. The following list of defects which cause rejection may be submitted to the private medical practitioner for guidance.

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.

2. Skin disease, unless temporary or trivial. Scars which, by their extent or position, cause, or are likely to cause, disability, or marked disfigurement.

3. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.

4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

5. Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx.

6. Disease of the throat, palate, and tonsils; simple hypertrophy of the tonsils, if there is no history of recurrent attacks of tonsillitis, is not a cause for rejection.

7. Abnormality, disease or injury affecting the normal function of the jaws. Gross oral sepsis.*

8. Tuberculous glands of the throat and neck. Enlargement of the thyroid gland. Hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding

* Parents or guardians must arrange for dental defects in accepted candidates to be remedied before joining.

5 years, and the chest is clinically and radiologically clear.

9. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding 5 years. Chronic disease of the chest.

10. Functional or organic disease of the heart and blood vessels.

11. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine if severe.

12. Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.

13. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

14. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.

15. Hydrocele, or other serious defect or malformation of the genital organs. Incontinence or enuresis within the past 5 years. Varicocele, if it clearly forms, or is likely to form a serious impediment to the efficient performance of duty.

16. Fistula or fissure of the anus; haemorrhoids or any disease of the bowels.

17. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

18. Squint, deformity or any chronic disease of the eyes or eyelids. The standard of distant vision on entry is not less than Snellen 6/12 in each eye, tested separately without glasses. With glasses, vision must be at least 6/6 in each eye. For near vision, candidates must be able to read Snellen, D=0.5 (Jaeger, 1) with each eye without glasses. Hypermetropia exceeding 5.0 dioptres (under homatropine) or compound hypermetropic astigmatism exceeding 5.0 dioptres in the meridian of greater error will disqualify. Candidates must possess binocular vision. Heterophoria must not be excessive and the acceptable limits tested with the Maddox Rod at 6 metres are:—

Eso- and Exophoria	6 prism dioptres.
Hyperphoria	1 prism dioptre.

The minimum standard of colour vision is Standard

1. This standard of colour vision entails, in general terms, success in the complete Martin Lantern Test.

19. Candidates must be at least 5 ft. 5 in. in height.

APPENDIX III

NOTES ON PAY, ETC.

1. A Royal Marines Officer is paid 19s. a day on entry. When he reaches the acting rank of Lieutenant (see paragraph 37 of the regulations) he is paid £1 4s. a day.

2. The cost of the essential uniform and clothing required is met by an outfit allowance payable on entry with the addition of free issues of clothing.

3. Officers in the Royal Marines are not encouraged to cultivate expensive tastes and the Junior Officer under training can, with care, live within his pay and meet all normal current expenses. It should not, therefore, be necessary for parents or guardians to make personal allowances.

4. The full rates of pay and marriage allowances of Officers of the Royal Marines (General List) are shown at the beginning of this Appendix to the Navy List.

REGULATIONS FOR THE ENTRY OF OFFICERS FOR DUTIES AS PILOT OR OBSERVER ON THE SUPPLEMENTARY LIST OF THE ROYAL NAVY

(The Admiralty reserves the right to amend these regulations from time to time, but as much notice as possible will be given of alterations.)

Under this scheme of entry into the Royal Navy, appointments are, in the first instance, for 12 years on the Active List, followed by four years on the Reserve; but Officers will have the option of leaving on completion of 8 years' service, with a reduced gratuity, followed by 4 years on the Reserve. Whilst on the Reserve, Officers will only be liable for service in war or emergency.

2. Entries under this scheme will normally be made at intervals of 7 weeks throughout the year.

3. Successful candidates will be entered as Naval Air Cadets and, subject to satisfactory completion of approximately 3 months' general naval training, will be appointed Midshipman or Acting Sub-Lieutenant, according to age and provided they are recommended as suitable. Subsequent training will be as set out in paragraph 28.

4. On completion of 6 years, Officers will be required to state whether they wish to remain for the full period of 12 years or, alternatively, to exercise the option to resign on completion of 8 years. Officers who are serving for 12 years but who are not awarded a permanent commission (see paragraph 5 below) may be offered an extension of service at the discretion of the Admiralty and according to requirements.

5. Service for 12 years will carry an entitlement to consideration for a permanent commission on the Supplementary List, the number available depending on the requirements of the Service. Although there will be no regular opportunities for transfer from the Supplementary List to the General List, outstanding Officers may, in exceptional circumstances, be

transferred to a permanent commission on the General List.

6. On leaving the Active List on completion of 12 years, Officers will be eligible for a tax-free gratuity of £4,000; those who leave on completion of 8 years will be eligible for a tax-free gratuity of £1,500. Officers who are selected for a permanent commission will not be eligible for this gratuity, but will be eligible for retired pay or gratuity under the regulations in force for permanent Officers, and will be allowed to count their actual service on this commission towards such retired pay or gratuity. Extensions of service beyond 12 years will earn further gratuity at the rate of £400 per annum.

7. The rates of pay of Officers serving as Pilots or Observers on the Supplementary List of the Royal Navy are shown in Appendix II.

Age Limits

8. Applicants must have attained the age of 17 years but (with the exception of those applying specifically for Observer duties) must not have attained the age of 23 years on the date of making application. Applicants wishing to be considered for Observer duties only will be eligible providing they have not attained the age of 26 years.

9. Applicants will be required to forward to the Admiralty with their applications, an extract from the register of birth (or, if this cannot be obtained, other documentary evidence accompanied by a statutory declaration made by a parent or guardian before a magistrate giving the exact date of his birth). Certificates of registry of birth or of baptism

are not in themselves accepted as evidence of the date of birth.

Nationality

10. Applicants must be British subjects and the sons of persons who are British subjects at the time of the applicant's entry. The burden of proof of the nationality of the applicants will rest upon the applicants or, in the case of those under 21 years of age, on their parents or guardians who, if they are in doubt, should seek the opinion of the Admiralty at the earliest opportunity. Applicants not of pure European descent must be domiciled in the United Kingdom at the time of application.

11. Applicants who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Such applicants, or their parents or guardians, are therefore advised to seek an early decision from the Admiralty as to their eligibility.

Physical Standard

12. Candidates will be required, irrespective of whether they have been passed fit in connection with a previous examination, to present themselves for medical examination and must be found physically fit for flying duties in the Royal Navy. Physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for aircrew duties. A candidate will not be entered unless he has been vaccinated within the past 3 years and is prepared to be re-vaccinated when considered necessary by the Naval Authorities.

13. Details of physical requirements for candidates are contained in Appendix I.

14. The attention of applicants is particularly invited to the advice in paragraph 1 of Appendix I. Experience at recent examinations has shown that an undue number of candidates have been found to be suffering from defects sufficiently serious to cause their rejection on medical grounds. Had they been examined beforehand, as advised, unnecessary expense and disappointment might have been avoided.

Educational Qualification

15. All candidates MUST forward with their applications evidence that they possess one of the following qualifications:—

- (a) General Certificate(s) of Education showing passes at the Ordinary Level in
 - (i) English Language
 - (ii) Mathematics and
 - (iii) one other subject from the list given in paragraph 16 below;
- (b) a Scottish Leaving Certificate showing passes in the Lower Grade in English, Mathematics and one other subject;
- (c) a Senior Certificate issued by the Ministry of Education of Northern Ireland in 1952 or after, showing a pass at Ordinary Level in English Language and Mathematics (Traditional or Alternative);
- (d) an Overseas School Certificate issued by the University of Cambridge Local Examinations Syndicate (or the equivalent) showing a pass in Mathematics.
- (e) a School Certificate, showing at least a pass standard in Mathematics, issued by one of the undermentioned examining bodies:—
 - Oxford and Cambridge Schools Examination Board
 - Oxford Delegacy for Local Examinations
 - Cambridge Local Examinations Syndicate
 - University of Bristol
 - University of Durham
 - University of London
 - Northern Universities Joint Matriculation Board
 - Central Welsh Board.

(f) a Matriculation Certificate issued by the University of London, or any other certificate which, in the opinion of the Admiralty, is of equivalent or higher standard.

16. The list of G.C.E. subjects referred to above is:—

English Literature	Mathematics or Pure Mathematics
Geography	Applied Mathematics
History*	Physics
Latin	Chemistry
Greek	Physics and Chemistry
German	Botany
French	Zoology
Spanish	Biology
Italian	General Science or Additional General Science
Russian	Geometrical Drawings or Geometrical and Mechanical (or Machine) Drawing or Technical Drawing.

17. If a candidate has passed one of the above examinations but has not yet received the actual certificate, a certified statement from the examining body (not the Headmaster) that he has been successful and has obtained passes in the required subjects will be accepted.

Tests of Personal Qualities and Flying Aptitude

18. Applicants who satisfy the educational requirements and are accepted as candidates will be required to undergo flying aptitude and grading tests at the Royal Air Force Station, Hornchurch. Candidates who pass these tests will proceed to naval establishments in the Portsmouth Command for a medical examination and preliminary and final interviews. This will occupy a total of about 5 days.

19. Second-class rail or bus fares incurred in travelling in connection with these tests, from the candidate's normal place of residence, will be paid by the Admiralty if they exceed the sum of 7s. 6d. Lodging and food will be provided free of charge, to candidates whilst they are undergoing the selection procedure, but no other expenses, such as meals on journey or loss of wages, are allowed.

Applications

20. Application must be made on the appropriate form, which will be supplied on request by letter, addressed to the Director of Naval Recruiting, Officer Entry Section, Queen Anne's Mansions, London, S.W.1. The form must be completed in the applicant's own handwriting and returned to the above address, together with the documentary evidence of birth and educational qualifications.

21. Any applicant who has filled up and returned the application form but has not received an acknowledgement of it within 4 complete days should write at once to the Officer Entry Section, at the above address. Failure to do so will deprive the applicant of any claim to consideration on the grounds of loss or delay in the post.

22. Candidates who have passed the aptitude tests and the medical examination for aircrew duties, but who fail the interview, are allowed three attempts at entry under this scheme, provided they are still within the age limits, but 6 months must elapse before a candidate can attend a further interview.

Conditions of Entry and Service

23. The acceptance of a candidate, and his allocation to Pilot or Observer duties, will be at the sole discretion of the Admiralty and subject to the number of vacancies available at the date of entry.

24. Before a candidate's entry as a Cadet, a certificate by the school or other authority must be forwarded to the Secretary of the Admiralty to the

* Any one of the subjects recognised by the examining bodies will be accepted, e.g. History, History of the British Empire, Foreign History, Ancient History, etc.

effect that the candidate is able to swim at least 50 yards.

25. The Admiralty reserve the right to terminate an appointment at any time if, in their opinion:

- (a) the standard of work is unsatisfactory or, under certain circumstances, the Officer fails to perform the aviation duties for which he was primarily entered;
- (b) conduct is unsatisfactory; or
- (c) the qualities required of a Naval Officer are not being sufficiently developed.

26. Should an Officer be invalidated, he will receive proportionate gratuity (subject to the normal provision that any such gratuity is liable to be reduced or withheld if the disability was due to causes within the Officer's own control). This gratuity will be calculated as follows:—

- (a) *If invalidated before completing 8 years' service.* A gratuity at the rate of £140 a year in respect of the first 18 months of service, and at the rate of £200 a year in respect of service beyond the first 18 months.
- (b) *If invalidated after completion of 8 years but before completion of 12 years' service.* A gratuity of £1,500 in respect of the first 8 years' service, and at the rate of £625 a year in respect of service beyond 8 years.

An Officer who, for any other reason, does not complete his full period of service on the Active List will not be entitled to any gratuity: but an award, either at the full rate or at a reduced rate to be decided by the Admiralty, may be sanctioned, subject to a minimum period of service of 18 months and possession of the flying badge, in the following circumstances:

- (a) for an Officer compulsorily transferred to the reserve, required to relinquish his commission or to resign;
- (b) for an Officer transferred to the reserve at his own request.

27. The gratuity is intended to assist Officers' resettlement in civil life and is, therefore, not payable to the estate of an Officer who dies or is killed while serving on the Active List. A special gratuity of not less than £200 is, however, normally paid to the widow; or if there are children but no widow, this gratuity may be paid in part or in whole for the benefit of the children.

Gratuities and/or pensions are also payable under Ministry of Pensions' regulations to the widows, etc., of Officers whose death is due to their service.

(Officers serving on Short Service commissions will be eligible for gratuities in accordance with paragraph 1 of the rules governing payment of Gratuities to Officers on the Supplementary List and Short Service Officers.)

Duration of Course of Training

28. Successful candidates will be entered as Naval Air Cadets and will be given approximately 3 months general naval training. On completion of this training they will be promoted to Midshipman, or, if they have attained the age of 21, to the rank of Acting Sub-Lieutenant, provided they are recommended as suitable to hold these ranks. Pilots will then undergo flying courses lasting about 12 months, and on successful completion will be awarded the flying badge. This will be followed by operational flying training. Observers will undergo basic and specialist courses lasting in all about 9 months, on completion of which the flying badge is awarded.

29. Officers serving as Midshipmen will be promoted to Acting Sub-Lieutenants after 1 year 4 months in the rank of Midshipman, or on attainment of the age of 19 years 6 months, whichever is the later, subject to satisfactory completion of basic and applied flying training and to recommendation for promotion. Those Officers who reach the age of

21 before completing 1 year 4 months in the rank of Midshipman may be promoted to Acting Sub-Lieutenant at age 21, provided that they are recommended as suitable to hold this rank.

30. Total time to be served as Sub-Lieutenant (acting and confirmed) before promotion to Lieutenant will be from 1 year 8 months to 3 years according to time gained on results obtained during courses.

General

31. The Admiralty will provide the Cadets with all the articles of uniform and clothing required on entry. Apart from incidental expenses, e.g. laundry charges, the cost of maintenance while on leave, and the costs when proceeding on leave or returning from leave of travel to destinations outside the United Kingdom, no form of expense will fall on the parent or guardian or cadet.

32. In the event of termination of appointment within 12 months of entry, the Admiralty will require return of the principal items of uniform and equipment. A charge will be raised against the Cadet, or his parent or guardian, in respect of any specified item(s) not so returned.

33. The Cadet will be entitled without charge to medical and dental treatment while under training; and, when on leave, may consult the local Admiralty Surgeon and Agent, if necessary. The repayment of expenses incurred through consulting a civil medical practitioner will be considered by the Admiralty should an Admiralty Surgeon and Agent not be available, or for other exceptional reasons.

34. A Cadet entered under this scheme must produce on joining, or on returning from leave, a health certificate to the effect that he has not suffered from, nor been exposed to, infectious disease during the previous 30 days.

35. Letters concerning Cadets should be addressed to the Commanding Officer of the Establishment or Ship in which he is training, and not to the Captain by name.

36. Parents or guardians of Cadets must, in all cases of a permanent change of address, inform the Admiralty (N.C.W. Branch), and the Commanding Officer of the Ship.

APPENDIX I

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR AIRCREW DUTIES IN THE ROYAL NAVY AS PILOT OR OBSERVER.

With a view to preventing candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official physical examination. Specialist's reports will always be considered by the Admiralty Medical Board and (if any) should accompany the candidate at the time of his official examination. The following list of defects which cause rejection may be submitted to the private medical practitioner for guidance.

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.

2. Skin disease, unless temporary or trivial. Scars which, by their extent or position, cause, or are likely to cause, disability or marked disfigurement.

3. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.

4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforation of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

5. Deformity or any chronic disease of the eye or eyelids.

6. Disease of the bones or cartilage of the nose and nasal polypus. Disease of the naso-pharynx.

7. Disease of the throat, palate or tonsils; simple hypertrophy of the tonsils, if there is no history of recurrent attacks of tonsillitis, is not a cause for rejection.

8. Abnormality, disease or injury affecting the normal function of the jaws. Gross oral sepsis.

9. Tuberculous glands of the throat and neck. Enlargement of the thyroid gland. Hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years and the chest is clinically and radiologically clear.

10. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding 5 years. Chronic disease of the chest.

11. Functional or organic disease of the heart or blood vessels.

12. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine if severe.

13. Undue swelling or distortion of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.

14. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

15. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.

16. Hydrocoele, or other serious defect or malformation of the genital organs. Incontinence or enuresis within the past 5 years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

* i.e., 7 teeth missing or defective, a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Candidates must, however, possess some sound opposing molars and incisors. The number given above is intended as a general guide, and is not necessarily strictly adhered to, provided the general condition of the teeth is good.

Parents or guardians must arrange for dental defects in accepted candidates to be remedied prior to joining.

17. Fistula or fissure of the anus, haemorrhoids or any disease of the bowels.

18. Paralysis, weakness, impaired motion or deformities of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

19. No person will be admitted into Her Majesty's Service unless he has been vaccinated or re-vaccinated during the 3 years preceding the date of his entry.

20. Sea or air sickness.

Height, Weight, and Leg Length Measurements

The requirements are as follows:—

Height: 64 in. minimum; 78 in. maximum.

Leg Length: 39 in. minimum (Pilots only).

Weight: 200 lb. maximum.

Fractional deviations from these limits will entail rejection.

(Note.—Leg length is measured with the candidate sitting, his buttocks firmly against a wall and the measurement is taken from the wall to the ball of the heel.)

Visual Standards

The minimum standard of distant vision on entry is Snellen 6/6 in one eye and not less than Snellen 6/12 in the other eye without glasses. The defect must be due solely to error of refraction. For near vision the candidate must be able to read Snellen, D=0.5 (Jaeger, 1) with each eye separately without the aid of glasses.

Hypermetropia (under homatropine) must not exceed the following limits: In the better eye, Hypermetropia, 1.5 dioptre. Simple hypermetropic astigmatism, 0.75 dioptre. Compound hypermetropic astigmatism 1.5 dioptre (of which not more than 0.75 dioptre may be due to astigmatism) in the meridian of greater error. In the worse eye, hypermetropia, 2.5 dioptres. Simple hypermetropic astigmatism, 0.75 dioptre. Compound hypermetropic astigmatism 2.5 dioptres (of which not more than 0.75 dioptre may be due to astigmatism) in the meridian of greater error.

The fields of vision must be normal (confrontation test).

The candidate is required to pass special tests of the ocular muscle balance and stereoscopic vision. The results of these tests are viewed as a whole by the Central Air Medical Board and mere attainment of the limits laid down does not necessarily ensure acceptance. For guidance, however, a summary of the limits required in these tests is given below:—

Maddox rod test	Exophoria	0.6 Prism D	} For (at 20 ft. distance)
	Esophoria	0.6 Prism D	
	Hyperphoria	0.1 Prism D	

Convergence	10 cms. at least	} only
Accommodation	11 cms. at least, with due allowance for hypermetropia	

Bishop Harman diaphragm test	Exophoric response 4
	Esophoric response 5
Cover Test	Rapid recovery of fixation is necessary.

Colour perception must be Standard I. This standard of colour perception entails, in general terms, success in the complete Martin Lantern test.

APPENDIX II

NOTES ON PAY

1. A Naval Air Cadet receives pay at the rate of 11s. 6d. per day. This is sufficient to enable him to meet normal current expenses. Mess contributions of Junior Officers are limited by stringent regulations, and it should therefore not be necessary for parents or guardians to make personal allowances.

2. On award of the flying badge, an Officer receives a uniform grant of approximately £88, plus a free issue of certain articles of clothing from service sources. The cash grant in respect of Officers under 21 years of age may be paid direct to the parent or guardian, if application is made before the Officer is promoted.

Rates of Pay

3. The rates of pay and marriage allowance of Officers of the General Service Branches, and of flying pay for Officers entitled to receive it, are as follows:—

(c) The rates shown are those payable on completion of flying training. Officers receive flying pay at the rate of 6s. a day during the training; and pilot pupils receive an additional 3s. a day during the jet training stage.

REGULATIONS FOR THE ENTRY OF OFFICERS IN THE ELECTRICAL SPECIALISATION ON THE SUPPLEMENTARY LIST OF THE ROYAL NAVY

(NOTE.—The Admiralty reserves the right to amend these regulations from time to time, but as much notice as possible will be given of any alterations.)

1. Entries from civil life will normally be made twice a year in June and November.

Conditions of Entry

2. The acceptance of a candidate will be at the sole discretion of the Admiralty and subject to the number of vacancies available at the date of entry.

An Officer must be prepared to serve at sea or ashore anywhere in the world.

3. Appointments will be in the first instance for 3, 4 or 5 years on the Active List, followed by 4 years on the Emergency List. Whilst on the Emergency List Officers will be liable for service only in war or emergency.

Officers holding National Service Commissions

4. Service on the Supplementary List of the Royal Navy counts against the liability for National Service. Officers holding National Service Commissions with suitable qualifications may transfer to the Supplementary List at any time during their full time naval service. The date of transfer to the Supplementary List will be at Admiralty discretion and will normally be from the date of the acceptance of the application by the Admiralty.

Officers holding National Service Commissions who are accepted for transfer to the Supplementary List will be allowed to count their full pay mobilised service for the purposes of increments of pay and promotion up to a maximum of 18 months' commissioned Service.

Educational Qualifications

5. Candidates must be Graduate Members of the Institution of Electrical Engineers or of the British Institution of Radio Engineers, or hold qualifications which exempt them from Sections A and B of the old, or Parts I and II of the new, I.E.E. Examination. Application may be made in anticipation of these qualifications being obtained. Arrangements could then be made to enable the Admiralty to reach a decision on the selection of the candidate immediately he qualifies educationally.

Age Limits

6. Applicants must have attained the age of 21 years but not have reached the age of 36 on the first day of the month of entry. The lower age limit may be waived in the case of a candidate liable for National Service, if he is otherwise qualified.

Civilian applicants will be required to forward to the Admiralty, with their applications, an extract from the register of birth, or, if this cannot be obtained, other documentary evidence accompanied by a statutory declaration made by a parent or guardian before a magistrate giving the exact date of his birth. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

Nationality

7. Applicants must be British subjects and the sons of persons who are British subjects at the time of the applicant's entry. The burden of proof of the nationality of the applicants will rest upon the candidates or, in the case of those under 21 years of age, on their parents or guardians who, if they are in doubt, should seek the opinion of the Admiralty at the earliest opportunity. Applicants not of pure European descent must be domiciled in the United Kingdom at the time of application.

Applicants who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Such candidates, or their parents or guardians, are therefore advised to seek an early decision from the Admiralty as to their eligibility.

Interview

8. Candidates (excluding serving Officers) will be required to appear before a Selection Board, and a naval medical board. Second class rail or bus fares incurred for this purpose can be claimed from the Admiralty after the interview, if they exceed a total of 7s. 6d. from the candidate's normal place of residence. No other expenses, such as meals on the journey, or loss of wages, are allowed.

Physical Standards

9. It is important that candidates should have been thoroughly examined by their own doctor, in relation to the standards set out in Appendix I of the regulations for the Cadet entry into the General List of the Royal Navy in the Electrical Specialisation before they send their applications to the Admiralty: much time is lost and disappointment caused by the discovery of defects which would have been revealed by such an examination and remedied in time. Candidates will be passed by the medical board only if found physically fit for service in the Royal Navy.

CONDITIONS OF SERVICE

Training

10. Successful candidates will be entered in the rank of Acting Electrical Sub-Lieutenant and will undergo courses lasting approximately 9 months, mostly at the Electrical Schools. Candidates will be trained either to carry out the duties of Electrical Officer of a small ship or of Electrical Officer of an Air Squadron. Subject to satisfactory progress, and provided they are recommended by their Commanding Officers, candidates will be confirmed in the rank of Electrical Sub-Lieutenant after 6 months' commissioned service. Any Officer failing to reach a satisfactory standard during training may be discharged at Admiralty discretion, or given a further period of instruction.

Promotion

11. Promotion to the rank of Electrical Lieutenant will normally be after 18 months' service as an Electrical Sub-Lieutenant (acting and confirmed time to count).

Seniority as an Electrical Lieutenant may be ante-dated up to a maximum of 4 months, this additional seniority being calculated on the results of the course at the Electrical School. A further period of 4 months may be awarded if the Officer has a First Class Honours Degree in appropriate subjects and 2 months if he has a Second Class Honours Degree.

An Officer will be considered for promotion to Electrical Lieutenant-Commander on attaining 8 years' seniority as an Electrical Lieutenant.

Extension of Service

12. At any time before the last 3 months of his term of service on the Active List, an Officer may apply through the normal Service channels to extend his service by 1 or 2 years up to a total of 5 years' service, and by 3, 4 or 5 years up to a maximum period of service of 10 years.

An extension to the Supplementary List Officer's present term of service by one period only up to a maximum of 6 months may also be requested provided this does not make his total period of service on the Active List exceed 10 years.

Transfer to the General List

13. Transfer to the General List will be made only in the most exceptional circumstances.

Uniform

14. A gratuity of £116 towards the provision of the necessary outfit of uniform is payable to new entries in addition to a free issue of certain articles of clothing, augmented as necessary for the provision of tropical clothing on appointment abroad. A reduced allowance is payable to candidates with previous Naval Service as Officers. Any Officer discharged under paragraph 10 may be required to refund his clothing gratuity.

Gratuity

15. At the end of his period on the Supplementary List under this scheme, an Officer will be eligible for a gratuity (free of tax) of £135 for each year's service.

If he fails to complete the full period of Active List service which he has undertaken he will be awarded a gratuity in accordance with the general regulations set out on pages 23 and 24.

Pay

16. The rates of pay and marriage allowance of officers of the Electrical Specialisation are shown on pages 5 and 11 respectively.

Applications

17. Application must be made on the appropriate form, which will be supplied on request by letter, addressed to the Officer Entry Section, Room 751, Queen Anne's Mansions, London, S.W.1. The form must be completed in the applicant's own handwriting and returned, with the documentary evidence of birth and educational qualifications, to the Secretary of the Admiralty, N.C.W. Branch (Room 441), Queen Anne's Mansions, London, S.W.1.

Any candidate who has completed and returned the application form but has not received an acknowledgment of it within 4 complete days should write at once to the Secretary of the Admiralty, N.C.W. Branch (Room 441), at the above address. Failure to do so will deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

Applications from serving Officers are to be submitted to Commanding Officers who should forward them to the Admiralty accompanied by a report on Form S. 206.

REGULATIONS FOR CHAPLAINS, R.N.

CHURCH OF ENGLAND ENTRY

1. To render a candidate eligible for appointment as a Chaplain (Church of England) in the Royal Navy he must fulfil the following conditions:—

- (a) he must be an ordained Deacon and Priest of the Church of England, or admitted to the same Holy Orders by the lawful authority of

(f) he must be pronounced physically fit for service as a Chaplain by the Medical Director-General of the Navy.

2. Every Chaplain appointed for service must, as a condition to such appointment, receive a special ecclesiastical licence from the Archbishop of Canterbury and his successors, such licence to be one capable of recognition by all Bishops and other Authorities of the Church of England throughout the world during the period such Chaplain shall remain on the Active List of the Royal Navy.

3. In the event of discharge after short service the names of Chaplains who are recommended will be specially brought to the notice of the Church authorities.

CHURCH OF SCOTLAND AND FREE CHURCHES

ENTRY

4. To render a candidate eligible for appointment as a Chaplain (Church of Scotland and Free Churches) in the Royal Navy, he must fulfil the following conditions:—

(a) he must be an ordained Minister of one of the group of Churches comprising the Church of Scotland and Free Churches.

(b) he must have been interviewed by the Senior Chaplain, Church of Scotland and Free Churches, Admiralty.

(c) his age must not exceed 34, except in certain exceptional cases. A copy of birth certificate should be furnished after interview with the Senior Chaplain, Church of Scotland and Free Churches.

(d) after entry he must not hold any other Charge.

(e) he must be pronounced physically fit for service as a Chaplain by the Medical Director-General of the Navy.

ROMAN CATHOLIC

ENTRY

5. To render a candidate eligible for appointment as a Chaplain (Roman Catholic) in the Royal Navy he must fulfil the following conditions:—

(a) he must be a Roman Catholic Priest and be nominated for entry by the R.C. Ordinary of H.M. Forces.

(b) after entry he must not hold any benefice with a Cure of Souls.

(c) he must receive permission to apply for entry and produce satisfactory testimonials from the Bishop of his diocese, or if a Religious, from his Superior.

(d) his age must not exceed 34, except in certain exceptional cases. A copy of birth certificate should be furnished after interview with Senior R.C. Chaplain.

(e) he must have been examined by the Senior R.C. Chaplain and reported by him to be in every respect a fit and proper person to serve as Chaplain in Her Majesty's Service.

(f) he must be pronounced physically fit for service as a Chaplain by the Medical Director-General of the Navy.

6. Every Roman Catholic Chaplain appointed for service must be in possession of Ecclesiastical Faculties from the R.C. Ordinary of H.M. Forces.

ALL DENOMINATIONS

Nationality

8. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof will rest upon the candidate, who, if in any doubt, should seek the opinion of the Admiralty at the earliest opportunity.

9. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

10. Candidates who possess a foreign as well as British nationality may be ineligible for entry in the Royal Navy. Candidates are, therefore, advised to seek an early decision from the Admiralty in such circumstances.

Visual Standard

11. Both eyes to be healthy, the vision to be correctable to 6/8; 6/24 or to 6/12; 6/12 at least. The candidate should be able to read Jaeger 2 with either eye with glasses. There should be no history of asthenopia.

The refractive error should not exceed:—

(a) 7 dioptres of hypermetropic or of compound hypermetropic astigmatism under homatropine in the meridian of greater error in either eye.

(b) 7 dioptres of myopia or of compound myopic astigmatism under homatropine in the meridian of greater error in either eye.

The fields of vision should be full. Colour Perception Standard III. This entails the recognition of red, green and white lights on the Martin Lantern at a distance of 5 feet.

An alternating squint with small deviation (not abnormal cosmetically) will be permitted provided that the vision shall be correctable to at least 6/24 in the worse eye.

Candidates who are accepted with a distant visual acuity of less than 6/60, 6/60, and whose vision does not correct up to 6/12 or better in either eye are to have this fact noted in their Medical history documents and are to be examined by a Naval Ophthalmic Specialist should they later apply for a Permanent Commission.

Dental Standard

12. The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. The candidate must make his own arrangements for any defects to be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

General

13. Chaplains will be appointed for a period of 4 years only in the first instance. Chaplains leaving the Service on the expiration of a Short Service engagement will be placed on an Emergency List and will be liable for service in war or emergency during the subsequent 4 years. A Chaplain who, in the opinion of the Admiralty, is unsuitable for the Naval Service may be discharged at any time. In addition if the ecclesiastical authorities of the R.C. Church are not satisfied with the conduct of a Chaplain (R.C.) the Admiralty will take note of their objection.

14. Resignation before the expiration of 4 years' service may be permitted, in special circumstances, at the discretion of the Admiralty.

PAY, RETIRED PAY, ETC.

15. The pay, allowances, retired pay, etc., of Chaplains are contained under those headings in the appropriate sections of this Appendix.

16. In certain circumstances widows are eligible for pensions with allowances for children as provided in the appropriate sections of this Appendix.

MISCELLANEOUS

17. All Chaplains must be prepared to serve in any part of the world.

18. Chaplains on board ship are victualled under the usual conditions for Naval Officers, i.e., they are required to pay the usual mess subscriptions. When detached for duty in circumstances which render the ordinary service victualling unavailable they are entitled to Provision Allowance.

19. Chaplains, R.N., are required to wear Naval uniform, the initial cost of which is met by a cash allowance and a free issue of certain items of clothing.

REGULATIONS FOR INSTRUCTOR OFFICERS, R.N.

ENTRY

1. Entry into the Instructor Branch, R.N., will in the first instance be on a Short Service basis under the following regulations:—

Candidates must have attained the age of 21 years and must not have reached the age of 36 years on the date of entry. The lower age limit may be waived in the case of candidates liable for National Service. They must be recommended for entry by the Director of the Naval Education Service.

2. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof of the nationality of the candidate will rest with him and if he is in any doubt he should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

Candidates who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Candidates are, therefore, advised to seek an early decision from the Admiralty, as to their eligibility for entry if possessing double nationality.

3. Candidates must possess a degree or the equivalent or acceptable teaching qualifications.

The majority of entries will be from candidates with qualifications in Mathematics, Science (Physics, Chemistry or Metallurgy with Mathematics as a Subsidiary Subject), Engineering (Mechanical, Electrical, Aeronautical or Civil); but a proportion with qualifications in Arts subjects will be required. Experience in teaching is desirable. Instructor Officers entered with first or second class Honours Degrees are distinguished in the Navy List as Instructor Officers(f).

4. Candidates must be pronounced physically fit by the Medical Director-General of the Navy for general duties in the Instructor Branch.

Visual and Dental Standards on Entry

Both eyes to be healthy, the vision to be correctable to 6/6; 6/24 or to 6/12; 6/12 at least. The candidate should be able to read Jaeger 2 with either eye with glasses. There should be no history of asthenopia.

The refractive error should not exceed:

- (a) 7 dioptries of hypermetropia or of compound hypermetropic astigmatism under homatropine in the meridian of greater error in either eye.
- (b) 7 dioptries of myopia or of compound myopic astigmatism under homatropine in the meridian of greater error in either eye.

The fields of vision should be full.

Colour Perception The minimum standard of Colour Perception is Grade III. This entails the recognition of red, green and white lights on the Martin lantern at a distance of 5 feet.

An alternating squint with small deviation (not abnormal cosmetically) will be permitted provided

that the vision shall be correctable to at least 6/24 in the worse eye.

Candidates who are accepted with a distant visual acuity of less than 6/60, 6/60 and whose vision does not correct up to 6/12 or better in either eye are to have this fact noted in their Medical history documents and are to be examined by a Naval Ophthalmic Specialist should they later apply for a Permanent Commission.

The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

Training

5. Instructor Officers will on entry normally undergo a course of instruction in one of the Naval Training Establishments. These courses include Navigation, technical and non-technical subjects and instructional technique. These are followed by a period of practical training, and experience at sea. Initial training generally lasts about 6 months. Officers with suitable qualifications in Mathematics or Science may be required on entry or at a later date to undergo a 5 months' course at the Royal Naval School of Meteorology.

Any officer who fails to qualify in his preliminary course may be discharged.

CONDITIONS OF SERVICE

6. Instructor Officers (dagger) will be entered in the rank of Acting Instructor Lieutenant and will be confirmed in rank on satisfactory completion of 6 months' service, most of which will have been spent in preliminary training. On confirmation, their seniority as Instructor Lieutenant will be ante-dated to a date 2 years before the date of entry and they will receive pay appropriate to an Instructor Lieutenant of that seniority, from the date of completion of 6 months' service.

This ante-date of seniority will count during an Officer's short service (see paragraph 8) for the purpose of determining (a) his seniority and (b) his eligibility for increases of pay, and (c) for purposes of promotion. If, however, a Short Service Officer is transferred to the Permanent List (see paragraph 16) the ante-date of seniority will count for the above purposes but not as service towards retired pay.

Service before the age of 21 does not count for seniority purposes after transfer to the Permanent List, and Officers who were entered before this age will have their seniority adjusted on transfer.

7. Instructor Officers (non-dagger) will be entered in the rank of Instructor Sub-Lieutenant and will be promoted to Instructor Lieutenant after 1 year's satisfactory service.

8. All Officers will be entered, initially on a Short Service Engagement for a period of 3, 4 or 5 years. At any time during the last year of his engagement, but not less than 3 months before his engagement is due to terminate, an Officer may apply through the normal Service channels for:—

- (a) his engagement of 3 or 4 years to be extended by 1 or 2 years in order to convert it to one of 4 or 5 years' duration;
or
- (b) a new Short Service engagement of 3, 4 or 5 years to follow immediately his existing engagement;
or
- (c) an extension of his Short Service engagement by any period up to a maximum of 6 months.

A report on Form S.206 should accompany each application for either (a) or (b) above.

No Officer can be permitted to serve for more than a total period of 10 years on Short Service engagements. Any extension under (c) above must fall within this maximum period and only one such extension can be allowed.

9. Officers who leave the Service at the end of their Short Service engagement(s) will be eligible for a gratuity (free of tax) which will be paid at the end of their total period of service.

The (full) rates of gratuity are:—

After 3 years' service	£405
For each additional year of service ..	£135
Portion of year under 8(c) above—proportion of	£135
Maximum gratuity	£1,350

(a) Officers whose period on a Short Service engagement is not treated as Contributory Service under the Teachers' (Superannuation) Acts will receive the full rate of gratuity.

(b) Officers whose period on a Short Service engagement is treated as Contributory Service under the Teachers' (Superannuation) Acts will receive the full rate of gratuity less the amount of the employer's and employee's contribution under those Acts, which amount, where required to be paid, will be paid by the Admiralty to the Ministry of Education on their behalf. Similar arrangements will be made with the Scottish Education Department and the Ministry of Education for Northern Ireland.

10. Officers serving on Short Service engagements are entitled to the rates of pay according to seniority and are eligible for promotion to Instructor Lieutenant Commander in accordance with the regulations for permanent Instructor Officers.

11. Service as an Instructor Officer counts as teaching service in determining the incremental position of a teacher on the Burnham Scales, and as qualifying for purposes of the Teachers' (Superannuation) Acts. The position is similar as regards Scotland and Northern Ireland.

12. Details of the full pay, retired pay, etc., of Instructor Officers are contained under those headings in the various sections of this Appendix.

13. A cash grant for the provision of certain tailored items of uniform and a free issue of certain other items of clothing in accordance with an approved scale, is made subject to certain conditions of refund in the event of failure to complete specified periods of service up to a maximum of 3 years.

Officers who have already been provided with uniform and clothing in respect of previous service as an Officer may receive modified grants according to the length of the break in service.

14. Instructor Officers must be prepared to serve in any part of the world.

EMERGENCY LIST

15. Officers leaving the service on completion of a Short Service engagement will be placed on an Emergency List and will be liable for service in war or emergency during the subsequent 4 years.

PERMANENT LIST

16. The Permanent List is subdivided into two sections, List A and List B. List A will be restricted to Officers, dagger and non-dagger, having academic qualifications that fit them for the highest posts in the Instructor Branch. List B consists of Officers considered suitable for a full career in the Naval Service, but whose academic qualifications are not high enough to enable them to be considered for List A. Transfer from List B to List A will not be made other than in the most exceptional circumstances. Both List A and List B Officers will be on a common seniority list with a symbol to indicate Officers on List B.

17. Instructor Officers serving on Short Service Engagements may apply for transfer to a permanent commission after 2 years' qualifying service. Transfers to List A will be restricted to Officers in possession of a degree or the equivalent. Officers who do not possess the academic qualifications necessary for List A may be considered for transfer to List B.

18. Applications must be submitted through normal service channels and should be made by January 15th and August 15th for consideration in March and October respectively.

19. An Officer who has not completed his minimum period of qualifying service by the final date for making application in either half-yearly period may submit his application provided that he will have completed the minimum period by March 15th in the case of January applications, or October 15th in the case of August applications.

20. Transfers are at the discretion of the Admiralty and applicants, who must be recommended by their Commanding Officers, will be interviewed upon initial application.

21. An Officer who is not granted a permanent commission at his first attempt will be automatically reconsidered for transfer at each succeeding half-yearly selection without further application until the end of his Short Service engagement, unless he cancels his application. He may be called again for interview if the Director of the Naval Education Service considers this necessary.

22. A report on Form S.206 should be forwarded with the initial application and at 6 monthly intervals thereafter until the Officer concerned has been transferred to the Permanent List or to the Emergency List or his application has been cancelled.

23. Officers transferred to the Permanent List are not permitted to count service before 21 years of age for seniority purposes.

24. Short Service Officers transferred to the Permanent List will not be eligible for gratuities in respect of their Short Service Engagements. Any Officer who has already received a gratuity in respect of such service will be required to refund it, either in a lump sum or in suitable instalments, as a condition of counting the service towards retired pay, terminal grant or gratuity on the permanent scale.

25. To be considered for transfer to the Permanent List, an Officer must (a) be in a position to complete at least 10 years' service from the date of transfer before the normal age for retirement and (b) to have an expectation of completing a total of 20 years' qualifying service (which may include previous service in the Army and Royal Air Force), for retired pay purposes. On voluntary retirement after transfer to the Permanent List an Officer who has not qualified for retired pay, may be paid a gratuity provided he has a minimum of 10 years' qualifying service, including not less than 5 years after transfer to the Permanent List.

26. On compulsory retirement at the age limit, or on invaliding after not less than 10 years' qualifying service, Officers will be eligible for retired pay and terminal grants on the same terms as other permanent Officers. Officers who are invalided after less than 10 years' qualifying service will be eligible for gratuity on the permanent scale.

PROMOTION

27. Subject to a satisfactory record, an Instructor Lieutenant on List A or List B will be promoted Instructor Lieutenant-Commander on attaining 8 years' seniority as Instructor Lieutenant. On List A promotion to the rank of Instructor Commander and above will be by selection.

Promotion on List B to the rank of Instructor Commander and above will be possible but will be exceptional.

DUTIES

28. Instructor Officers are employed primarily on educational and training duties ashore and afloat. A certain number of Officers qualified in meteorology, are, however, seconded for meteorological duties and constitute the major part of the Naval Weather Service.

29. Instructor Officers are appointed to serve in aircraft carriers, cruisers, depot and repair ships, and destroyer and frigate squadrons of the Royal Navy.

30. The Instructor Officer is an integral part of the organisation of his ship and at "Action Stations"

(except where appointed for full-time meteorological duties), he is employed in a key position in the tactical and strategical plotting organisation. Officers qualified in meteorology may be appointed for forecasting and general meteorological duties in a full or part time capacity, those who show a particular interest or aptitude being seconded to the Naval Weather Service for full time duties for a period of years. All Officers with scientific qualifications must be available to assist with their knowledge in solving any scientific problem which may arise.

31. Ashore, Instructor Officers are appointed to the Naval Colleges, Technical and Training Establishments, the main Naval Air Stations and other establishments where theoretical technical instruction, basic education, adult education and meteorological requirements exist.

There is a number of administrative posts in Headquarters and Commands open to the more senior Instructor Officers, and occasional opportunities for advanced technical research exist.

In any ship or shore establishment the senior Instructor Officer is responsible to the Commanding Officer for all the educational activities, including the furtherance of Adult Education. The senior Officer appointed for meteorological duties will, however, be responsible for the meteorological organisation.

MEDICAL OFFICERS.

(l) The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

Nationality

(m) Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. In doubtful cases the burden of clear proof will rest upon the candidates who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application. Candidates who possess a foreign, as well as British nationality may, in certain cases, be regarded as ineligible for entry as Medical Officers, R.N. PAY AND ALLOWANCES

3. The pay, allowances, retired pay, etc., of Medical Officers are contained in the appropriate sections of this Appendix.

4. In certain circumstances widows are eligible for pensions with allowances for children as provided in the appropriate sections of this Appendix.

UNIFORM

5. Prior to joining officers will be required to provide themselves with a minimum of uniform, details of which will be supplied. A cash grant towards the provision of the necessary outfit of uniform is payable in addition to a free issue of certain articles of clothing, subject to conditions of refund in the event of an officer failing to serve for certain prescribed periods from date of entry. Grants on this scale are not payable to Officers who have already received gratuities in respect of previous periods of Naval service as Officers. Such Officers may receive modified grants which will depend upon the length of break in service.

MESSING

6. Officers will be allowed the ordinary ship's rations when attached to ships in commission, but will have to pay about 2s. a day towards the maintenance of their Mess as Ward Room Officers.

CONDITIONS OF SERVICE

7. (a) Successful candidates will be entered for a 3 or 4 years' Short Service Commission as Acting Surgeon Lieutenants; they may subsequently apply to extend their service for a further 2, 3 or 4 years.

(b) Officers not granted additional seniority in accordance with paragraphs 17(a) and (b) hereafter, will be promoted to Surgeon Lieutenant after 1 year's satisfactory service;

(c) Those granted less than 1 year's ante-date, will be promoted to Surgeon Lieutenant when the period of the ante-date added to their current service amounts to 1 year;

(d) Those granted an ante-date of 1 year or more will be appointed as Surgeon Lieutenants on entry;

(e) Officers who leave the Service at the end of the 3 year Short Service Commission will be eligible for a gratuity of £600 (free of tax) with a further gratuity of £200 for each subsequent year of service.

8. Under the Regulations, Officers are required periodically and on cessation of medical charge to render a Journal of their practice, and certain other returns. Failure to comply with these Regulations on termination of the engagement may involve delay in payment of the above gratuities.

9. Officers must serve when and where required.

10. Officers are liable to immediate discharge for misconduct or if for any reason considered by Their Lordships to be unsuitable for retention.

11. A course of instruction on Naval Regulations and Procedure, Tropical Diseases, Naval Hygiene, etc., is given to each Short Service Officer on entry.

12. Surgeon Lieutenants are to report through their Commanding Officer not later than 6 months before their Short Service is due to expire, whether they desire to be considered for transfer to the permanent list.

TRANSFER TO THE PERMANENT LIST

13. Officers are transferred to the permanent list at the discretion of the Admiralty, and in determining the number to be transferred regard will be paid by the Admiralty to the number of higher appointments available from time to time for Officers on the permanent list.

14. A Permanent Commission Grant will be paid to Medical Officers whose transfer to a Permanent Commission is approved, as follows:—

Medical Officers £1,500 (taxable)

(a) Payment of these Permanent Commission Grants will be made after the completion of 1 year's satisfactory commissioned service in the Medical Branch of the Royal Navy. If this has been performed before transfer to a Permanent Commission, payment of the grant will be made on the Permanent Commission being granted. The acceptance of a Permanent Commission implies an undertaking to serve until the normal retiring age. If, however, an Officer applies to resign or retire before the completion of his service and Service requirements allow him to be released, the Admiralty reserve the right to require a refund of the whole or part of the Permanent Commission Grant.

(b) Officers who transfer from a Short Service List to the Permanent List will not be entitled to a gratuity in respect of the completed portion of their Short Service Commission in addition to the Permanent Commission Grant. Any Officer who has completed his Short Service Commission and received a Short Service gratuity, and is granted a Permanent Commission in the Medical Branch of the Royal Navy, will have deducted from his Permanent Commission Grant the sum which he has received as a Short Service gratuity.

15. On transfer to the permanent service Surgeon Lieutenants must provide themselves with the complete outfit of uniform prescribed by the Regulations.

16. (a) Promotion is made to rank of Surgeon Lieutenant-Commander on attaining 7 years' seniority as confirmed Surgeon Lieutenant including at least 2 years' sea service from date of entry. Promotion to rank of Surgeon Commander and above is by selection, subject to completion of such periods of service and sea service and subject to such other conditions as may be specified from time to time.

(b) The general regulations governing promotion to the above ranks and higher ranks are included in the Queen's Regulations and Admiralty Instructions.

SENIORITY

17. (a) Previous Service in the Armed Forces.—Previous commissioned service in the Armed Forces as a Medical Officer will be allowed to count respectively as commissioned medical service in full towards seniority, promotion and pay, whilst other previous commissioned service in the Armed Forces will count as half for seniority, promotion and pay. All previous commissioned service in the Armed Forces, subject to there not being a break of more than 5 years before re-entry, will count in full for Retired pay. In any case where there is a break of more than 5 years an Admiralty decision should be sought.

(b) Recognised Medical experience after full registration in a hospital or civilian practice may render an Officer eligible for the grant of an ante-date of seniority up to a maximum of 7 years. The Medical Director-General of the Navy will decide as to the suitability of the Officer's civilian experience for the purpose of granting an ante-date but not more than 2 years in civilian practice may be counted towards an ante-date. Additional seniority so granted will count for increase of pay and promotion but will not reckon as service for retired pay or gratuity.

The basis of calculation will be:—

First 4 years' approved experience ..	in full
Subsequent experience as a Specialist ..	in full
Other recognised experience ..	in half

(c) Transfer to permanent list.—Any Officer who has, for recognised medical experience in a hospital or in civil practice, been given an ante-date of seniority during his Short Service Commission will transfer to the Permanent List with that seniority. Any Officer who has not been given such an ante-date of seniority but whose previous experience in a recognized hospital or civil practice might justify an ante-date, may apply for this to be taken into consideration in determining his seniority on transfer to the Permanent List.

(d) R.N.V.R. Officers serving for their period of full-time National Service.—An ante-date of seniority will be allowed to confirmed Surgeon Lieutenants on transfer to Short Service Commission or the Permanent List in respect of recognized hospital experience or civil practice obtained since full registration.

EMERGENCY LIST

18. Officers leaving the Active List on completion of their Short Service engagements will be placed on an Emergency List, and will be liable for service in war or emergency during the subsequent 4 years.

MEDALS AND PRIZES

19. Awards and prizes open to Naval Medical Officers are the Gilbert Blane Medal, Chadwick Naval Prize, and North Persian Forces Memorial Medal, and the Parkes Memorial Prize.

POST-GRADUATE INSTRUCTION

20. Specialist Courses and Post-Graduate Courses of various duration are arranged at recognised civil teaching centres for Officers selected for specialist posts or as general revision courses.

21. Medical Officers selected for specialist duties are given ample opportunity to prepare for and take degrees and diplomas in their specialist subjects.

KITCHENER MEDICAL SCHOLARSHIPS

22. By arrangement with the Lord Kitchener National Memorial Fund these Scholarships may be awarded to the sons of Officers and Men or of ex-Officers and Men of H.M. Forces who desire to take a medical training with a view to obtaining a regular Commission in the Medical Services of the Navy, Army or Air Force.

23. Ex-holders of Kitchener Scholarships are entered into the Royal Navy for 5 years' short service instead of the normal period of 4 years. On completion of 5 years' full pay service they will be eligible to withdraw from the Royal Navy with a gratuity of £1,000 (tax free). Since the cost of Scholarships awarded to candidates who enter the Royal Navy is borne by Naval Funds such cost will be deducted from the withdrawal gratuity of £1,000, any balance of the cost in excess of £1,000 being waived.

24. Ex-Kitchener Scholars are eligible to apply for transfer to the Permanent List. The full cost of the Scholarship, even though its value may exceed £1,000 will be deducted, at the discretion of the Admiralty from any withdrawal gratuity which may be payable to an ex-Scholarship holder who is transferred to the Permanent List and who fails to serve for 15 years in the Royal Navy.

25. Ex-Kitchener Scholars who transfer to the Permanent List will be eligible for the Permanent Commission Grant as set out in paragraph 14 above except that in their case the grant will be paid in two instalments of £750 (taxable). The first instalment will be paid on transfer, subject to at least 1 year's service having been completed, and the second instalment will be paid on the completion of 5 years' full pay service.

26. Full particulars of these Scholarships, with the necessary application forms, can be obtained from The Secretary, Lord Kitchener National Memorial Fund, 50 Pall Mall, London, S.W.1.

Dental Officers £1,250 (taxable)

(a) Payment of these Permanent Commission Grants will be made after the completion of 1 year's satisfactory commissioned service in the Dental Branch of the Royal Navy. If this has been performed before transfer to a Permanent Commission, payment of the grant will be made on the Permanent Commission being granted. The acceptance of a Permanent Commission implies an undertaking to serve until the normal retiring age. If however an Officer applies to resign or retire before the completion of his service and Service requirements allow him to be released, the Admiralty reserve the right to require a refund of the whole or part of the Permanent Commission Grant.

(b) Officers who transfer from a Short Service List to the Permanent List will not be entitled to a gratuity in respect of the completed portion of their Short Service Commission in addition to the Permanent Commission Grant. Any Officer who has completed his Short Service Commission and received a Short Service gratuity and is granted a Permanent Commission in the

Dental Branch of the Royal Navy, will have deducted from his Permanent Commission Grant the sum which he has received as a Short Service Gratuity.

14. On transfer to the Permanent List Surgeon Lieutenants (D) must provide themselves with the complete outfit of uniform prescribed by the Regulations.

15. (a) Promotion is made to the rank of Surgeon Lieutenant-Commander (D) on attaining 7 years' seniority as *confirmed* Surgeon Lieutenant (D). Promotion to the rank of Surgeon Commander (D) and above is by selection, subject to completion of such periods of service and subject to such other conditions as may be specified from time to time.

(b) The general regulations governing promotion to the above and higher ranks are included in the Queen's Regulations and Admiralty Instructions.

SENIORITY

16. (a) Previous Service in the Armed Forces.—Previous commissioned service in the Armed Forces as a Dental Officer will be allowed to count respectively as commissioned dental service in full towards seniority, promotion and pay, whilst other previous commissioned service in the Armed Forces will count as half for seniority, promotion and pay. All previous commissioned service in the Armed Forces, subject to there not being a break of more than 5 years before re-entry, will count in full for retired pay. In any case where there is a break of more than 5 years an Admiralty decision should be sought.

(b) Recognised dental experience after full registration in a hospital or civilian practice may render an Officer eligible for the grant of an ante-date of seniority up to a maximum of 7 years, the basis of calculation being:—

First 4 years	in full
Subsequent experience as a Specialist	in full
Other recognised experience	in half

The Medical Director-General of the Navy will decide as to the suitability of the Officer's civilian experience for the purpose of granting an ante-date. Additional seniority so granted will count for increase of pay and promotion but will not reckon as service for retired pay or gratuity.

(c) Transfer to permanent list.—Any Officer who has, for recognized dental experience in a hospital or in civil practice, been given an ante-date of seniority during his Short Service Commission will transfer to the Permanent List with that seniority. Any Officer who has not been given such an ante-date of seniority but whose previous experience in a recognized hospital or civil practice might justify an ante-date, may apply for this to be taken into consideration in determining his seniority on transfer to the Permanent List.

(d) R.N.V.R. Officers serving for their period of full-time National Service.—An ante-date of seniority will be allowed to confirmed Surgeon Lieutenants (D) on transfer to Short Service Commissions or the Permanent List in respect of recognized hospital experience or civil practice.

EMERGENCY LIST

17. Officers leaving the Active List on completion of their Short Service Engagements will be placed on an Emergency List, and will be liable for service in war or emergency during the subsequent 4 years.

POST-GRADUATE INSTRUCTION COURSES

18. Post-graduate courses are arranged at recognized civil teaching centres for Officers selected for specialized posts, or as general revision courses.

ENTRY AND TRAINING OF ARTIFICER APPRENTICES

METHOD OF SELECTION. Artificer Apprentices are selected by interview and aptitude test from candidates:

- (a) who have obtained passes at the ordinary level in mathematics (i.e. not arithmetic only) and in a science subject in a General Certificate of Education examination.
- (b) who have obtained passes on the lower grade in mathematics (i.e. not arithmetic only) and in a science subject in the Scottish Leaving Certificate examination.
- (c) who have obtained passes at the ordinary level in mathematics (i.e., not arithmetic only) and in a science subject in the Grammar School Senior Certificate examination of the Ministry of Education for Northern Ireland.
- (d) who can submit a certificate as evidence of having passed an examination which is of equivalent or higher standard.
- (e) who qualify in a special examination set by the Admiralty.

Admiralty Examination. Normally held locally on the second Tuesday in February, June and October. The question papers will be set by the Admiralty, will be the same for all candidates and will be supplied to the Education Authorities, Governing Body or Superintendent of the School or Establishment by whom all arrangements for holding the examination will be made.

The examination is completed in one day and consists of five papers as shown below:—

	Maximum Marks	Time Allowed
Mathematics	300	1½ hours
Science	200	1 hour
Essay	100	¾ hour
English (Comprehension Test)	100	¾ hour
General Paper	100	1 hour

The mathematics and science papers are taken in the morning, and the remaining papers in the afternoon.

The worked papers are forwarded for marking to the Secretary of the Admiralty (for D.N.E.S.), immediately after the examination.

Failure in any particular examination will not render a candidate ineligible to compete again if otherwise eligible; nor will it render him ineligible for direct entry, should he subsequently obtain the General Certificate of Education qualification.

RECOMMENDATIONS. Boys who wish to try for an apprenticeship should apply for recommendation to one of the following authorities:

- (1) Local Education Authorities in Great Britain and Northern Ireland.
- (2) Youth Employment Committees of Local Education Authorities or of the Ministry of Labour and National Service.
- (3) The Governing Body of a Secondary School not provided by the local Education Authority, but recognized by the Ministry of Education, or the Ministry of Education (Northern Ireland), for purposes of grant, or conducted under the Schools (Scotland) Code, 1950, of the Scottish Education Department.
- (4) The Headmaster, Royal Hospital School, Holbrook, Suffolk.
- (5) The Superintendents of the Training Ships *Arethusa* and *Mercury*, the Superintendent of the *Indefatigable* and National Sea Training School, or the Superintendent, Parkstone Sea Training School.

Note.—Boys who are not entitled to a recommendation from one of the above authorities may be allowed to take the examination at the discretion of the Admiralty.

A candidate should in the first place consult the Headmaster of his school or, if no longer attending school, the local Youth Employment Office.

Recommendations should be made on the appropriate form, which will be supplied only to the authority concerned, on application to the Secretary of the Admiralty, and must reach the Admiralty not

later than the fifteenth day of the month previous to that in which the examination is to be held.

Note.—Recommendations of Direct Entry candidates should also be submitted by the above-mentioned day.

AGE. Candidates must be between the ages of 15 years and 17 years on the 1st day of the month of entry, i.e., either January, May or September.

A rating already serving in the Royal Navy, who is within the prescribed age limits may become a candidate for an apprenticeship at the discretion of his Commanding Officer who, for the purposes of the foregoing instructions, will be regarded as a recommending authority.

NATIONALITY. Candidates must be British subjects or British-protected persons or citizens of the Irish Republic and normally the sons of parents both of whom are (or, if deceased, were at the time of death) British subjects or British-protected persons or citizens of the Irish Republic.

INTERVIEW, APTITUDE TEST AND MEDICAL EXAMINATION. Candidates will have to satisfy the Selection Board that they will make good Artificer Apprentices. There will be practical tests designed to show the candidates' aptitude for craftsmanship.

Any candidate who qualifies educationally but fails the interview and aptitude test may be permitted to attend the immediately subsequent interview and aptitude test without requalifying educationally, subject to being eligible by age. The candidate should apply by letter to the Secretary of the Admiralty, before the end of the month in which the subsequent educational examination is held (October, February or June), for permission to attend for the second time.

Candidates will be examined by a Naval medical officer to ensure that they are in good health and, as far as can be ascertained, free from any defect that would render them unfit for the duties of Artificer. Details of the medical standard are set out below.

MEDICAL STANDARD

Candidates must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit them for the duties of Artificer in the Royal Navy.

HEARING must be unimpaired.

VISION. Candidates must possess distant vision, Snellen 6/9 and near vision, Snellen D=0.5 (Jaeger 1) in each eye tested separately without glasses. Colour vision must approximate to normal.

TEETH must be in good condition and afford an efficient masticating area, including sound functionally opposed molars and incisors on both sides of the mouth. The loss of 7 or more teeth will generally disqualify a candidate.

HEIGHT. Candidates must be at least 5 feet 1 inch in height.

All candidates must be willing to be vaccinated, re-vaccinated, and inoculated if necessary and to undergo such dental treatment as may be necessary. Parental consent to this must be produced.

PRELIMINARY MEDICAL EXAMINATION. To lessen the chances of subsequent disappointment, candidates are advised to present themselves for preliminary medical and dental examination at the nearest headquarters recruiting office and at some time before sitting for the Admiralty educational examination. The preliminary medical examination would be free of charge, but intending candidates would be required to pay their own travelling expenses. It must be clearly understood that the preliminary medical examination is suggested as a guide to candidates and would not influence the final examination mentioned above. Application may, if necessary, be made to the Director of Naval Recruiting, Admiralty, London, S.W.1, for guidance as to the most convenient recruiting office.

CONSENT OF PARENT ON ENTRY. A successful candidate must produce the consent, in writing, of his parent, guardian or nearest relative, to his entering the Navy and engaging to serve for 12 years (Continuous Service) from the age of 18 in addition to whatever period may be served before he attains that age.

A serving rating who is a successful candidate must similarly produce written consent to his transfer to Artificer Apprentice and to the change of engagement entailed.

CANDIDATES WITH SERVICE CLAIMS

Candidates with Service claims who reach the necessary qualifying standard in the educational examination may in certain cases be granted preferential entry, but application for a Service Nomination does not of itself constitute an application for admission to the educational examination. Every candidate should ensure that a recommendation to compete is forwarded on his behalf by the local educational or other appropriate authority. Candidates are recommended by Commanders-in-Chief at home and abroad, the Admiral Commanding Reserves, Flag Officers Commanding in Home Waters, the Engineer-in-Chief of the Fleet and the Commandant General Royal Marines.

Candidates must be sons of Commissioned Officers, Chief Petty Officers or Petty Officers of the Royal Navy; Commissioned Officers or Non-Commissioned Officers, of or above the rank of Sergeant, of Royal Marines; Clerks, Draughtsmen, Inspectors and Foremen of the Artisan branches, or skilled Artisans not below the grade of Chargeman, of H.M. Dockyards. Service Nominations are restricted to:—

- (a) boys whose fathers are dead;
- (b) boys whose fathers have been invalidated or who have, for some similar reason, strong claims to special consideration on compassionate grounds;
- (c) boys whose fathers can show long and faithful service, or other sound reasons for consideration.

In allotting Service Nominations under sub-heading (a), Their Lordships' preference will be given to boys whose fathers have been killed in action, lost at sea on active service, or killed on duty; or have died of wounds in action or injuries received on duty, within 6 months from the date of such actions or injuries. Boys who are ineligible solely because their fathers were below the rank or grade specified in the paragraph above may be included in the recommendations for nomination if considered deserving and suitable candidates. Their names will, however, be considered after those of candidates whose fathers were of the necessary rank or grade.

Parents, if serving, should apply for a recommendation through the Commanding Officer of the ship or establishment in which they are serving, who will transmit the request to the appropriate authority. If not serving, parents should apply to the Commander-in-Chief at the nearest Home Port. Royal Marines, if not serving afloat, should apply to the Director of Pay and Records, Royal Marines, Melville Barracks, Chatham.

Recommendations by one of the authorities quoted above can be accepted at the Admiralty at any time after the boy has attained the age of 14 years 9 months. The latest date for the receipt of recommendations is the closing date for the receipt of applications for the last examination for which the boy is eligible by age.

Candidates will be eligible for nomination to an Apprenticeship in connection with any Admiralty examination held after the receipt of the recommendation at the Admiralty. If a candidate fails to qualify at the first attempt and sits for the examination on one or more further occasions, the original recommendation for a Service Nomination holds good.

A brief note of the father's services and of the family circumstances must be given.

In exceptional circumstances Officers and men holding the ranks or rates mentioned above may apply for a recommendation for boys to whom they stand in the position of guardian. Independent evidence that the boy has been brought up by his guardian for 5 years or more should be forwarded with the recommendation.

THE TRAINING OF AN ARTIFICER

On entering the Navy the Artificer Apprentice joins H.M.S. *Fisgard*, the Royal Naval Artificers' Training Establishment at Torpoint, Cornwall. Here he lives and is educated free of charge in an establishment run on the lines of a good technical college. He is appointed to one of the Houses, each of which is named after a famous Admiral, and his work and recreational activities are directed by the House Tutor and House Officer.

The Apprentice spends four terms, which last 16 months, in H.M.S. *Fisgard*. During the first three terms, he is trained in general craftsmanship, including wood-work, fitting, metal working and machining. He is also taught the rudimentary principles of all types of machinery to be encountered in the Service.

The educational side of the training of Artificer Apprentices is along the broad lines of the Ordinary National Certificate and all apprentices sit the S.1 examination as their final examination in H.M.S. *Fisgard*.

BRANCH AND TRADE SELECTION. At the end of two terms at H.M.S. *Fisgard* the Apprentice is asked which branch he would like to join—Air, Engineering, Electrical, Ordnance or Shipwright. It cannot be guaranteed that he will enter any particular branch, but his wishes and his aptitude are carefully considered. During his last 4 months at H.M.S. *Fisgard* he starts on the specialized work of the branch to which he has been allocated.

Within the Engineering Branch, Apprentices specialize in various trades, namely, metal working, fitting and turning. Here again, consideration is

given to the Apprentice's preference, but his aptitude and the demands of the Service will determine the final choice.

SPECIALIST COURSES. After leaving H.M.S. *Fisgard*, Aircraft Artificer Apprentices join H.M.S. *Condor*, the Royal Naval Artificers' Training Establishment at Arbroath, Scotland, Electrical Artificer Apprentices join H.M.S. *Collingwood*, the Royal Naval Electrical School near Fareham, Hants., and from there Electrical and Radio Electrical Artificer Apprentices (Air) go on to H.M.S. *Ariel*, the Royal Naval Air Electrical School near Winchester, Hants. All other Apprentices go to H.M.S. *Caledonia*, the Royal Naval Artificers' Training Establishment at Rosyth on the Firth of Forth.

At these training establishments, Apprentices devote 2 years and 8 months to advanced training in their own particular trade. They receive both theoretical and practical instruction in the operation and upkeep of the machinery and other equipment of the kind for which they will later be responsible. There will, for instance, be lathe work, the taking to pieces and assembling of engines and pumps, aircraft and electrical components, in addition to lectures in which the function of these machines is explained.

At these specialist training establishments, academic work proceeds in parallel with the technical instruction for most of the time. The brighter apprentice should gain the Ordinary National Certificate in mechanical or electrical engineering or naval architecture according to Branch.

PASSING-OUT EXAMINATION. Naval Artificer Apprentices of each branch have to pass an examination and a practical test set for their branch, and provided they are successful, they are rated Artificer 5th Class, and go to sea. Aircraft Artificers 5th Class, however, are sent to a Naval Air Station for practical training on the servicing and maintaining of aircraft.

Further details are published in the pamphlet "Artificer Apprentices in the Royal Navy" which may be obtained on application to the Director of Naval Recruiting, Admiralty, London, S.W.1, or at any Recruiting Staff Office, R.N. and R.M.

Candidates whose vision can be corrected to normal (6/6) by glasses will not be rejected on the ground of defective eyesight; but such candidates should bring their glasses with them when presenting themselves for medical examination.

The medical examination of the successful candidates will be held as soon as possible after the result of the competitive examination is known.

5. *The Competitive Examination will be held by the Admiralty so far as circumstances permit, in or near the following centres: Alexandria, Antrim, Caerwent, Chatham, Rosyth, Plymouth and Portsmouth. Supplementary centres will be added after the receipt of candidates' applications if the number of candidates in any particular area is sufficient to justify it and arrangements are practicable. ENTRY OF CIVILIAN STUDENT APPRENTICES

EXTRACTS FROM THE REGULATIONS FOR THE ENTRY OF STUDENT APPRENTICES IN THE ROYAL DOCKYARDS AND AIRCRAFT YARDS AT HOME.

1. Vacancies, for boys only, for appointment as student apprentices in the Royal Dockyards at Chatham, Devonport, Portsmouth and Rosyth are open to public competition. Successful candidates assigned to Portsmouth will have the opportunity to transfer to the Royal Naval Aircraft Yard at Fleetlands, Hants., at the end of the first year of their apprenticeship. Examinations for these appointments will normally be held in April of each year; about 50 vacancies will be offered for competition. Candidates will be asked on their application forms to list, in order of preference, the establishments at which they will be willing to serve their apprenticeship. Subject to vacancies being available, successful candidates will be assigned to the establishment of their first choice, but assignment will be made according to the position of candidates in the order of merit. Candidates will not be allowed to change their order of preference or to make any addition to it after the first day of the written examination.

2. *Applications.*—Examinations will be conducted by the Civil Service Commissioners. Intending candidates should write to the Secretary, Civil Service Commission, 6 Burlington Gardens, London,

ENTRY OF CRAFT APPRENTICES WITHOUT WRITTEN EXAMINATION

12. For trial over a period craft apprenticeships will also be offered to boys within the stipulated age limits who satisfy an interviewing Board as to their suitability and are able to perform satisfactorily an intelligence and aptitude test. Notice of entry by interview will be given in the local Press from time to time, and candidates should address their applications to the Head of the Establishment at which they wish to be considered for entry. Boys accepted for apprenticeship by this means will be required to complete a period of 6 months' probationary service. On satisfactory completion of this service indentures will be signed, dated with the original date of their entry.

13. Selection of trades will be permitted so far as vacancies allow, a proportion of the vacancies in each trade being reserved for such entrants.

14. All apprentices entered in this way will commence in the pre-engineering course or Lower School of the Dockyard Technical College. They may at the end of the first or second year be selected for admission to the Ordinary National Certificate Course, having regard to the needs of the Service and their performance in the Lower School.

15. Otherwise their conditions of service and training will be the same as those of examination entrants.

N.B.—The details of the School Training of apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary of the Admiralty (Labour Branch), Bath, or to the Superintendent of one of Her Majesty's Dockyards (see paragraph 1), or Naval Establishments.

The foregoing regulations, which supersede all earlier issues, relate primarily to craft apprenticeships in the shipbuilding and mechanical and electrical engineering departments of the Dockyards, but will also be adhered to as far as practicable in respect of apprentices in the Naval Armament Supply and Naval Works Departments. These regulations will be followed generally; but they are issued for information only and are subject to such modifications as Their Lordships may from time to time consider desirable.

W.1, for application forms as soon as possible after the 1st December of the preceding year. The forms, when filled up, should reach the Civil Service Commission on or before the closing date given on the application form for the competition in question; this will normally be about the end of January or early in February. Paper II (1½ hours). Candidates will be required to summarize a passage and may be asked to answer

questions on it. Other tests in the understanding and use of the language will also be set.

Interview

The purpose of the interview is to test those qualities which may not be revealed by written examination. The interview board will usually consist of three or more interviewers who will question each candidate mainly on his own interests and experience. The board's object is to bring out the candidate's personal qualities and to take account of the range and depth of his interests and the use he has made of his opportunities. Thus the ground covered in the interview will be different for each candidate and a definite syllabus cannot be laid down as for the written examination. Candidates will, however, be expected to have some knowledge of current affairs and matters of everyday interest. The interview should thus present no special difficulty to a boy of average intelligence who takes a normal interest in major topics of the day.

7. Results of Examination.—Candidates will be informed by letter of the result of their examination.

The candidates highest in order of merit will be declared successful, provided they reach the required standard, up to the number of vacancies available.

8. Travelling Expenses.—The Commission will pay travelling expenses within the United Kingdom after the first 7s. 6d. If a candidate has to spend more than this on travel by bus or second class rail from his normal place of residence (or from the place of landing in the United Kingdom in the case of candidates from overseas) to the places of examination and interview, the amount over 7s. 6d. will be refunded. For written examinations the Commissioners will not normally pay more than the cost of travel by bus or second class rail to the nearest centre.

Expenses incurred in travel to this country from abroad cannot be paid by the Civil Service Commission.

Candidates who live within reasonable distance of the places of examination and interview will normally be expected to travel there and back each day. If, however, a candidate lives in the United Kingdom and is obliged to pay for accommodation, or for a sleeping berth on a train or ship, the Commissioners will refund reasonable expenses on evening meal, bed and breakfast up to a maximum of 30s. for each night necessarily spent away from home. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this, expenses on accommodation and meals cannot be refunded.

9. Medical Examination.—Every candidate entered must be in good health and of sound constitution and be free, as far as can be ascertained, from any disease or defect that would unfit him for permanent appointment in the Civil Service. His hearing must be unimpaired, and the sight of both eyes must be sufficiently good for the performance of any duties that may be required of him. He will be required to pass a medical examination.

Candidates whose vision can be corrected to normal (8/6) by glasses will not be rejected on the ground of defective eyesight, but such candidates should bring their glasses with them when presenting themselves for medical examination.

The medical examination of successful candidates will be held as soon as possible after the result of the competitive examination is known.

10. Canvassing.—Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

11. Security.—The Government have decided that no one may be employed in the Civil Service in connection with work the nature of which is vital to the security of the State if he is or has recently been a member of the British Communist Party or of a Fascist organization; or if in such a way as to raise

legitimate doubts about his reliability, he is or has recently been sympathetic to Communism or Fascism, or associated with Communists or Fascists or their sympathizers, or is susceptible to Communist or Fascist pressure.

12. Commencement of Training.—Successful candidates will be expected to start their training early in September of the year in which they compete. Candidates are advised to continue their education until the end of the summer term and to take the appropriate examination, e.g., General Certificate of Education or Stage 1 of the Ordinary National Certificate course.

13. Pay.—The weekly rates of pay of student apprentices are:—

Year	Under 20 s. d.	20 or over s. d.
1st	66 7	—
2nd	90 4	—
3rd	106 10	137 4
4th	127 0	144 1
5th	—	154 7

14. Maintenance Allowance.—Student apprentices who, on first appointment or on subsequent transfer, are required for service reasons to take up duty at a place beyond reasonable daily travelling distance from their homes and in consequence are obliged to live away from their homes, may be paid a maintenance allowance of up to 30s. 0d. weekly.

15. Travel Concessions.—Student apprentices who are employed at a distance from their homes and who are living in lodgings or hostels will be eligible for three free travel warrants (second class) a year. Additional warrants may be issued in certain circumstances.

16. Working Hours.—A five-day week of 44 hours is worked by students in the Royal Dockyards and Aircraft Yards.

17. Leave and Paid Holidays.—Two weeks' annual leave with pay will be granted in addition to Bank Holidays and special Closed Days such as the Queen's Birthday.

18. Sick Pay.—After six months' qualifying service student apprentices are eligible for 13 weeks' sick leave on full pay during any period of 12 months.

19. Deeds.—Student apprentices will be bound by deeds to serve for 5 years, and no candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the deed for the support, etc., of the apprentice during his apprenticeship.

20. Training.—During the first year the student apprentice will be given training of a general nature, including instruction in the use of tools, a knowledge of dockyard and air yard routines, etc. He will then be assigned to one or other of the three main engineering departments of the dockyards, constructive, mechanical engineering and electrical engineering, or to an air yard or to an armament establishment. For the following 2 years he will receive more specialized instruction in the work of the department or establishment to which he has been assigned. The fourth year will consist of instruction in the drawing office. During the fifth year training will be given in the wider aspects of the apprentice's future duties.

21. During the course of the first year's training, the apprentices will be given marks in accordance with the ability they have shown. At the end of the period they will take an examination, and on the results of this examination and the marks obtained during the year, will be deemed qualified to proceed to the next stage of training. Allocation of apprentices to particular departments or establishments will, subject to Service requirements, have regard to the student's abilities and preferences. Any student who does not qualify at the end of the first year will be given the option of discharge or of being transferred to a craft apprenticeship; exceptionally he may be permitted to take again the first year course of a student apprentice.

22. Student apprentices will be expected to show diligence both in their practical and theoretical training, and will be examined at the end of their second third and fourth years. If for special reasons, e.g., sickness, a student fails to reach an adequate standard he may, on the recommendation of his officers, be permitted to repeat the year's course. Repetition of a year's course will, however, only be allowed once during apprenticeship.

23. Student apprentices will be required to qualify at the examination held at the end of the fourth year; to pass, they must obtain at least 40 per cent of the total marks in each subject. Students who fail to qualify in one or two subjects only may be permitted to continue their studies and to be re-examined in those subjects at the end of the following term. Any students who fail to qualify, whether at the original examination or after re-examination, will be liable to be discharged, but subject to recommendation by the Superintendent, may be permitted to complete a full 5 years' training. Any students who leave after a period of training will be given a certificate showing the nature of the training they have received.

24. Outline of Dockyard Technical College Course.—The aim of the student's course in the Dockyard Technical Colleges is to impart a sound, broad-based grounding in fundamental technology. All students will be required to complete this course; advanced specialist training in one particular field—Naval Architecture, Marine Engineering, Electrical Engineering or Aircraft Engineering—will be given partly by professional lectures in the third and fourth years, and partly by advanced work in the fifth year. All students will attend the Dockyard Technical College for 16 hours a week.

25. Employment on Completion of Training.—Immediately on completion of their training all qualified students will be appointed as confirmed draughtsmen, a permanent non-industrial appointment. This is subject to an undertaking in each case that the student is willing to serve with the Admiralty anywhere at Home or Abroad, and a declaration that he has no objection to Military Service on the grounds of conscience. They will also be eligible in due course for transfer to Technical Class Grade III posts. Before appointment in a permanent capacity they will be required to satisfy the Civil Service Commissioners as to their health and other points and to pay the prescribed fee.

Most ex-students will serve for a spell both as draughtsmen and technical class officers in order to obtain experience of both drawing office and practical work before being promoted above the basic grade. Their promotion to Leading Draughtsman or to Technical Class Grade II will be through normal promotion board procedure and without further written examination. When promotion to either Leading Draughtsman or Technical Class Grade II has been gained, the individual officer will not normally thereafter be transferred from the one to the other of these classes, and would secure further advancement by normal promotion board procedure.

Details of the salaries* which are paid to the grades mentioned, and to the higher grades which may be attained, are as follows:—

Per annum	
(a) Draughtsman ..	£ 550— 870
Leading Draughtsman ..	£ 865—1,015

26. *Special training opportunities.*—From students who obtain the highest places in the qualifying examination held at the end of their fourth year (see paragraph 23) and who have suitable personal qualities, a few may be selected for special training as Naval Constructors or Electrical Engineers. Students so selected will be appointed to the Royal Naval Engineering College, Manadon, Plymouth, and subsequently to the Royal Naval College, Greenwich, for an advanced course in naval architecture or electrical engineering, with a view to their eventual entry into the Royal Corps of Naval Constructors, or the corps of Admiralty civilian electrical engineers.

27. Opportunities will also exist for suitably qualified student apprentices to compete for Cadetships in the Executive, Electrical, Engineering and

Supply and Secretariat Branches of the Royal Navy, First Appointments in the Royal Marines, Studentships at the Royal Military College of Science, Shrivenham, particulars of which are announced from time to time, and for posts as Assistant Experimental Officers in the Scientific Civil Service. These will be by means of open competitions conducted by the Civil Service Commission.

28. *Deferment of National Service.*—While deferment to enable apprenticeship to be completed is primarily a matter for the student himself and the Ministry of Labour and National Service, student apprentices will be expected to apply for the grant of deferment to enable them to complete their 5 years' course of instruction before they proceed on National Service.

29. While these regulations will be followed generally, it should be clearly understood that they are subject to such modifications as the Admiralty may from time to time consider desirable.

MENTION-IN-DESPATCHES

A Mention-in-Despatches may be awarded to Officers and Men of the Royal Navy and Royal Marines for courage and resource in operations against the enemy, which is not of so high an order as to merit the award of the Distinguished Service Cross for Officers, or the Distinguished Service Medal for Men.

A Mention-in-Despatches may be awarded posthumously.

QUEEN'S COMMENDATION

The Queen's Commendation may be awarded to Officers and Men of the Royal Navy and Royal Marines for brave conduct on land or at sea or in the air, not in the presence of the enemy, or for gallantry in saving life, where the services are not so outstanding as to merit the award of the British Empire Medal.

Recommendations for the above awards must be made within 2 months of the gallant action, but if the rescues or attempted rescues, occur at a distance from the British Isles this time limit may be extended to 18 months.

The award of the Clasp is not retrospective and only officers serving on the Active List on or after 1st June, 1954, are eligible for the award.

REGULATIONS RESPECTING THE LONG SERVICE AND GOOD CONDUCT MEDAL FOR THE ROYAL NAVAL RESERVE

2. To entitle a man to a Medal, he must be eligible as above and have been recommended for the award by the Registrar-General of Shipping and Seamen.

3. Except as shown in clause 6 service with the Regular Forces, Militia or Special Reserve, will not be allowed to reckon towards the qualifying period, but all service with the Auxiliary Forces, including service qualifying for the Colonial Auxiliary Forces Long Service Medal, will reckon, provided the last 5 years have been served in the R.N.R.

4. Men transferred from the Royal Naval Reserve to the Royal Navy or the Royal Fleet Reserve, and men discharged from the R.N.R. on completion of a term of enrolment or on becoming medically unfit,

who enter the Royal Navy and eventually enrol in the Royal Fleet Reserve, may count service in the Royal Fleet Reserve toward the R.N.R. Long Service and Good Conduct Medal, provided that prior service in the Royal Naval Reserve is declared on entry in the Royal Navy.

5. Men awarded the Royal Naval Reserve Long Service and Good Conduct Medal under the preceding paragraph, who subsequently qualify for the Royal Fleet Reserve Long Service and Good Conduct Medal, will be required to relinquish the former as a condition of the award of the latter.

6. (a) Officers and men who belonged to the permanent R.N.R. on 2nd September, 1939, are allowed to count mobilised time from that date to the date of dispersal or discharge as double time for the purpose of reckoning eligibility for this medal.

commissioned service as double time towards their eligibility for this medal.

(c) Temporary service in the R.N. in response to a call for volunteers, will also count towards the award of this medal.

(d) Service in the Royal Navy on an Extended Service Engagement will reckon towards the medal.

The medal may be awarded during such temporary R.N. service, if due.

7. The requirements in clause 1 that the fourth period of enrolment must have been entered, are abrogated in the case of those coming under the foregoing concessions (Clauses 4, 5 and 6).

8. Men who have been granted the R.N.R. Long Service and Good Conduct Medal, and who have served for a further period which would have again qualified them for an award of a medal, may be awarded a clasp to the original medal. Rosettes (similar to those worn on the ribbon of the 1914 Star), which are issued at the same time as the Clasps, are to be worn on the ribbon of the R.N.R. Long Service and Good Conduct Medal, when the ribbon is worn without the Medal.

9. The Medal may be granted to a Commissioned Officer who has served as a Branch Officer, Petty Officer or man in the R.N.R., on completion of 15 years' combined service. Time reckoning for the medal under this clause cannot, however, also be counted for the Reserve Decoration.

10. Commissioned and Branch Officers of the R.N.R. (Patrol Service) promoted from the lower deck are also eligible for this Medal.

11. Applications, on Form R.V. 74, from Reservists eligible for the award of this Medal are to be forwarded by the Registrar to the Registrar-General for transmission to the Director of Navy Accounts, who

will determine the validity or otherwise of any claim to the Medal.

Deprivation of Medal

12. When the conduct of any Reservist after he has been awarded the Medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Admiral Commanding Reserves. The deprivation will be reported to the Admiralty.

Restoration

13. A man who has been deprived of the Medal for misconduct may have it restored at the discretion of the Admiral Commanding Reserves on completion of 5 years' service with "Very Good" conduct before discharge, or on discharge from the Reserve provided that he has completed at least 3 years' service with "Very Good" conduct.

Loss of Medal

14. When it is desired to replace a Medal which has been accidentally lost, the Reservist to whom the Medal belonged must make a declaration before a Magistrate, or Registrar of Royal Naval Reserve, stating the circumstances in which the loss occurred, together with his rank or rating, name, and number of his certificate book. This declaration will be sent to the Director of Navy Accounts through the Registrar-General, and the Medal will be replaced on payment, if the explanation of its loss is considered satisfactory.

1. The R.N.V.R. Long Service and Good Conduct Medal will be granted to men of the R.N.V.R. after 12 years' qualifying service as defined below, provided that during such service their character has never been assessed below "Very Good." Those who serve for a further period which would again qualify them for the award of a medal may be awarded a clasp to the medal. The clasp may also be granted under the same conditions to officers who have received the medal, provided they are not eligible for the award of the Volunteer Reserve Decoration. The Medal or clasp may be granted to men who have quitted the R.N.V.R., if they are qualified.

2. The following will be allowed to reckon as qualifying service, which need not be continuous:—

- (a) service in the R.N.V.R. as "Efficient."

Temporary service in the Royal Navy, in response to a call for volunteers, will count as single time towards the qualifying period for the award of this medal, and the medal may be awarded during such temporary service, if due.

Service in the Royal Navy on an Extended Service Engagement will reckon towards the medal.

Except as provided above, service with the Regular Forces, Militia or Special Reserve will not count.

- (c) men who belonged to the permanent R.N.V.R. on 2nd September, 1939, are allowed to count mobilised time from that date to the date of dispersal or discharge as double time for the purpose of reckoning eligibility for this medal.
- (d) permanent ratings of the R.N.V.R. who were serving on 2nd September, 1939, and who were subsequently granted Temporary com-

missions in the R.N.R./R.N.V.R. may count their temporary commissioned service as double time towards their eligibility for this medal.

- (g) service from the age of 15 in the ranks of a junior contingent of the Officers' Training Corps, provided the unit formed part of the organisation existing before 21st May, 1910, and the man concerned entered the R.N.V.R. within 6 months of leaving the contingent.
- (h) service from the age of 15 in a Cadet Corps or Cadet Battalion of the Army Volunteers.

3. An Officer who has previously been granted the R.N.V.R. Long Service and Good Conduct Medal, and is subsequently granted the Volunteer Officers' Decoration, may wear both Medal and Decoration.

4. Applications should be made on Form R.N.V. 12 to the Admiral Commanding Reserves who will determine the validity or otherwise of any claim.

5. Deprivation of Medal.—When the conduct of a member after he has been awarded the medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Admiral Commanding Reserves. The deprivation will be reported to the Admiralty.

Note.—When a Reservist is mobilised the rules for the deprivation of the Long Service and Good Conduct Medal, as laid down in Queen's Regulations and Admiralty Instructions, Chapter 19, are to be followed.

6. Restoration of Medal.—A man who has been deprived of the Medal for misconduct may have it restored at the discretion of the Admiral Command-

ing Reserves on completion of 5 years' service with "Very Good" conduct before discharge, or on discharge from the Reserve provided that he has completed at least 3 years' service with "Very Good" conduct.

7. *Loss of Medal.*—When it is desired to replace a medal which has been accidentally lost by the holder, a declaration must be made before a Magistrate, or before a Commissioned Officer of the R.N.V.R., stating the circumstances in which the loss occurred, and the name, rank, and official number of the man to whom the medal belonged.

This declaration will be sent to the Admiralty through the usual channel in the case of a man who is still serving, and direct in the case of one who has retired. The medal will be replaced, on payment, if the explanation of its loss is considered satisfactory.

8. *Rosettes.*—Rosettes (similar to those worn on the ribbon of the 1914 Star), which are issued at the same time as the Clasps, are to be worn on the ribbon of the R.N.V.R. Long Service and Good Conduct Medal, when the ribbon is worn without the Medal.

REGULATIONS RESPECTING THE LONG SERVICE AND GOOD CONDUCT MEDAL FOR THE ROYAL FLEET RESERVE

1. Men of the Royal Fleet Reserve who are not in possession of the R.N. Long Service and Good Conduct Medal are eligible for the award of the Royal Fleet Reserve Long Service and Good Conduct Medal provided that they:—

- (a) have completed at least 15 years' service in the Fleet and Royal Fleet Reserve combined; for this purpose efficient service in the R.N.V.R. (R.M.F.V.R. for Royal Marines) or in the Commonwealth Forces may count as qualifying service;
- (b) have satisfactorily carried out the prescribed training;
- (c) have obtained a character not below "V.G." during the 15 years preceding the award;
- (d) have not been awarded a character below "Good" during any year of their service from the age of 18 (but see Clause 2); and
- (e) are recommended for the award of the medal by the Registrar of the Royal Fleet Reserve.

Men holding the medal who complete a further 15 years' service under the above conditions may be awarded a clasp to the medal.

2. Men whose characters were assessed below "Good" during the first 5 years of their active service from the age of 18 may be specially considered for award of the medal either:—

- (a) After the completion of 15 years' service with continuous "V.G." character, on the ground of having displayed heroism or gallantry in action, or having rendered some special service in time of emergency, subsequently to the assessment of character below "Good," or
- (b) On the ground of having 18 years' service with continuous "V.G." character subsequent to that assessment.

The conditions laid down in clause 1 (a), (b), (c) and (e) will apply to all men. Desertion at any time will render a man ineligible for the award of the medal, except in special circumstances where a man can show the necessary period of service with continuous "V.G." character commencing from the date of recovery from desertion.

3. Men in possession of the Royal Fleet Reserve Long Service and Good Conduct Medal who subsequently re-enter the Royal Navy or Royal Marines

on regular engagements and qualify for the award of the Active Service, Long Service and Good Conduct Medal, will be required to surrender the Reserve Medal on being awarded the Active Service Medal. Similarly, men who possess the Royal Fleet Reserve Medal will be required to surrender it on being subsequently awarded the Royal Australian Navy or the Royal Canadian Navy Long Service and Good Conduct Medal.

4. When the conduct of any man after he has been awarded the medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Commander-in-Chief or the Commandant General, Royal Marines. The deprivation will be reported to the Admiralty.

When reservists are mobilised or re-entered in the Royal Navy, the regulations for the deprivation of the Active Service, Long Service and Good Conduct Medal (Queen's Regulations and Admiralty Instructions, Chapter 19) are to apply equally to the deprivation of the Royal Fleet Reserve Medal.

5. A man who has been deprived of the medal for misconduct may have it restored at the discretion of the Commander-in-Chief or the Commandant General, Royal Marines, on completion of 5 years' service with "Very Good" conduct before discharge, or on discharge from the Reserve provided that he has completed at least 3 years' service with "Very Good" conduct since being deprived of the medal.

6. When it is desired to replace a medal which has been accidentally lost, the man to whom the medal belonged must make a declaration before a Magistrate or Registrar of the Royal Fleet Reserve, stating the circumstances in which the loss occurred, together with his rating, name, class, number in the Reserve, and Royal Naval official number, or Royal Marine register number. This declaration will be sent to the Admiralty through the Registrar of the Royal Fleet Reserve, and the Medal will be replaced, on payment, if the explanation of its loss is considered satisfactory.

7. Medals are to be worn, in conformity with the Regulations for Naval Uniforms (Ratings), with No. 2 dress (or No. 7 in hot climates) on those occasions when the wearing of No. 1 or No. 6 dress is authorised for Active Service ratings, i.e., at inspections and musters, on ceremonial occasions, and on Sundays in harbour. Medals are not to be worn on any other occasion.

GOOD CONDUCT MEDAL AND GRATUITY

Qualification for Award.—The Long Service and Good Conduct Medal represents, with Good Conduct Badges, the highest standard of conduct in the Service and it is important that recommendations for the award of the medal should not be made as a matter of course on completion of the necessary period of qualifying service.

2. *Gratuities.*—Except where otherwise stated, the award of a Good Conduct Medal will carry with it, irrespective of rating, a gratuity of £20, payment of which will be authorised by the Director of Navy Accounts.

3. *Entitlement.*—(a) To be entitled to the award of the Long Service and Good Conduct Medal and Gratuity, a man must:—

- (i) have completed 15 years' pensionable service with continuous "Very Good" character, and with previous character not inferior to "Good" in service which is reckonable for pension purposes. Where character during such service has been assessed as "Good" on the 31st December in any year, time reckoning for the medal will not commence until the 1st January following;
- (ii) have actually re-engaged to complete time for pension (but see clause (b) below regarding ratings on non-continuous service engagements);
- (iii) be in possession of the full number of Good Conduct Badges which he could have earned during his service;
- (iv) be provisionally recommended by the Captain of the ship or the Commanding Officer of the establishment in which he is serving at the time of the application as in every respect deserving of the award.

(b) *Non-Continuous Service.*—Maltese ratings serving on non-continuous service engagements are eligible for the award of the medal and gratuity under the foregoing conditions, except that clause 3 (a) (ii) above is not applicable. Non-European native ratings, may be awarded the medal without gratuity if their records of service and character conform to the requirements for an award under the ordinary rules.

(c) Desertion will render a man ineligible for the award of the medal under the ordinary regulations (see Article 8—Special Recommendations).

4. *Long Service and Good Conduct Gratuities.—Additional Allowance.*—Men awarded the gratuity referred to in Article 2 will also be eligible to earn an additional allowance, which will be payable in a lump sum with the first payment of pension on discharge, at the rate of £1 for each year of qualifying service with "Very Good" character rendered subsequent to the award or restoration of the medal.

- (a) A rating who is promoted to officer after the award of the medal and gratuity will be allowed, on confirmation in rank, to receive payment of any additional allowance that may have been earned up to the date of his promotion.
- (b) Service during which a "Good" character is awarded will not count as qualifying service for the additional allowance, notwithstanding that the man may not have been deprived of the medal.
- (c) When a man is deprived of or forfeits his medal he will forfeit the additional allowance already accrued. If the medal is restored before he is pensioned, the amount earned subsequently to the date of restoration only will be awarded.

(d) When a man is invalided after having been awarded the medal and gratuity, and before completion of the full time for pension, he will be granted any additional allowance that may have been earned up to the date of his discharge.

(e) Any man who voluntarily quits the Service after the award of the medal and gratuity, and before becoming entitled to a pension, will forfeit all claim to any additional allowance that may have been earned.

(f) Where a man who has been discharged to pension is permitted to re-engage for a further period of service subject to relinquishment of pension, such further service will be allowed to count for purposes of the additional allowance under the usual regulations, provided that the man is qualified in all respects for this allowance.

5. *Long Service and Good Conduct Gratuities and Additional Allowances of Dead Men.*—If a man should die after the award of his medal any gratuity or additional allowance to which he may be entitled will be paid to his widow, or next-of-kin if dependent upon him.

6. *Breaks in Service.*—A break in service not due to desertion, dismissal, sentence of imprisonment, or other misconduct on the man's part, will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for the medal and gratuity, provided that he rejoins within 5 years or, if invalided, as soon as the state of his health permits, or if approval has been given to bridge the break in service of more than 5 years.

7. *Recommendations to the Admiralty.*—(a) The names of men provisionally recommended for medals and gratuities, are to be sent to the Director of Navy Accounts on Form S.218, accompanied by their Service Certificates or certified copies thereof, in sufficient time to allow for verification of entitlement and preparation of the medal (normally one calendar month), and for approval to be received and presentation to be made on the date when the award is due.

(b) Recommendations for Royal Marine ranks disembarked are to be forwarded through the Director of Pay and Records, Royal Marines.

8. *Special Recommendations.*—(a) If a man has the essential service qualification of 15 years with continuous "Very Good" character in accordance with the foregoing articles but is ineligible for the award of the medal under the ordinary regulations, the Admiralty will consider any recommendation for a special award of the medal on the grounds that the man has displayed heroism or gallantry in action or has rendered some special service in time of emergency, during service qualifying for the medal and subsequent to the lapse which disqualifies him under the ordinary rules. The recommendation should be made by letter submitted through the Commander-in-Chief or Flag Officer or for a Royal Marine serving on shore through the Director of Pay and Records, stating fully the circumstances in which the application is made.

(b) A recommendation for a man who has a record of 18 years' qualifying service with continuous "Very Good" character will also be considered although he may be disqualified under the ordinary regulations.

9. *Presentation of Medal and Gratuity.*—(a) When the approval of the Admiralty has been received, the medal is, if possible, to be presented by the Captain before the ship's company or for Royal Marines by the Commanding Officer on parade. The gratuity is to be paid on the authority which will be issued by the Director of Navy Accounts. In no circumstances

is the medal to be presented or the gratuity to be paid before the date on which the award is due.

(b) The award of the medal and gratuity is to be noted on the Service Certificate. In order that the possession of the medal may not be overlooked when consideration is being given to deprivation of a Good Conduct Badge, the award of the medal is to be noted at the foot of the Badge column in addition to the Medals section of the Service Certificate.

10. *Misconduct Pending Presentation.*—(a) If a man's conduct should not have been satisfactory in the interval between the date on which he is provisionally recommended for the medal and the date on which the award would normally be due, the Admiralty is to be informed by signal. The medal will not be awarded and, if received in the ship, is to be returned with the authority for payment of the gratuity to the Admiralty, and the circumstances explained.

(b) If the presentation of the medal is for any reason delayed beyond the date on which the award is due, and misconduct (other than a trivial offence not breaking the continuity of a man's "Very Good" conduct or "V.G." character) occurs in the interval, the medal is to be withheld and particulars reported to the Commander-in-Chief or Flag Officer (or, for Royal Marines serving on shore, the Commandant General, Royal Marines). Unless the punishment awarded automatically involves loss of the medal, the report is to state whether or not deprivation of the medal would have been proposed had it been in the man's possession at the time of the punishment. If the report is to the effect that deprivation would have been proposed or if the misconduct, or the punishment awarded for it, would have involved the loss of the medal under Q.R. & A.I., Chapter 19, the Commander-in-Chief or Flag Officer (or, for Royal Marines serving on shore, the Commandant General, Royal Marines), may direct that the medal should be regarded as awarded on the due date and deprived in accordance with that Chapter, unless such a course is considered inappropriate, when the matter will be reported to the Admiralty. In other cases the medal should be awarded as from the due date (but, if the man has lost a good conduct badge, not actually presented until the badge is restored) and retained, despite the intervening misconduct. In either event, award of the medal will carry with it payment of the gratuity.

Note.—The rules about restoration of the G.C. Medal are contained in the Queen's Regulations and Admiralty Instructions, Chapter 19.

11. *First Clasp.*—A man holding the medal who completes a further 15 years' service on any kind of Royal Naval engagement, T.124 and variants excepted, with the character qualification required for the original award may be awarded a clasp to the medal. The award of the clasp will not entitle the recipient to any further gratuity or pension addition. Applications for the award are to be made on Form S.218 endorsed "CLASP ONLY," and forwarded as directed in clause 7, accompanied by the Service Certificate or a certified copy thereof.

12. *Second Clasp.*—A man holding the medal and clasp who completes a further 15 years' service under the same conditions required for the award of the first clasp, may be awarded a second clasp to the medal. Applications for the award are to be made on Form S.218 as directed above.

Note.—Pensioners are not debarred from counting the additional service for the award of the clasps.

13. *W.R.N.S. Ratings.*—W.R.N.S. ratings will qualify for the medal and clasp under the same conditions as for men. The gratuity will however, be £17 and the additional allowance 17s. 0d. a year.

MERITORIOUS SERVICE ANNUITIES AND MEDALS (ROYAL MARINES)

A sum not exceeding £400 a year is placed at the disposal of the Admiralty to be distributed in annuities not exceeding £20, as rewards for distinguished and meritorious service. This award was open either before or after discharge to Senior Non-Commissioned Officers of the Royal Marines who had completed 21 years' service, or had been granted a life pension on account of wounds or hurts received in action or otherwise in the execution of duty.

2. As Royal Marines receive the L.S. and G.C. gratuity of £20, they are no longer eligible for this award. The Meritorious Service Medal has been awarded to all ranks who were registered in the Department of the Commandant General Royal Marines on 16th May, 1947, and no further awards will be made. Those to whom the Medal has been awarded remain eligible for the annuity and awards will be made, as and when vacancies occur.

3. The Medal and annuity are liable to forfeiture by recipients on conviction of treason, sedition or mutiny.

1. This Schedule related to Officers' service retired pay, or the service portion of disability retired pay, awarded or assessed under the provisions of Orders in Council of the 2nd January, 1920, and 11th October, 1923, 4th May, 1935, and in subsequent Orders in Council, authorising scales of service retired pay or service portions of disability retired pay based upon the consolidated rates of retired pay authorised by Order in Council of the 4th May, 1935; including also additional Retired Pay granted to Retired Officers in respect of certain salaried appointments, under the provisions of Orders in Council of 18th December, 1921, 26th May, 1925, and 23rd July, 1931, and subsequent amending Orders in Council, and to Service Retired Pay assessed on any consolidated scale introduced not earlier than 1935 and not later than 18th December, 1945, but shall not apply to retired pay granted to certain Officers retired under the Special Retirement Schemes sanctioned by Orders in Council of the 14th July, 1922, and 16th January, 1924, whose retired pay was specifically exempted from subsequent periodical review.

It also related to pensions payable under Order in Council of the 27th October, 1936, and previous Orders relating to Riggers and Yardcraft personnel and to pensions payable under Order in Council of the 27th October, 1936, and previous Orders relating to certain Shipwrights, except that it does not relate to any such pensions payable by reason of death or retirement before the 21st February, 1922, nor retired pay awarded or assessed at men's pension rates.

2. Such awards, excluding any increase admissible under the First Schedule hereto, may be increased by 10 per cent.

Where an increase of the award is admissible under the provisions of the First Schedule, the amount of the latter increase shall be limited to the excess, if any, over the increase authorised by this paragraph.

3. Any pension increased or further increased under paragraph 2 of this Schedule shall, as so increased, be regarded for the purposes of the Pensions Increase Scheme, 1952, as if assessed under the regulations in force before the 1st September, 1950.

5. In relation to an award which is, or would but for this paragraph be, increased by virtue of paragraphs 1 and 2 of this Schedule, shall have effect as if the references in paragraph 3 of the General Provisions in Schedule III to such an addition, included any excess of the said emoluments over

what they were on the 3rd September, 1939, or what in the opinion of the Admiralty they would have been on that day had the office or employment then existed; so, however, that no pension shall by virtue of this paragraph be less than it would have been if this paragraph had not been introduced.

SCHEDULE III

Special Provisions

1. The retired pay of an Officer who, under regulation in force prior to Orders in Council of the 22nd January, 1920, was granted a higher rate of retired pay than that for which he would have been eligible under the provisions of that Order, shall not be increased under the provisions of Schedule II to an amount greater than that for which he would have been eligible had he been granted the appropriate rate under the provisions of the said Order in Council.

General Provisions

1. Where the amount to which a pension may be increased is less than the amount to which the pension might have been increased had it been smaller, the pension may be increased to the latter amount.

2. In calculating, for the purpose of Orders in Council of the 13th August, 1920, or the 8th December, 1924, the amount of any pension, any increase for which provision is made by this Order in Council shall be disregarded, and where the amount of any pension has been increased under the aforesaid Orders of the 13th August, 1920, or the 8th December, 1924, or by any other corresponding enactment, the increase for which provision is made by this Order in Council shall be calculated upon the amount of the pension as so increased.

3. Where a pension has been increased by virtue of any addition since the 3rd September, 1939, to the emoluments of any office or employment in respect of which, or on retirement from which, the pension is payable, and the said addition was an addition by way of war bonus or other similar allowance, the increase authorised under the First and Second Schedules shall be calculated as if the pension had not been increased by reason of the said addition, and

(a) if the amount of the increase authorised under these Schedules, when so calculated as aforesaid, is equal to or less than the amount by which the pension has been increased by reason of the said addition, the pension shall not be increased under these Schedules; and

(b) in any case, the amount of the increase authorised by these Schedules, after being so calculated as aforesaid, shall be reduced by the amount by which the pension has been increased by reason of the said addition.

3A. (i) Where the amount of a pension is determined by reference to a rate of emoluments received on or after 1st April, 1947, or by reference to an average rate of emoluments received over a period of service beginning on or after 1st April, 1946, no increase of the pension shall be payable under these Schedules.

(ii) Where the amount of a pension is determined by reference to an average rate of emoluments received over a period of service (later referred to as "the relevant service") part of which was served before 1st April, 1946:—

(a) For the purpose of calculating the amount of any increase under these Schedules, the pension shall be deemed to be of the like amount as the pension which could have been granted if it had fallen to be determined by reference to the average rate of emoluments received over so many years of the relevant service as were begun before 1st April, 1946;

- (b) The amount of the increase which could be granted apart from this sub-paragraph (b) shall be reduced in the proportion which the relevant service less the years begun as aforesaid, bears to the whole of the relevant service.

4. Where part of a pension has been surrendered by the pensioner for the purpose of enabling a grant to be made of a pension to the wife or husband of the pensioner under any arrangement whereby a pension is payable to the wife or husband of the pensioner during the pensioner's lifetime, then for the purpose of determining the percentage by reference to which the authorised increase of each of these pensions is to be calculated under the First and Second Schedules,

each of the pensions shall be deemed to be of an amount equal to the aggregate of the two pensions.

5. Any general conditions attaching to the grant or continuance of retired pay or pension under Naval Regulations shall also apply to the grant or continuance of any increase to such retired pay or pension awarded under the provisions of this Order in Council.

6. Except where express provision to the contrary is made, no increase of pension under the First or Second Schedules above shall be admissible in the case of a pension awarded or assessed under any Scheme brought into operation on or after 19th December, 1945, or re-assessed in respect of war service under any such Scheme.

3. In the case of Officers' retired pay assessed under regulations having effect from a date after 31st

SCHEDULE III

Any general conditions attaching to the grant or continuance of a pension shall also apply to the grant or continuance of any increase to that pension awarded under Schedules I or II hereof.

August, 1950, where the award takes into account service in ranks or equivalent ranks above that of Commander, the increase shall be the following percentage of the basic pension:—

Provisions regarding the calculation of the increase

Where an Officer's retired pay has been re-assessed in respect of war service, the basic pension shall be the award as so re-assessed and currently in payment, notwithstanding that Pensions Increase may have been imputed in its calculation, but alternatively the Officer may, in place of the re-assessed award, receive the retired pay and increase (including increases under former Pensions Increase Orders-in-Council) otherwise admissible.

Where men's service pensions have been re-assessed in respect of 1939–45 War service the basic pension shall be the award as so re-assessed and currently in payment.

6. Where any part of a pension is commuted after 31st March, 1956, the amount so commuted may nevertheless be included, as if it were still part of the pension, in assessing the increase permissible.

7. The grant of an increase of pension under this Schedule shall not affect entitlement to increase of pensions under former Pensions Increase Orders-in-Council and any increase granted under this Schedule shall be disregarded in assessing the increase admissible under those Orders-in-Council.

8. Where the terms of any former Pensions Increase Orders-in-Council require that, for the purpose of determining the rate of increase payable severally on a pension and on some other pension drawn by the same individual, the awards shall be aggregated, the rules for such aggregation, and for the allocation of the total permissible increase between the pensions, shall be as provided in the Pensions Increase Act corresponding to that Order-in-Council (as amended by the Pension Increase Act, 1956).

SCHEDULE II

Special Provisions

The retired pay and additional retired pay granted to Officers in respect of service in certain salaried appointments made under the provisions of Orders-in-Council dated 13th December, 1921, 26th May, 1925 and 23rd July, 1931, and subsequent amending Orders-in-Council, may be increased as follows:—

- (b) where the total under (a) above is wholly or partially excluded from further increase by reason of the date of final retirement or the

amount of retiring salary, the minimum increase will be the amount of increase which could be given on the rate of retired pay awarded for service on the active list.

- 2. In the case of the pensions specified at (d), (e), (f), (g) and (m) of Schedule I the award may be increased only to the extent to which a corresponding award under the Superannuation Acts would have been increasable under the provisions of the Pensions (Increase) Act, 1956.

- 2. The expression "the relevant date" in Schedule I means 1st January, 1950 when the pension is calculated on average pay and emoluments of £1,500 a year or more and 1st April, 1954 in all other cases.

(4) Where, upon reliable evidence, a reasonable doubt exists whether the conditions set out in paragraph (1) of this Article are fulfilled, the benefit of that reasonable doubt shall be given to the claimant.

(8) The foregoing provisions of this Article shall, where appropriate, apply in relation to women members of the naval forces, any reference to a rank being treated as a reference to a status equivalent to that rank.

10. *Determination of degree of disablement.*—(1) Subject to the following provisions of this Order, the degree of the disablement due to service of a member of the naval forces shall be assessed by making a comparison between the condition of the member as so disabled and the condition of a normal healthy person of the same age and sex, without taking into account the earning capacity of the member in his disabled condition in his own or any other specific trade or occupation, and without taking into account the effect of any individual factors or extraneous circumstances:

Provided that, where such disablement is due to more than one injury, a composite assessment of the degree of disablement shall be made by reference to the combined effect of all such injuries.

(2) The degree of disablement assessed as aforesaid shall be certified by way of a percentage, total disablement being represented by 100 per cent. (which shall be the maximum assessment) and a lesser degree being represented by such percentage as bears to 100 per cent. the same proportion as the lesser degree of disablement bears to total disablement, so however, that a degree of disablement of 20 per cent. or more shall be certified at a percentage which is a multiple of 10, and a degree of disablement which is less than 20 per cent. shall, except in a case to which Table 1 in the Third Schedule applies, be certified in the manner required by Table 2 or 3 in that Schedule.

(3) Where a disablement is due to an injury specified in the First Schedule or is a disablement so specified, and, in either case, has reached a settled condition, the degree of that disablement shall, in the absence of any special features, be certified for the purposes of this Article at the percentage specified in that Schedule as appropriate to that injury or to that disablement.

(4) Where a member of the naval forces has sustained a minor injury specified in Table 1 in the Third Schedule, as well as some other disablement due to service, the degree of which is less than 100 per cent., and a composite assessment of the degree of the disablement from both causes is no higher than the assessment for the other disablement alone, this Article shall have effect so as to authorise an award under Article 12 in respect of the minor injury as well as an award under Article 11 or 12 in respect of the other disablement.

(2) An allowance under this Article to a widow in receipt of a pension under Article 28 shall not exceed the amount by which the pension, together with any allowances awarded to her under the following provisions of this Part in respect of children, falls short of the amount which her husband was, throughout any such period as is mentioned in Article 28 (1)

(b) "weekly rent and rates" means such sum as the Minister may, after taking into account all relevant factors and making all necessary apportionments, consider to be the weekly amount which the widow or unmarried dependant is paying or providing either directly or indirectly in respect of rent, or the equivalent thereof, and rates for accommodation for the benefit of herself and the child;

(c) "accommodation" means living accommodation without any service or benefit not ordinarily provided by the landlord to the tenant of an unfurnished dwelling house, but may include accommodation reasonably required for the storage of furniture.

(4) Where the widower of a woman member is alive, no allowance shall be awarded under this Article in respect of any child of whom the widower is the father or who has been legally adopted by the widower unless the conditions for the award under Article 31 or 36 of a pension to the widower in respect of the death of the member are fulfilled. In this paragraph the word "widower" includes a person married to the member after the material date.

(5) Where:—

- (a) a child of a male member, including a child to whom Article 1 (5) (e) applies, is not under the control of the child's mother or of a person who is or has been in receipt of a pension under Article 26, 28 or 29, in respect of the death of the member; or

Provided that, in the case of a male member, a pension under this Article to a child to whom Article 1 (5) (e) applies shall be at such rate as the Minister may determine, but shall not exceed the rate which would be appropriate under the foregoing provisions of this Article.

34. Awards to or in respect of children over the age limit.—(1) An allowance in respect of, or a pension to, a child of a member of the naval forces may be awarded, or an award of such an allowance or pension may be continued, subject to the following provisions of this Article, after the child has attained the child's age limit where the child:—

- (a) is a student or an apprentice; or
- (b) is incapable of self-support by reason of an infirmity which arose before he attained the child's age limit;

and the circumstances are such, in the opinion of the Minister, as to justify the award or its continuance.

(2) Subject to paragraph (3) of this Article, an allowance or pension so awarded or continued shall be at the rate and subject to the conditions laid down in the foregoing provisions of this Part.

(3) Where a child in whose case the conditions of Article 32 (5) or 33 are fulfilled has attained the age of 18 years and is incapable of self-support by reason of an infirmity which arose before he attained the child's age limit, the allowance or pension may be awarded at, or if already awarded increased to, a rate not exceeding £130 a year in the case of an Officer's child or 50s. a week in any other case.

Provided that, where the widow, unmarried dependent living as a wife, or widower of a member is in receipt of a pension under this Part, a pension shall not be awarded under this Article unless the parent was dependent on the member.

(2) In determining whether and to what extent a parent is in pecuniary need, the Minister shall take into account the extent to which the member before and during his service supported the parent, and the extent to which the member, if he had not died, would have been likely, in the opinion of the Minister, to support the parent thereafter.

(3) The rate of a pension under this Article shall be not less than £15 a year where the member was an Officer, or 5s. a week in any other case, and shall not exceed:—

Provided that, where the parents of the member are not living together, a pension may, if the Minister thinks fit, be awarded to each of them, so, however, that the aggregate rate of the pensions shall not exceed the maximum rate at which a pension under this Article may be awarded.

38. *Pensions to other dependants.*—(1) Subject to the following provisions of this Article, any other dependant of a member of the naval forces may be awarded a pension if he was dependent on the member and is in pecuniary need and incapable of self-support:

Provided that:—

(3) Where a pension awarded under Article 26 or 28 to the widow of a rating (not being the widow of a sergeant-major of the Royal Marines) ceases on her marriage, a gratuity equal to one year's pension may be awarded to her.

- (b) if and for so long as it is to his advantage, the appropriate award under Article 11, the degree of disablement being assessed as in sub-paragraph (a) of this paragraph.

(4) Subject to the provisions of this Article, where the existing award of an Officer with a previous pension is in respect of disablement and contains no element in respect of service, he may be granted, in lieu of the existing award, the appropriate award under Article 11, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service.

(5) Where, in the case of an officer to whom paragraph (3) or (4) of this Article applies, the disablement due to service is a minor injury specified in Table 1 in the Third Schedule, and the existing award is not increased by the re-assessment of the degree of disablement by reference to the combined effect of all the injuries which are due to service and to his previous service, the Officer may be granted in addition to the existing award the appropriate gratuity under Article 12.

47. Regular ratings.—A regular rating (not being a rating to whom Article 48 applies) may be granted the appropriate award under Article 11 or 12, in addition to any award in respect of service or rank (or both) for which he is eligible under the principal Regulations.

48. Ratings with previous pension.—(1) In this Article "rating with a previous pension" means a rating who, during his service, was in receipt of a pension or similar grant in respect of service in the Navy, Army or Air Force, and includes a rating who has, since the termination of his service, been awarded a pension or similar grant in respect of service before 3rd September, 1939, in the Navy Army or Air Force.

(2) Where the existing award of a rating with a previous pension contains no element in respect of disablement, he may be granted, in addition to the existing award, the appropriate award under Article 11 or 12.

(3) Where the existing award of a rating with a previous pension is wholly or partly in respect of disablement, he may be granted, in addition to any service element (including any rank element) of the existing award, but in lieu of the element thereof in respect of disablement, the appropriate award under Article 11, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service.

(4) Where the disablement due to service of a rating with a previous pension is a minor injury specified in Table 1 in the Third Schedule, and the existing award is not increased by the re-assessment of the degree of disablement by reference to the combined effect of all the injuries which are due to service and to his previous service, the rating may be granted in addition to the existing award the appropriate gratuity under Article 12.

49. Commuted awards.—Where a member of the naval forces has commuted any part of his previous award or of any element thereof, the amount commuted shall be deducted from any award made under this Order in lieu of the previous award or element.

210 MINISTRY OF PENSIONS AND NATIONAL INSURANCE —DISABLEMENT, ETC., PENSION REGULATIONS

50. *General provision relating to awards under Part VI.*—Any retired pay, pension, gratuity, disablement addition on a pension basis or disablement addition on a gratuity basis awarded under this Part shall be treated as retired pay or pension awarded under Article 11 or, as the case may be, as a gratuity awarded under Article 12, for the purpose of any reference in any other provision of this Order to retired pay, pension or gratuity awarded under those Articles, and shall be treated as retired pay or pension for the purpose of Part IV:

Provided that:—

- (a) any award under Article 13 in respect of an eligible member of the family shall be based upon the degree of the disablement which is due to service, so, however, that, where an allowance in respect of that eligible member is being paid as part of the existing award, the aggregate rate of the allowances in respect of that member shall not exceed the rate at which an allowance in respect of that member would be paid if all the injuries had been due to service;
- (b) except for the purposes of an award under Article 15, the reference in this Article to retired pay awarded under this Part shall be treated as excluding retired pay awarded under this Part at the half-pay rate.

Part VII.—General Provisions

51. *Interpretation of Part VII.*—In this Part of this Order, except where the context otherwise requires, the expression "pension" means any retired pay, pension, allowance or other continuing benefit under this Order, and the expression "gratuity" means any gratuity under this Order.

52. *Adjustment of awards in respect of other compensation.*—(1) Where the Minister is satisfied that compensation has been or will be paid to or in respect of a person to or in respect of whom a pension or gratuity is being or may be paid or that any compensation which has been or will be paid will benefit such a person, the Minister may take the compensation into account against the pension or gratuity in such manner and to such extent as he may think fit and may withhold or reduce the pension or gratuity accordingly.

(2) Where the Minister in any case considers that it is by reason of some act or omission by or on behalf of a person to or in respect of whom a pension or gratuity is being or may be paid that:—

- (a) there is no compensation to be taken into account against that pension or gratuity under paragraph (1) of this Article; or
- (b) the amount of compensation so to be taken into account against that pension or gratuity is less than it would otherwise have been;

and the Minister is of the opinion that such act or omission was unreasonable, the Minister may assess the amount of the compensation which, in his opinion, would have fallen to be taken into account as aforesaid but for such act or omission, and may, for the purpose of paragraph (1) of this Article, treat the amount so assessed as if it were compensation which could be taken into account under that paragraph against that pension or gratuity.

(3) In this Article "compensation" means:—

- (a) any periodical or lump sum payment in respect of the disablement or death of any person, or in respect of any injury, disease or incapacity sustained or suffered by any person, being a payment:—
 - (i) for which provision is made by or under any enactment, Order in Council (including this Order), Warrant, Order, scheme, ordinance, regulation, or other instrument;

(ii) which is recoverable as damages at common law; or

- (b) any periodical or lump sum payment which, in the opinion of the Minister, is recoverable or payable:—

(i) under any enactment, scheme, ordinance, regulation or other instrument whatsoever promulgated or made in any place outside the United Kingdom; or

(ii) under the law of any such place; and is analogous to any payment falling within sub-paragraph (a) of this paragraph; or

- (c) any periodical or lump sum payment made in settlement or composition of, or to avoid the making of, any claim to any payment falling within sub-paragraph (a) or (b) of this paragraph, whether liability on any such claim is or is not admitted.

53. *Pensioners admitted to institutions.*—Where any person to or in respect of whom a pension or gratuity may be or has been awarded is being maintained in an institution which is supported wholly or partly out of public funds, otherwise than for the purpose of receiving medical, surgical or rehabilitative treatment for a disablement in respect of which a pension or gratuity may be or has been awarded, the Minister may deduct from the pension or gratuity such amount in respect of the maintenance of the person in the institution as he may think fit having regard to all the circumstances of the case, and may pay the amount so deducted to that authority.

54. *Chelsea pensioners.*—Where a member of the naval forces is, by virtue of previous service in the military forces, admitted to Chelsea Hospital as an in-pensioner, his pension shall cease but may be restored in the event of his leaving that Hospital.

55. *Children whose maintenance is otherwise provided for.*—(1) A pension which may be or has been awarded to or in respect of a child may be withheld, or reduced to such an extent as the Minister may think fit, where periodical payments out of public funds are being made to or in respect of the child or the child is being maintained in the Navy, Army or Air Force or in any institution wholly or mainly supported out of public funds.

(2) A pension which may be or has been awarded to or in respect of a child of a woman member of the naval forces, or to or in respect of an illegitimate child of the wife or widow of a male member, or to or in respect of a foster-child who is illegitimate, may be reduced by the amount of any contributions to the support of the child which are being made by, or which it would be reasonably practicable to obtain from, the father of the child, or, as the case may be, the widower of a woman member.

(3) In this Article "child" includes any person who is for the purposes of any provision of this Order to be treated as a child to or in respect of whom a pension may be or has been awarded.

56. *Payment of public claims out of pensions.*—

Where the Minister is satisfied that a sum is due to the Crown, a Secretary of State, a Minister or a Government Department from a person to or in respect of whom a pension or gratuity may be or has been awarded, or that an overpayment has been made to or in respect of any such person by the Crown, a Secretary of State, a Minister or a Government Department, the Minister may deduct from the pension or gratuity in respect of that sum or overpayment such amounts and at such times as he may think fit and may apply the amounts so deducted in or towards paying or repaying that sum or overpayment.

57. *Administration of pensions, etc.*—(1) A pension or gratuity awarded to or in respect of any person may be administered by the Minister if that person:—

MINISTRY OF PENSIONS AND NATIONAL INSURANCE 211

—DISABLEMENT, ETC., PENSION REGULATIONS

- (a) has not attained the age of 21 years; or
- (b) is, in the opinion of the Minister, incapable of managing his own affairs by reason of mental infirmity; or
- (c) is being maintained in an institution to which Article 53 applies; or
- (d) is a person in whose case the award can be forfeited or has been restored under Article 58;

or if, in any other case, the Minister considers that it is in the interests of that person that it should be so administered.

(2) A pension or gratuity which is being administered under this Article may, as to the whole or such part thereof as the Minister thinks fit and at such times as he thinks fit, be applied for the benefit of the person to or in respect of whom it has been awarded or be paid to any person whom the Minister considers a fit and proper person so to apply the same.

58. *Forfeiture of pensions, etc.*—(1) Where a person to or in respect of whom a pension or gratuity may be or has been awarded:—

- (a) is, in pursuance of a sentence or order of a Court upon his being found guilty of an offence, serving a term of imprisonment, detention, preventive detention or corrective training, or detained in a Borstal institution, approved school or remand home; or
- (b) is under any enactment deported from, required to leave, or prohibited from entering the United Kingdom or the Isle of Man, or is a person whose certificate of naturalisation has been revoked; or
- (c) being a person to or in respect of whom an award of a pension or gratuity may be or has been made under Part V of this Order, is, in the opinion of the Minister, unworthy of a grant from public funds;

the Minister may withhold the award of the pension or gratuity or, if it has been awarded, may direct that it shall be forfeited as from such date (including any past date) as he may think fit.

(2) The Minister may, upon such terms and as from such date (including any past date) as he thinks fit, restore, either in whole or in part, a pension or gratuity forfeited under this Article.

59. *Refusal of treatment.*—(1) Where it is certified that a member of the naval forces should in his own interests receive medical, surgical or rehabilitative treatment for a disablement in respect of which a pension may be or has been awarded to him, and the member refuses or neglects to receive the treatment, the Minister may, if he considers that such refusal or neglect is unreasonable, reduce any pension in respect of the member's disablement by such an amount, not exceeding one-half of any such pension, as he may think fit.

(2) For the purpose of this Article, any misconduct on the part of the member which, in the opinion of the Minister, renders it necessary for any treatment that he is receiving to be discontinued, may be treated as a refusal of the member to receive the treatment.

60. *Failure to draw pension.*—Where a person fails for a continuous period of not less than 12 months to draw his pension, the award may be cancelled and payment of any arrears may be withheld:

Provided that the Minister may, in any particular case, restore the award and pay the arrears either in whole or in part.

61. *Arrears.*—Except in so far as the Minister may otherwise direct with respect to any particular case

or class of case, payment of a pension shall not be made in respect of any period preceding the date of the application or appeal as a result of which the claim to the award of the pension, or as the case may be, to the continuance or resumption of the payment of the pension, is accepted.

62. *Payment of pensions.*—Payment of a pension under this Order may be made provisionally or upon any other basis and for such period as the Minister may think fit and, except as the Minister may direct either generally or in any particular case or class of case, a pension awarded in terms of a weekly amount may be paid weekly in advance and a pension not awarded in such terms may be paid quarterly or monthly in arrear.

63. *Review of awards, etc.*—(1) Where the Minister makes a final assessment of the degree or nature of the disablement of a member of the naval forces, or a final decision that there is no disablement or that the disablement has come to an end, any award under Article 11 or 12 made on the basis of that assessment, or any such final decision, shall not, subject to any decision given by a Tribunal under the Pensions Appeal Tribunals Acts, 1943 and 1949(a), and to the provisions of this Part, be reviewed unless:—

- (a) in the case of a final assessment, there is a substantial increase in the degree of disablement which is due to service; or
- (b) in the case of a final decision, there is a substantial degree of disablement which is due to service; or
- (c) the rate of the pension or other grant has by error been fixed at a figure which is not appropriate under this Order to the assessment of the degree or nature of the disablement; or
- (d) the award of the pension or other grant has been made by error; or
- (e) the Minister has reason to believe that the award has been obtained by improper means.

(2) Any award under this Order (other than an award made on the basis of such a final assessment as aforesaid) may, subject to any decision given by a Tribunal under the Pensions Appeal Tribunals Acts, 1943 and 1949(a), be reviewed at any time on any of the grounds specified in paragraph (1) of this Article, or on any other ground which, in the opinion of the Minister, having regard to the provisions of this Order, necessitates its review.

(3) On any review under this Article the Minister may continue or vary the award, or make a fresh award in place of it, or cancel it, or in the case of such a final decision as is mentioned in paragraph (1) of this Article may make an award as may be appropriate having regard to the provisions of this Order.

64. *Power to dispense with probate.*—(1) Where a person to whom any payment could have been made under this Order before his death dies before the payment is made, and the amount unpaid does not exceed £100, the amount so unpaid may be paid to the personal representative of the deceased person without probate or other proof of title, or may be paid or distributed to or among the persons appearing to the Minister to be the persons beneficially entitled to the personal estate of the deceased person, or to or among any one or more of those persons, and, in determining the persons to whom and the proportions in which the amount so unpaid shall be paid or distributed, the Minister may have regard to any payments made or expenses incurred by any such person for or on account of the funeral of the deceased person.

65. *Administration of this Order.*—This Order shall be administered by the Minister or, as to any particular provision thereof which he may select, by such other person or body acting under his directions as he may direct, and, except as otherwise provided by statute, the Minister shall be the sole interpreter of this Order and shall be empowered to issue such instructions with reference thereto as he may from time to time deem necessary.

66. *Transferred powers.*—Nothing contained in this Order shall prejudice or affect any power transferred to the Minister under Section 1 of the Pensions (Navy, Army, Air Force and Mercantile Marine) Act, 1939 (b).

67. *Commencement of this Order and revocation of previous Orders.*—(1) Subject to the following provisions of this Article, this Order shall be deemed to have come into operation on the 1st June, 1949, in place of the Order of the 4th June, 1946(c) and the two Orders of the 21st May, 1947, which shall cease to have effect from the 1st June, 1949, in respect of any period after that date.

- (b) where an allowance has been continued by virtue of sub-paragraph (a) of this paragraph until the death of the member of the naval forces, an award may be made under Article 28 of the Order of the 4th June, 1946, if and for so long as the conditions for an award under that Article are fulfilled;
- (c) an award may be continued under Article 28 (4) of the Order of the 4th June, 1946, to an unmarried dependant living as a wife if, on the 31st May, 1949, she was in receipt of a pension under Article 28 (2) or 28 (3) of the said Order and, on the expiration of the period of 12 months beginning with the date of the member's death, or at the date when she ceases to have in her charge a child of the member and to receive an allowance in respect of that child under the provisions of Part V of this Order, as the case may be, she is in pecuniary need and incapable of self-support.

(3) Subject to the provisions of the next following paragraph, in no case shall there be an onus on any claimant under this Scheme to prove that disablement or death is directly attributable to the relevant qualifying injury or detention, and the benefit of any reasonable doubt on those questions shall be given to the claimant.

(4) Where a claim under this Scheme—

- (a) in respect of disablement is made more than 7 years after the date of the relevant qualifying injury or end of detention; or
- (b) is made in respect of the death of a person, such death having occurred more than 7 years after the date of the relevant qualifying injury or end of detention;

222 MINISTRY OF PENSIONS AND NATIONAL INSURANCE —DISABLEMENT, ETC., PENSION REGULATIONS

(c) the date on which it is first practicable for him, without committing a breach of the naval engagement in pursuance of which he was serving at the commencement of the detention, to return to the country to which he belongs; or until such other date as the Minister may direct in relation to that naval auxiliary member or to any class of naval auxiliary members.

3. *Persons to whom the Scheme applies.*—(1) Subject to the provisions of paragraph (3) of this Article, this Scheme applies to any naval auxiliary member whose disablement or death is directly attributable to a qualifying injury or to detention.

(2) This Scheme applies also, subject to the provisions of paragraph (3) of this Article, to any person employed or engaged in a ship forming part of Her Majesty's Navy as an enlisted man of the Royal Navy in whose case it was provided on his enlistment that, in the event of his disablement or death being directly attributable to a war injury, war risk injury or detention, compensation would be payable in accordance with the provisions of the Scheme for the time being in force applying the provisions of the Naval Order to naval auxiliary personnel, and, accordingly, any such person shall be treated for the purposes of this Scheme as if he were a naval auxiliary member, the rank in which he is serving in the Royal Navy being treated as his equivalent naval rank and his service after the 2nd September, 1939, as a man of the Royal Navy being treated as service as a naval auxiliary member.

(3) This Scheme does not apply to any person to whom any Scheme made under subsection (2) of section 5 of the Act applies.

4. *Equivalent naval ranks.*—(1) For the purposes of this Scheme, a naval auxiliary member shall be treated as holding on the material date the equivalent naval rank which is specified in the Second Schedule to this Scheme in relation to the capacity, or the capacity and circumstances, in which he was rendering service, and the qualifications which he held, on that date:

Provided that where, in the case of a naval auxiliary member holding a commission granted by Her Majesty for the purpose of his service, his commissioned rank was on the material date higher than the rank specified in the Second Schedule to this Scheme in relation to the capacity, or the capacity and circumstances, in which he was rendering service, or the qualifications which he held, on that date, the equivalent naval rank which the naval auxiliary member shall for the purposes of this Scheme be treated as holding on that date shall be his commissioned rank.

(2) Where, on the material date a naval auxiliary member—

(a) falls to be treated by virtue of the foregoing provisions of this Article as holding an equivalent naval rank which is, in the opinion of the Minister, too low or too high having regard to any circumstances which the Minister may consider relevant to the determination of the equivalent naval rank of that naval auxiliary member; or

(b) was rendering service in a capacity, or in a capacity and circumstances, not specified in the Second Schedule to this Scheme;

that naval auxiliary member shall be treated for the purposes of this Scheme as holding on that date such equivalent naval rank as is, in the opinion of the Minister, appropriate.

(3) Where the disablement or death of a naval auxiliary member is directly attributable, not to a single qualifying injury or period of detention but to two or more such causes, and different ranks would, by virtue of the foregoing provisions of this Article, be applicable to the different causes of the disablement or death—

(a) any award under the Naval Order as applied

by this Scheme in respect of disablement shall be at such composite rate as the Minister may consider appropriate having regard to the disabling effect of each such cause and the rank applicable thereto; and

(b) any award under the Naval Order as applied by this Scheme in respect of death shall be based upon the highest of those different ranks.

5. *Awards for disablement.*—Where the disablement of a naval auxiliary member is directly attributable to a qualifying injury or to detention, the provisions of the Naval Order, modified in the respects indicated in the Third Schedule to this Scheme, shall apply to him so as to secure that, subject to the provisions of this Scheme, there may be made on the termination of the naval engagement in the course of which he sustained the qualifying injury or suffered the detention an award or awards in respect of that disablement of the like nature and amount as would, having regard to his equivalent naval rank, have been made in respect thereof under the Naval Order if he had been a member of the naval forces for the purposes of that Order and his disablement had been due to service as a member of those forces.

6. *Persons previously disabled.*—(1) Where a naval auxiliary member who has suffered disablement which is directly attributable to a qualifying injury or to detention (in this Article referred to as the "relevant disablement") has been awarded a pension or other grant payable out of public funds (otherwise than under this Scheme) in respect of some other disablement however caused, the degree of the relevant disablement shall not exceed the difference between—

(a) the degree of the other disablement determined by reference to the assessment on which payment of the said pension or other grant is being made or, where that payment is not based on any specific assessment, the assessment which, in the opinion of the Minister, having regard to the regulations under which that payment is made, is appropriate to that other disablement; and

(b) the degree at which the relevant disablement and the other disablement, determined as aforesaid, would together have been assessed on a composite assessment if both disablements had fallen to be assessed under the Naval Order as applied by this Scheme.

(2) The Minister may, notwithstanding anything in the Naval Order as applied by this Scheme or in this Scheme, make such award in respect of the relevant disablement as will secure that the aggregate value of the award in respect of that disablement and of the pension or other grant in respect of the other disablement is not less than the value of the award which, if both disablements had come within the scope of this Scheme, would have been made by virtue of Article 4 (3) of this Scheme having regard to the equivalent naval rank of the member in relation to the relevant disablement and the rank which is, or should, in the opinion of the Minister, be assumed to be, the basis of the pension or other grant in respect of the other disablement.

(3) The provisions of this Article shall not apply where a naval auxiliary member to whom an award in respect of the relevant disablement may be made has been awarded a pension or other grant payable, in respect of some other disablement however caused, under the National Insurance (Industrial Injuries) Act, 1946(d), or under any legislation in Northern Ireland corresponding to that Act, or under the law of any place outside the United Kingdom which in the opinion of the Minister is analogous to that Act.

(4) Where an award may be made under the Naval Order as applied by this Scheme in respect of a member of the disabled person's family in respect of whom an award is not comprised in the pension or other grant in respect of the other disablement, the provisions of this Article shall not apply in relation to that award.

(d) 9 & 10 Geo. 6, c. 62.

7. *Awards on death.*—(1) Where the death of a naval auxiliary member is directly attributable to a qualifying injury or to detention, the provisions of the Naval Order, modified in the respects indicated in the Third Schedule to this Scheme, shall apply so as to secure that, subject to the provisions of this Scheme, there may be made an award or awards of the like nature and amount as would, having regard to his equivalent naval rank, have been made under the Naval Order if he had been a member of the naval forces for the purposes of that Order and his death had been due to service as a member of those forces:

Provided that an award under this Article shall not be made where the death of the naval auxiliary member takes place more than 7 years after the date of the relevant qualifying injury or end of detention unless at the date of his death he then was, or at any time previously thereto had been, in receipt of a pension awarded by the Minister in respect of a disablement to which his death was directly attributable.

(2) In this Article, the expression "pension" includes a weekly allowance, a gratuity or an allowance in respect of a period of approved treatment, and the expression "approved treatment" has the same meaning as in the Naval Order as applied by this Scheme.

8. *Prevention of double payments.*—Where the Minister is satisfied that a payment (not being a payment in respect of the cost of a funeral) has been or will be made in respect of an injury (whether resulting in disablement or death)—

- (a) under section 1 of the Superannuation Act, 1887 (e), as amended by section II of the Superannuation Act, 1935 (f), or by section 9 of the Superannuation Act (Northern Ireland), 1935 (g); or
- (b) under or by virtue of section 41 or 56 of the Superannuation Act, 1949 (h); or
- (c) under any Order-in-Council relating to pensions for officers of the Royal Fleet Auxiliaries;

no award of a pension, allowance or gratuity on account of any disablement or death which is directly attributable to that injury shall be made under the Naval Order as applied by this Scheme and any such award which has been made shall be cancelled:

Provided that, where the Minister is satisfied that, in respect of any period, the aggregate annual value of the payments which are being or will be made under or by virtue of the said section 1, section 41 or section 56 falls short of the aggregate annual value of the payments which, but for the foregoing provisions of this Article, would have been made in respect of that period under the Naval Order as applied by this Scheme or under this Scheme, the Minister may make such awards under the Naval Order as applied by this Scheme or under this Scheme as he may consider appropriate in order to make good the deficiency.

9. *Modification of awards in certain cases.*—(1) The rate or amount of any pension, allowance, gratuity or other grant which may be awarded under the Naval Order as applied by this Scheme or under this Scheme to or in respect of a person to whom this Article applies may be reduced to such extent as the Minister may consider appropriate, and (unless the Minister, having regard to any circumstances which seem to him relevant, otherwise directs in relation to a person coming within paragraph (2) (c) or (d) of this Article) shall not exceed two-thirds of the rate or amount which, but for this Article, would have been applicable.

(2) This Article applies to—

- (a) any person ordinarily resident outside the United Kingdom who, for the performance of his duties under the naval engagement by

virtue of which his case comes within this Scheme, was receiving or due to receive remuneration which is shown to the satisfaction of the Minister to be substantially lower than the remuneration customary in the case of a person ordinarily resident in the United Kingdom who undertakes in the United Kingdom to perform similar duties;

- (b) any member of the family of a person coming within sub-paragraph (a) of this paragraph;
- (c) any person whose country of origin is one where the standards of remuneration applicable for his employment are shown to the satisfaction of the Minister to be substantially lower than the standards of remuneration applicable in the United Kingdom for similar employment, and who is resident in that country or in some other country where the standards of remuneration applicable for his employment are shown to the satisfaction of the Minister to be substantially lower than the standards of remuneration applicable in the United Kingdom for similar employment;
- (d) any member of the family of a person whose country of origin is as aforesaid, being a member of the family who is resident in the said country or in some other country such as aforesaid.

10. *Power to make lump sum payments.*—Where, in the case of any person to whom a pension or allowance may be or has been awarded under the Naval Order as applied by this Scheme or under this Scheme, the Minister is satisfied that the payment of a lump sum in lieu of that pension or allowance is justified by the circumstances of the case, the Minister may pay to that person such a lump sum, and any reference in the Naval Order as applied by this Scheme or in this Scheme to a gratuity shall be construed as including a reference to a lump sum under this Article.

11. *Invalidity of assignments.*—Any assignment or charge, and any agreement to assign or charge, any pension, allowance, gratuity or other grant which may be or has been awarded under the Naval Order as applied by this Scheme or under this Scheme shall, for the purposes of this Scheme, be void.

12. *Determination of medical questions.*—The provisions of the Naval Order as applied by this Scheme shall apply in relation to any medical question which arises under this Scheme in like manner as they apply in relation to any matter which is required by the Naval Order to be certified and which involves a medical question.

13. *Declarations and certificates.*—(1) Any person to whom a pension, allowance or gratuity has been awarded under the Naval Order as applied by this Scheme or under this Scheme, and any person to whom payment of that pension, allowance or gratuity is to be made, shall, if and when required by the Minister so to do, subscribe such declaration as the Minister may from time to time direct.

(2) Where a declaration is subscribed under paragraph (1) of this Article by a person who is not the person to whom the pension, allowance or gratuity has been awarded, there shall be furnished, if and when required by the Minister, such certificate as the Minister may from time to time direct.

(3) If such a declaration or certificate as may have been required by the Minister under this Article to be subscribed or furnished is not subscribed or furnished, payment of the pension, allowance or gratuity, shall be withheld until the requirements of the Minister under this Article have been satisfied.
